Mini Down Under Springer
Mini Down Under traces the history of one of New Zealand's - and the world's - best-loved cars. More versions of the Mini were available in New Zealand than anywhere else, and the launching of the iconic car in February 1960 was a larger-than-life event. In this lively and personal story, the author tracks the Mini's life in New Zealand, the connection between Kiwi racing driver Bruce McLaren and the birth of the Mini Cooper, the heady days of competition success in the Antipodes, the local assembly and marketing of the classic original car and the eventual development into the latest generation Mini for a new century.

Sometimes what you think God wants for you is most likely the last thing He wants for you. That's exactly what Aimee encountered with a six-year romantic relationship with a deceitful man. Growing in the Christian faith, She knew She wanted to continue following Jesus; with that, the enemy knew the right tactics to make her believe she was doing that with a man named Bryce, that wasn't living up to the expectations she had. Encountering all the infidelities, lies and deceit she

still refused to let go of the relationship which was causing her to become blinded to the reality of it. It took God to remove Bryce from her life entirely, in order for her to regain her worth and restore what she had lost within herself. God is so compassionate that He did not forget the desires of my heart even after. In the midst of getting over what happened between her and Bryce, He places someone she believed is not a good fit. Little did she know God is behind this one. Never did she once think she was going to meet the man of her dreams and future husband so soon after her break up with Bryce. Even though it was no easy task to adapt to another man after him, Nelson opened her eyes to see that not all men are the same and that it is possible to love flawlessly if you just let go.
