Kristin Guzder. October 25, 2019. 5 min read. All teachers should have a professional development plan and actively work on achieving the goals they have identified. By following the steps you have put in place, you should gain the experience and develop the skills required to do so. For example, your goal may be to become a head of department, or a member of pastoral care, and so you need to outline what you will do to gain this position in your plan.
