The Political History of England in Twelve
Volumes: Pollard, A.F. From the accession of
Edward VI to the death of Elizabeth (1547-1603)
Routledge

In 1558 while imprisoned in a remote castle, a
young girl becomes involved in a series of events
that leads to an underground labyrinth peopled
by the last practitioners of druidic magic.

The Lady Elizabeth University of Chicago
Press

Just one night? All she can say is yes... “I need
to talk to you.” And this time she must resist
temptation... Sadie Slade isn’t interested in
romantic entanglements. She’s been there,
done that. But handsome CEO Carrick Murphy
tangles things up for her—fast. Their steamy
one-night stand has made them parents-to-be.
And she still can’t stop fantasizing about a
repeat with the stubborn bachelor—despite the
secrets they’re both keeping. Is it time for

them to take a chance on happiness?

competition should've been reason enough
for me to leave her alone. I had a job to do
that summer and f*cking Chloe wasn't part

of it. But I was like a man possessed. I'd do whatever it took to have her again. *Indiscretion: Vol 1-4*
NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SAN FRANCISCO CHRONICLE • With the emotional complexity of *Everything I Never Told You* and the psychological suspense of *The Girl on the Train*, O. Henry Prize winner Jan Ellison delivers a brilliantly paced, beautifully written debut novel about one woman's reckoning with a youthful mistake. "Part psychological thriller, part character study . . . I peeled back the pages of this book as fast as I could."—The Huffington Post At nineteen, Annie Black trades a bleak future in a washed-out California town for a London winter of

drinking and abandon. Twenty years later, she is a San Francisco lighting designer and happily married mother of three who has put her reckless youth behind her. Then a photo from that distant winter in Europe arrives inexplicably in her mailbox, and an old obsession is awakened. Past and present collide, Annie's marriage falters, and her son takes a car ride that ends with his life hanging in the balance. Now Annie must confront her own transgressions and fight for her family by untangling the mysteries of the turbulent winter that drew an invisible map of her future. Gripping, insightful, and lyrical, *A Small Indiscretion* announces the arrival of a major new voice in literary suspense as it unfolds a story of denial, passion, forgiveness—and the redemptive

power of love. Praise for *A Small Indiscretion* “Ellison is a tantalizing storyteller . . . moving her story forward with cinematic verve.”—USA Today “Rich with suspense . . . Lovely writing guides us through, driven by a quiet generosity.”—San Francisco Chronicle (Book Club pick) “Delicious, lazy-day reading. Just don’t underestimate the writing.”—O: The Oprah Magazine (Editor’s Pick) “Rich and detailed . . . The plot explodes delightfully, with suspense and a few twists. Using second-person narration and hypnotic prose, Ellison’s debut novel is both juicy and beautifully written. How do I know it’s juicy? A stranger started reading it over my shoulder on the New York City subway, and told me he was sorry that I was turning the pages too quickly.”—Flavorwire “Are those wild college days ever really behind you? Happily married Annie finds out.”—Cosmopolitan “An impressive fiction debut . . . both a psychological mystery and a study of the divide between desire and duty.”—San Jose Mercury News “A novel to tear through on a plane ride or on the beach . . . I was drawn into a web of secrets, a world of unrequited love and youthful mistakes that feel heightened and more romantic on the cold winter streets of London, Paris, and Ireland.”—Bustle “Ellison renders the California landscape with stunning clarity. . . She writes gracefully, with moments of startling insight. . . Her first novel is an emotional thriller, skillfully plotted in taut, visual scenes.”—The Rumpus “To read A

Small Indiscretion is to eat fudge before dinner: slightly decadent behavior, highly caloric, and extremely satisfying. . . . An emotional detective story that . . . mirrors real life in ways that surprise and inspire.”—New York Journal of Books “If you liked *Gone Girl* for its suspenseful look inside the psychology of a bad marriage, try *A Small Indiscretion*. . . . It touches many of the same nerves.”—StyleCaster

Bohemian Paris Trimble Hollow Press
Exotic and yet familiar, rife with passion, immorality, hunger, and freedom, Bohemia was an object of both worry and fascination to workaday Parisians in the nineteenth century. No mere revolt against middle-class society, the Bohemia Seigel discovers was richer and more complex, the stage on

which modern bourgeois acted out the conflicts of their social identities, testing the liberation promised by post-revolutionary society against the barriers set up to contain it. Turning life into art, Bohemia became a space where many innovative and original figures—some famous, some obscure—found a home.

Tombstone Trilogy: Fool's Gold (Book 1) Elisabeth Grace
Following the tremendous success of her first novel, *Innocent Traitor*, which recounted the riveting tale of the doomed Lady Jane Grey, acclaimed historian and New York Times bestselling author Alison Weir turns her

masterly storytelling skills to the early life of young Elizabeth Tudor, who would grow up to become England's most intriguing and powerful queen. Even at age two, Elizabeth is keenly aware that people in the court of her father, King Henry VIII, have stopped referring to her as "Lady Princess" and now call her "the Lady Elizabeth." Before she is three, she learns of the tragic fate that has befallen her mother, the enigmatic and seductive Anne Boleyn, and that she herself has been declared illegitimate, an injustice that will haunt her. What comes next is a succession of stepmothers, bringing with them glimpses of love, fleeting security, tempestuous conflict, and tragedy. The death of her father puts the teenage Elizabeth in greater peril, leaving her at the mercy of ambitious and unscrupulous men. Like her mother two decades earlier she is imprisoned in the Tower of London—and fears she will also meet her mother's grisly end. Power-driven politics, private scandal and public gossip, a

disputed succession, and the orphaned girl haunted by the grievous example of her shadow of the axe, an sister, "Bloody" Queen Mary, independent spirit who must all cement Elizabeth's resolve use her cunning and wits for in matters of statecraft and her very survival, and a love, and set the stage for future queen whose dangerous her transformation into the and dramatic path to the iconic Virgin Queen. Alison throne shapes her future Weir uses her deft talents as greatness. BONUS: This edition historian and novelist to contains an excerpt from exquisitely and suspensefully Alison Weir's *Mary Boleyn*. play out the conflicts between *Elizabeth de Bruce, by the* family, politics, religion, author of *Clan-Albin* and conscience that came to Ballantine Books define an age. Gravelines, along with Catharine Bentley (originally believed to be the translator) she founded a new cloister at Aire. Evelinge served as abbess here for 25 years. Her 1621 translation of Catharine of Bologna's life and Spiritual weapons, with their exemplary advice about how to survive the temptations and conflicts of cloistered life, aimed at assisting the troubled English Poor Clares in their time of need. Whether designed to further the Franciscan cause within the cloister or simply to offer solace, the translation of this text occurred because of the dissension in the house at Gravelines. Moreover, it is possible that Catharine of Bologna represented so compelling a model of Poor Clare spirituality that Elizabeth Evelinge, whose piety and talents mirrored those of her subject, deemed herself too humble to ascribe her intellectual achievements to herself, which led to the debate about who translated the text.

Elizabeth Montagu, the Queen of the Bluestockings Macmillan

Thanks to Shakespeare, Hollywood, and the formidable Elizabeth I herself, Elizabethan England remains a place and time that fascinates us. Modern England still has visible memorials of the Elizabethans the houses they built, the objects they cherished, the patterns they imposed upon the very landscape. A. L. Rowse's famously vivid portrayal of the Elizabethan world is a detailed account of that society and tradition, from the lowest social class to the men and women who governed the realm. A major new introduction from Christopher

Haigh offers both a reflection on Rowse's masterpiece and an assessment of the Elizabethan Age." *Lady Eve's Indiscretion* JHU

Press

England's Virgin Queen, Elizabeth Tudor, had a reputation for proficiency in foreign languages, repeatedly demonstrated in multilingual exchanges with foreign emissaries at court and in the extemporized Latin she spoke on formal visits to Cambridge and Oxford. But the supreme proof of her mastery of other tongues is the sizable body of translations she made over the course of her lifetime. This

two-volume set is the first complete collection of Elizabeth's translations from and into Latin, French, and Italian. Presenting original and modernized spellings in a facing-page format, these two volumes will answer the call to make all of Elizabeth's writings available. They include her renderings of epistles of Cicero and Seneca, religious writings of John Calvin and Marguerite de Navarre, and Horace's *Ars poetica*, as well as Elizabeth's Latin *Sententiae* drawn from diverse sources, on the responsibilities of sovereign rule and her own perspectives on the monarchy. Editors Janel Mueller and Joshua Scodel offer introduction to each of the translated selections, describing the source text, its cultural significance, and the historical context in which Elizabeth translated it. Their annotations identify obscure meanings, biblical and classical references, and Elizabeth's actual or apparent deviations from her sources. The translations collected here trace Elizabeth's steady progression from youthful evangelical piety to more mature reflections on morality, royal responsibility, public and

private forms of grief, and the right way to rule. Elizabeth I: Translations is the queen's personal legacy, an example of the very best that a humanist education can bring to the conduct of sovereign rule.

The Letters of Elizabeth

Barrett Browning Harlequin
Features Elizabeth Gaskell's work. This work brings together her journalism, her shorter fiction, which was published in various collections during her lifetime, her early personal writing, including a diary written between 1835 and 1838

when she was a young mother, her five full-length novels and "The Life of Charlotte Bronte".

The Visits of Elizabeth VM eBooks

Arranges the queen's poems, letters, speeches, and prayers chronologically, revealing her relationships with her family and courtiers, support of England in times of war, and knowledge of Scripture.

A Small Indiscretion

University of Chicago Press

When David Hume began his History of England the undertaking came, not from

any sudden resolve nor as an entirely new enterprise, but as one possibly contemplated thirteen years before, in 1739, probably attempted several times thereafter, and certainly considered, at least as a corollary discipline, in a philosophical discourse published in 1748. Even so, any concerted effort long sustained necessarily awaited appropriate conditions: all happily combining for Hume upon his election, January, 1752, as Keeper of the Advocates' Library in Edinburgh. With this appointment the author finally had "a genteel-office," ready access to a collection of some thirty thousand volumes, and, no less desirable, leisure indefinitely extended to pursue his research. Heretofore, by mere exertion of his own commanding intellect, philosopher Hume had more than once set forth what he perceived to be the "constant and universal principles of human nature." Now, as a philosophical historian, he could ascertain from dreary chronicles all the aberrations of human behavior

as there exhibited in "wars, intrigues, factions, and revolutions." These and other vagaries, previously recorded simply as odd phenomena, in Hume's more coherent view constituted a varied range of "materials" documenting the "science of man."

Elizabeth I Sourcebooks, Inc.

She needed a plan. What she found was a marquis... Lady Evie Windham has a secret to keep, and a wedding night would ruin everything. She's determined to avoid marriage as long as possible, but with her parents pushing potential partners her way from every direction, she needs a

miracle. When she meets Lucas Denning, the newly titled Marquis of Deene, Evie knows he could be the answer. Lucas Denning has a secret of his own, and he's finding it harder and harder to ward off the ladies who seem to think him a suitable husband. He doesn't think they'd be so keen if they knew of the gambling debts he inherited and can't repay. When Lady Eve suggests that they could be each other's decoy, it seems like the perfect way to keep all eyes off of him for a while. What he didn't expect was the steamy kiss that no one was supposed to see, and that he never saw coming... "Captivating... Two Missionaries Under Elizabeth

Elisabeth Grace

Book 1 of the Tombstone Trilogy - The Wild, Wild, West with a zombie twist! If you love airships, cool

machines, western shootouts and walking dead, you'll be hooked by this thriller! US Marshal Mason Sadler has a great hustle going on with the vivacious and lovely Belle Dubois, the madam of the Bird Cage Theater in Tombstone, Arizona Territory. She keeps the outlaws occupied until he conveniently shows up to arrest them after which she and Mason split the reward. Their business arrangement is going rather well until the wealthy inventor and archaeologist Henry Mitchell decides to make a play for Belle's attention and affection. After all, he's single while Mason is stuck in a marriage to a woman who prefers laudanum to marital bliss. But does Henry really desire Belle or is his interest a deflection from his true intentions, for gold from the Seven Cities of Cibola has been discovered in the mining hills of Tombstone. Two men desperately want to keep the discovery a secret - Caleb, the old miner who found the treasure, and Henry who has spent the past several years hunting for it. Unfortunately for Caleb, Henry has no qualms about using whatever means necessary to take what he wants, even if it means murder and kidnapping. Regrettably for Belle, she eventually gets in the way. With the help of two Chiricahua machinists, Mason sets out to stop Henry's escape and rescue Belle. But everyone has failed to take into consideration two dead conquistadors who are not quite

ready to part with the gold.

First published in 1965. In 1865, a woman first obtained a legal qualification in this country as physician and surgeon. Elizabeth Garrett surprised public opinion by the calm obstinacy with which she fought for her own medical education and that of the young women who followed her. This full biography is based largely on unpublished material from the hospitals

and medical schools where Elizabeth Garrett Anderson worked, and the private papers of the Garrett and Anderson families. This title will be of great interest to history of science students.

Elizabeth Garrett Anderson

Houghton Mifflin Harcourt
This edited volume brings together a collection of provocative essays examining a number of different facets of Elizabethan foreign affairs, encompassing England and The British Isles, Europe, and the dynamic civilization of Islam. As an entirely domestic queen who never physically left her

realm, Elizabeth I cast an inordinately wide shadow in the world around her. The essays in this volume collectively reveal a queen and her kingdom much more connected and integrated into a much wider world than usually discussed in conventional studies of Elizabethan foreign affairs.

Books in Print Routledge

Gathers 25,000 quotations from around the world, drawing from a range of fields including history, politics, religion, and popular culture.
