This library of books, audio, video, and other materials from and about India is curated and

maintained by Public Resource. The purpose of this library is to assist the students and the lifelong

learners of India in their pursuit of an education so that they may better their status and their

opportunities and to secure for themselves and for others justice, social, economic and political.

Modern India is in some ways Gurgaon writ large. When Indians witnessed the stupendous rise of

the IT industry and of cities like Gurgaon, they began to ask, "Why do we need a government at

all, with corrupt politicians and unresponsive bureaucrats?" And they came to say mockingly,

"India grows at night when the government sleeps."
