### A Fine Balance Penguin

Middle schooler Ariel Goldberg must find her own voice and define her own beliefs after her big sister elopes with a young man from India following the Supreme Court decision that strikes down laws banning interracial marriage.

### India Grows at Night Simon and Schuster

A beloved classic that captures the powerful bond between man and man's best friend. Billy has long dreamt of owning not one, but two, dogs. So when he's finally able to save up enough money for two pups to call his own—Old Dan and Little Ann—he's ecstatic. It doesn't matter that times are tough; together they'll roam the hills of the Ozarks. Soon Billy and his hounds become the finest hunting team in the valley. Stories of their great achievements spread throughout the region, and the combination of Old Dan's brawn, Little Ann's brains, and Billy's sheer will seems unbeatable. But tragedy awaits these determined hunters—now friends—and Billy learns that hope can grow out of despair, and that the seeds of the future can come from the scars of the past. Praise for *Where the Red Fern Grows* A Top 100 Children's Novel, School Library Journal's A Fuse #8 Production A Must-Read for Kids 9 to 14, NPR Winner of Multiple State Awards Over 7 million copies in print! "Very touching." —The New York Times Book Review "One of the great classics of children's literature . . . Any child who doesn't get to read this beloved and powerfully emotional book has missed out on an

important piece of childhood for the last 40-plus years." —Common Sense Media "An exciting tale of love and adventure you'll never forget." —School Library Journal "A book of unadorned naturalness." —Kirkus Reviews "Written with so much feeling and sentiment that adults as well as children are drawn [in] with a passion." —Arizona Daily Star "It's a story about a young boy and his two hunting dogs and . . . I can't even go on without getting a little misty." —The Huffington Post "We tear up just thinking about it." —Time on the film adaptation

### A Memoir by the Creator of Nike Simon and Schuster

A semi-autobiographical romance between a French engineer and the daughter of a Hindu family with which he stayed in India. A case of East meets West with all the joys and woes that such encounters bring. For her version of the story see her novel, *It Does Not Die*.

### A Personal History of Outlawed Love and Sex Good Night books

The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from the author of *The Ministry of Utmost Happiness* NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, *The God of Small Things* is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

*A Novel* Random House Books for Young Readers What is it that we as a nation are missing? Why, given all our skills, resources and

talents, do we settle so often for the ordinary instead of striving to be the best? At the heart of *Ignited Minds* is an irresistible premise: that people do have the power, through hard work, to realize their dream of a truly good life. Kalam's vision document of aspiration and hope motivates us to unleash the dormant energy within India and guide the country to greatness.

### India Unbound Laurel Leaf

Indians wryly admit that 'India grows at night'. But that is only half the saying, the full expression is: 'India grows at night... when the government sleeps', suggesting that the nation may be rising despite the state. India's is a tale of private success and public failure. Prosperity is, indeed, spreading across the country even as governance failure pervades public life. But how could a nation become one of the world's fastest-growing economies when it's governed by a weak, ineffective state? And wouldn't it be wonderful if India also grew during the day—in other words, if public policy supported private enterprise? What India needs, Gurcharan Das says, is a strong liberal state. Such a state would have the authority to take quick, decisive action, it would have the rule of law to ensure those actions are legitimate and finally, it would be accountable to the people. But achieving this will not be easy, says Das, because India has historically had a weak state and a strong society. About the Author Gurcharan Das is a well known author,

commentator and public intellectual. He is the author of the much acclaimed *The Difficulty of Being Good*, and the international bestseller *India Unbound*, which has been translated into many languages and filmed by the BBC. His other works include the novel, *A Fine Family*, a book of essays, *The Elephant Paradigm*, and an anthology, *Three Plays*, consisting of *Larins Sahib*, *Mira* and *9 Jakhoo Hill*. Gurcharan Das writes a regular column for a number of Indian newspapers including the *Times of India* and occasional guest columns for *Newsweek*, *Wall Street Journal* and *Foreign Affairs*. Gurcharan Das graduated from Harvard University and was CEO of Procter and Gamble India before he took early retirement to become a full time writer. He lives in Delhi.

**Midnight's Children** Farrar, Straus and Giroux

#1 NEW YORK TIMES BESTSELLER • PULITZER PRIZE FINALIST • This inspiring, exquisitely observed memoir finds hope and beauty in the face of insurmountable odds as an idealistic young neurosurgeon attempts to answer the question What makes a life worth living? NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • People • NPR • The Washington Post • Slate • Harper's Bazaar • Time Out New York • Publishers Weekly • BookPage Finalist for the PEN Center USA Literary Award in Creative Nonfiction and the Books for a Better Life Award in Inspirational Memoir At the age of thirty-six, on the verge of completing a decade's worth of training as a neurosurgeon, Paul Kalanithi was diagnosed with stage IV lung cancer. One day he was a doctor treating the dying, and the next he was a patient struggling to live. And just like that, the future he and his wife had imagined evaporated. When *Breath Becomes Air*

chronicles Kalanithi's transformation from a naïve medical student "possessed," as he wrote, "by the question of what, given that all organisms die, makes a virtuous and meaningful life" into a neurosurgeon at Stanford working in the brain, the most critical place for human identity, and finally into a patient and new father confronting his own mortality. What makes a life worth living in the face of death? What do you do when the future, no longer a ladder toward your goals in life, flattens out into a perpetual present? What does it mean to have a child, to nurture a new life as another fades away? These are some of the questions Kalanithi wrestles with in this profoundly moving, exquisitely observed memoir. Paul Kalanithi died in March 2015, while working on this book, yet his words live on as a guide and a gift to us all. "I began to realize that coming face to face with my own mortality, in a sense, had changed nothing and everything," he wrote. "Seven words from Samuel Beckett began to repeat in my head: 'I can't go on. I'll go on.'" When *Breath Becomes Air* is an unforgettable, life-affirming reflection on the challenge of facing death and on the relationship between doctor and patient, from a brilliant writer who became both.

*A Novel India Grows at Night* A Liberal Case for a Strong State

*A Fine Balance*, Rohinton Mistry's stunning internationally acclaimed bestseller, is set in mid-1970s India. It tells the story of four unlikely people whose lives come together during a time of political turmoil soon after the government declares a "State of Internal Emergency." Through days of bleakness and hope, their circumstances - and their fates - become inextricably linked in ways no one could have foreseen. Mistry's prose is alive with enduring images and a cast of

unforgettable characters. Written with compassion, humour, and insight, *A Fine Balance* is a vivid, richly textured, and powerful novel written by one of the most gifted writers of our time.

*Himalaya: A Human History* Penguin Enterprise Named a Best Book of the Year by The New York Times, Wall Street Journal, New Statesman, Air Mail, and more A "haunting and elegant" (The Wall Street Journal) story about love, faith, the search for utopia—and the often devastating cost of idealism. It's the late 1960s, and two lovers converge on an arid patch of earth in South India. John Walker is the handsome scion of a powerful East Coast American family. Diane Maes is a beautiful hippie from Belgium. They have come to build a new world—Auroville, an international utopian community for thousands of people. Their faith is strong, the future bright. So how do John and Diane end up dying two decades later, on the same day, on a cracked concrete floor in a thatch hut by a remote canyon? This is the mystery Akash Kapur sets out to solve in *Better to Have Gone*, and it carries deep personal resonance: Diane and John were the parents of Akash's wife, Auralice. Akash and Auralice grew up in Auroville; like the rest of their community, they never really understood those deaths. In 2004, Akash and Auralice return to Auroville from New York, where they have been living with John's family. As they reestablish themselves in the community, along with their two sons, they must confront the ghosts of those distant deaths. Slowly, they come to understand how the tragic individual fates of John and Diane intersected with the collective history of their town. "A riveting account of human aspiration and folly taken to extremes" (The Boston Globe), *Better to Have Gone* probes the underexplored yet universal idea of utopia and portrays in vivid detail the daily life of one such community. Richly atmospheric and filled with remarkable characters, spread across time and continents, this is narrative writing of the highest order—a "gripping...compelling...[and] heartbreaking story, deeply researched and lucidly told" (The New York Times Book Review).

**The Absolutely True Diary of a Part-Time Indian** Anchor

Adventure abounds when a toy comes to life in this classic novel! It's Omri's birthday, but all he gets from his best friend, Patrick, is a little plastic warrior figure. Trying to hide his disappointment, Omri puts his present in a metal cupboard and locks the door with a mysterious skeleton key that once belonged to his great-grandmother. Little does Omri know that by turning the key, he will transform his ordinary plastic toy into a real live man from an altogether different time and place! Omri and the tiny warrior called Little Bear could hardly be more different, yet soon the two forge a very special friendship. Will Omri be able to keep Little Bear without anyone finding out and taking his new friend away?

*The Secret Garden* Little, Brown Books for Young Readers

This sweeping epic set in 19th-century India begins in the foothills of the towering Himalayas and follows a young Indian-born orphan as he's raised in England and later returns to India where he falls in love with an Indian princess and struggles with cultural divides. The Far Pavilions is itself a Himalayan achievement, a book we hate to see come to an end. It is a passionate, triumphant story that excites us, fills us with joy, move us to tears, satisfies us deeply, and helps us remember just what it is we want most from a novel. M.M. Kaye's masterwork is a vast, rich and vibrant tapestry of love and war that ranks with the greatest panoramic sagas of modern fiction, moving the famed literary critic Edmond Fuller to write: "Were Miss Kaye to produce no other book, *The Far Pavilions* might stand as a lasting accomplishment in a single work comparable to Margaret Mitchell's

achievement in *Gone With the Wind*."

*Among India's Revolutionary Guerrillas*

McClelland & Stewart

*India Grows at Night* A Liberal Case for a Strong State Penguin Enterprise

**The Wonderful Things You Will Be** Penguin UK

In this instant and tenacious New York Times bestseller, Nike founder and board chairman Phil Knight "offers a rare and revealing look at the notoriously media-shy man behind the swoosh" (Booklist, starred review), illuminating his company's early days as an intrepid start-up and its evolution into one of the world's most iconic, game-changing, and profitable brands. Bill Gates named *Shoe Dog* one of his five favorite books of 2016 and called it "an amazing tale, a refreshingly honest reminder of what the path to business success really looks like. It's a messy, perilous, and chaotic journey, riddled with mistakes, endless struggles, and sacrifice. Phil Knight opens up in ways few CEOs are willing to do." Fresh out of business school, Phil Knight borrowed fifty dollars from his father and launched a company with one simple mission: import high-quality, low-cost running shoes from Japan. Selling the shoes from the trunk of his car in 1963, Knight grossed eight thousand dollars that first year. Today, Nike's annual sales top \$30 billion. In this age of start-ups, Knight's Nike is the gold standard, and its swoosh is one of the few icons instantly recognized in every corner of the world. But Knight, the man behind the swoosh, has always been a mystery. In *Shoe Dog*, he tells his story at last. At twenty-four, Knight decides that rather than work for a big corporation, he will create something all his own, new, dynamic, different. He details the many risks he encountered, the crushing setbacks, the ruthless competitors and hostile bankers—as well as his many thrilling triumphs. Above all, he recalls the relationships that formed the heart and soul of Nike, with his former track coach, the irascible and charismatic Bill Bowerman, and with his first employees, a ragtag group of misfits and savants who quickly became a band of swoosh-crazed brothers. Together, harnessing the electrifying power of a bold vision and a shared belief in the transformative power of sports, they created a

brand—and a culture—that changed everything.

*Where Do Diggers Sleep at Night?* W. W. Norton & Company

Indians wryly admit that 'India grows at night'. But that is only half the saying, the full expression is: 'India grows at night... when the government sleeps', suggesting that the nation may be rising despite the state. India's is a tale of private success and public failure. Prosperity is, indeed, spreading across the country even as governance failure pervades public life. But how could a nation become one of the world's fastest-growing economies when it's governed by a weak, ineffective state? And wouldn't it be wonderful if India also grew during the day—in other words, if public policy supported private enterprise? What India needs, Gurcharan Das says, is a strong liberal state. Gurcharan Das graduated from Harvard University and was CEO of Procter and Gamble India before he took early retirement to become a full time writer. He lives in Delhi. *Bridgital Nation* Penguin UK

Like red earth and streaming rain, our loving hearts merged all by themselves. Captured in these centuries-old verses are the intoxication of new love, the romance of courtship, and the longing of separated lovers. Here are the voices of older women advising their younger friends, the words of messengers conveying secrets between lovers, and the musings of lovers to themselves. Culled from large anthologies that date from as early as the first century CE to as late as the eighth, Martha Ann Selby's masterful translations allow the poems to stand on their own in English while still maintaining the flavors of the original verses as reflected in idiom and structure. The book's 200 erotic poems are composed in India's three classical languages: Old Tamil, Maharastri Prakrit, and Sanskrit, and grouped according to themes, with annotations provided whenever a brief gloss is necessary. After opening with several informative essays on the poems and how to read them, their origin, and the languages in which they were composed, the book proceeds with the delicate images, voices, and emotions of the verses themselves.

*India Grows At Night* Simon and Schuster  
As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

*Solving Technology's People Problem* St. Martin's Griffin  
Good Night India highlights the Himalayan Mountains, Golden Temple, Valley of Flowers National Park, Palace of Winds, Hawa, Mahal, Mehrangarh Fort, Goa, beaches, dolphins, lions in the Gir Forest, tigers in the Sundarbans, Darjeeling tea, blue train, elephants, and more. This charming board book invites young readers on an exciting and educational tour of one of the world's most interesting countries: India. This book is part of the bestselling Good Night Our World series, which includes hundreds of titles exploring iconic locations and exciting, child-friendly themes. Many of India's most beloved regions are artfully celebrated in these board books designed to soothe children before bedtime while instilling an early appreciation for India's natural and cultural wonders. Each book stars a multicultural group of people visiting the featured area's attractions as rhythmic language guides children through the passage of both a single day and the four seasons while saluting the iconic aspects of each place.

A Novel Vintage Canada

A magisterial history of the Himalaya: an epic story of peoples, cultures, and adventures among the world's highest mountains. For centuries, the unique and astonishing geography of the Himalaya has attracted those in search of spiritual and literal elevation: pilgrims, adventurers, and mountaineers seeking to test themselves among the world's most spectacular and challenging peaks. But far from being wild and barren, the Himalaya has been home to a diversity of indigenous and local cultures, a crucible of world religions, a crossroads for trade, and a meeting point and conflict zone for empires past and present. In this landmark work, nearly two decades in the making, Ed Douglas makes a thrilling case for the Himalaya's importance in global history and offers a soaring account of life at the "roof of the world." Spanning millennia, from the earliest inhabitants to the present conflicts over Tibet

and Everest, Himalaya explores history, culture, climate, geography, and politics. Douglas profiles the great kings of Kathmandu and Nepal; he describes the architects who built the towering white Stupas that distinguish Himalayan architecture; and he traces the flourishing evolution of Hinduism, Islam, and Buddhism that brought Himalayan spirituality to the world. He also depicts with great drama the story of how the East India Company grappled for dominance with China's emperors, how India fought Mao's Communists, and how mass tourism and ecological transformation are obscuring the bloody legacy of the Cold War. Himalaya is history written on the grandest yet also the most human scale—encompassing geology and genetics, botany and art, and bursting with stories of courage and resourcefulness.

*This Tender Land* HarperCollins

In this award-winning novel, Tharoor has masterfully recast the two-thousand-year-old epic, The Mahabharata, with fictional but highly recognizable events and characters from twentieth-century Indian politics. Nothing is sacred in this deliciously irreverent, witty, and deeply intelligent retelling of modern Indian history and the ancient Indian epic The Mahabharata. Alternately outrageous and instructive, hilarious and moving, it is a dazzling tapestry of prose and verse that satirically, but also poignantly, chronicles the struggle for Indian freedom and independence.
