#1 NEW YORK TIMES BESTSELLER • NEWBERY MEDAL WINNER • NATIONAL BOOK AWARD WINNER Dig deep in this award-winning, modern classic that will remind readers that adventure is right around the corner--or just under your feet! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now

Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in

*The Gift of the Magi* Compass

This modern classic celebrates the tradition of tamales and family bonding

at Christmas. Christmas Eve started out so perfectly for Maria. Snow had fallen and the streets glittered. Maria's favorite cousins were coming over and she got to help make the tamales for Christmas dinner. It was almost too good to be true when her mother left the kitchen for a moment and Maria got to try on her beautiful diamond ring . . . This is the story of a treasure thought to be lost in a batch of tamales; of a desperate and funny attempt by Maria and her cousins to eat their way out of trouble; and the warm way a family pulls together

to make it a perfect Christmas after all. Also available in Spanish as ¡Qué montón de tamales!

Some students just don't want to share intimate details about their thoughts, feelings and lives—at least, not with others in a class or group. That's where Unjournaling comes in. All the

writing prompts in this book are entirely impersonal but completely engaging for both kids and adults. Two examples of the 200 writing prompts include: Write a paragraph about a girl named Dot, but use no letters with a dot (in other words, no i or j). Why on earth would Yankee Doodle stick a feather in his cap and call it “macaroni”? Come up with a plausible explanation. The book includes sample responses to all of the questions—a helpful tool for

anyone who gets stuck with a topic and wants to see how it can be done! Grade 7-Adult
