Without a doubt the
iNET ZERO JNCIE-SEC
workbook and mock lab
have been a critical
resource. The content
is appropriately
difficult and helps
you approach a wide
variety of complex
scenarios. I would
highly recommend that
anyone perusing JNCIE
certifications should

include the workbook/lab and mock lab into their preparation resources, its well worth it.

In total, I used 15 iNET ZERO lab
sessions before my first lab exam
attempt. During this time, I also
was reading through the Proteus
workbook when I wasn ' t doing
the iNET ZERO labs. Where it
made sense, I also utilized my
practice lab to test configurations
from the Proteus workbook.
