A Guide to End Times and a Message of Caution Georg Olms Verlag  
Compiled by the author of Janes Air Forces of the World, this book is a must for aviation experts. In one volume the reader will find the composition and details of all air elements of a staggering 169 nations air forces and, where they exist, army air, naval air and such paramilitary organizations as the US Coast Guard Service. By definition such a book must be regularly updated and David Wragg has researched his subject right up to the minute. This latest book supersedes the authors early book in the Jane series. The Rough Guide to China covers of all of mainland China and Tibet, as well as the lesser known administrative regions of Hong Kong and Macau. The Rough Guide provides all the information you need, whether you want to explore the sophisticated nightlife of Beijing and Shanghai, chill out in the mellow travellers' havens of Dali and Yangshuo, or roam the streets of wonderfully historical towns such as Lijiang. Up-to-date descriptions provide you with the low-down on famous sights such as Beijing's Forbidden City, the Terracotta Army outside Xi'an, limestone peaks around Guilin and the cruise through the mighty Three Gorges along the Yangzi. There's also full practical information on where to drink, sleep, party and eat - from streetside snack stalls to luxurious Beijing Duck restaurants. Detailed maps and comprehensive practical information help you get under the skin of China, whilst the guide's stunning photography and a full-colour introduction make this your ultimate travelling companion.

Make the most of your time on earth™ with The Rough Guide to China. Originally published in print in 2011. Now available in ePub format.  
A Global Guide to Human Resource Management Createspace Independent Pub  
For over forty years much of the world was held captive by a conflict between two wholly incompatible economic ideologies—capitalism and communism—and the two primary superpower countries who practiced them, the United States and the Soviet Union. Written in accessible language for readers with little or no previous knowledge about the subject, this work is first a general history of the Cold War, with an overview of its root causes and the policies and theories that were in place from 1947 through 1990. A thoroughly annotated chronology of important Cold War events follows. Short biographies of some of the major United States political figures and world leaders conclude the work.

The Homiletic Review Oxford University Press, USA  
In this study of the rabbinic heretics who believed in "Two Powers in Heaven," Alan Segal explores some relationships between rabbinic Judaism, Merkabah mysticism, and early Christianity. "Two Powers in

Heaven" was a very early category of heresy. It was one of the basic categories by which the rabbis perceived the new phenomenon of Christianity and one of the central issues over which Judaism and Christianity separated. Segal reconstructs the development of the heresy through prudent dating of the stages of the rabbinic traditions. The basic heresy involved interpreting scripture to say that a principal angelic or hypostatic manifestation in heaven was equivalent to God. The earliest heretics believed in two complementary powers in heaven, while later heretics believed in two opposing powers in heaven. Segal stresses the importance of perceiving the relevance of rabbinic material for solving traditional problems of New Testament and gnostic scholarship, and at the same time maintains the necessity of reading those literatures for dating rabbinic material. Please note that "Two Powers in Heaven" was previously published by Brill in hardback, ISBN 90 04 05453 7 (no longer available).

Guide to Government Orders Rough Guides UK For this edition the originals have been carefully recollated, and all doubtful places checked. Some eccentricities of typography have been normalized; but the spelling and punctuation of the first editions are substantially preserved. The textual notes give in a condensed form all variants of any importance. Each work is preceded by a brief critical introduction. -- From publisher's description.

InFamous 2 Broadview Press

A Global Guide to Human Resource Management is a concise HRM introductory text offering a uniquely non-region-specific approach to people management in international business organisations. The book presents an alternative to standard managerial approaches, reflecting the perspectives of multiple stakeholders (workers, trade unions, states and governments, NGOs) to critically evaluate HRM in practice and, in so doing, enables students to make effective decisions in their own practice, wherever their careers take them. Its accessibility and concision make it well suited to short courses for non-HRM and non-business specialists. This text covers all major introductory topics for non-specialists, introducing the concept and purpose of HRM, through recruitment, people, skills, designing work, promoting health, rewarding success, and successful and ethical people management. This edition includes a new chapter on green HRM. Rich with pedagogical features, the book includes five case studies per chapter to connect theory with practice. It is also supported with a range of instructor materials including online guest lectures, general discussion questions, a glossary, an index, and online documentaries that explain how to manage people. It is essential reading for students interested in Human Resources and Personnel Management, Organisational Behaviour and Development and Workplace Culture.

Infamous 2 Signature Series Guide Apa Publications (UK) Limited

This edition offers Marlowe's five major plays, including Tamburlaine Part One and Part Two: The Jew of Malta; Edward II; and Doctor Faustus, which is here in both A- and its B-text, showing the enormous and fascinating differences between the two. Text is presented in modernized spelling and punctuation.

Insight Guides Japan Rough Guides

This New Mermaids anthology brings together the four most popular and widely studied of Christopher Marlowe's plays: Tamburlaine, Parts 1 and 2, The Jew of Malta, Edward II and Dr Faustus. The new introduction by Brian Gibbons explores the plays in the context of early modern theatre, culture and politics, as well as examining their language, characters and themes. On-page commentary notes guide students to a better understanding and combine to make this an indispensable student edition ideal for study and classroom use from A Level upwards.

Tamburlaine the Great Apa Publications (UK) Limited

It ' s been seven years since the Cole McGrath episodes and the world has clearly changed. Anyone showing signs of being a so-called " bio-terrorist " is immediately handed over to the Department of Unified Protection (DUP) -- a government agency created to ensure there is never a repeat of the catastrophic events of Empire City and New Marais. So Delsin, who has never been particularly respectful of authority, finds himself caught in the DUP dragnet, and decides he ' s not going to go quietly. - All missions, including Good and Evil Karma. - DLC missions, including the enigmatic Paper Trail. - Collectibles, including images for the hard to find ones. - Trophy guide detailing how to get the elusive Platinum Trophy.

Infamous: Second Son - Strategy Guide Apa Publications (UK) Limited

Tamburlaine the Great, Part One and Part Two are the first plays that Christopher Marlowe wrote for London ' s then new freestanding, open-air public playhouses. They trace the progress of Tamburlaine, a Central Asian leader, as he " scourge[s] kingdoms with his conquering sword " and rises to imperial power. The plays were a powerful beginning to Marlowe ' s brief career as a public theatre dramatist: the brutally masculine and martial main character immediately captured audiences, and the plays were widely imitated and parodied. Even four hundred years later, Marlowe ' s Tamburlaine remains a shocking and seductive figure. The introduction and historical appendices to this new Broadview Edition provide many avenues for readers to understand these plays, presenting other portrayals of Islam from the period, related lives of Tamburlaine from other writers, and material on Marlowe ' s scandalous reputation.
