Winner of the 2020 Miles Franklin Literary Award and 2021 Kate Challis RAKA Award! "A beautifully written novel that puts language at the heart of remembering the past and understanding the present."—Kate Morton "A groundbreaking novel for black and white Australia." —Richard Flanagan, Man Booker Prize winning author of *The Narrow Road to the Deep North* A young Australian woman searches for her grandfather's dictionary, the key to halting a mining company from destroying her family's home and ancestral land in this exquisitely written, heartbreaking, yet hopeful novel of culture, language, tradition, suffering, and empowerment in the tradition of Louise Erdrich, Sandra Cisneros, and Amy Harmon. Knowing that he will soon die, Albert "Poppy" Gondiwindi has one final task he must fulfill. A member of the indigenous Wiradjuri tribe, he has spent his adult life in Prosperous House and the town of Massacre Plains, a small enclave on the banks of the Murrumbidgee River. Before he takes his last breath, Poppy is determined to pass on the language of his people, the traditions of his ancestors, and everything that was ever remembered by those who came before him. The land itself aids him; he finds the words on the wind. After his passing, Poppy's granddaughter, August, returns home from Europe, where she has lived the past ten years, to attend his burial. Her overwhelming grief is compounded by the pain, anger, and sadness of memory—of growing up in poverty before her mother's incarceration, of the racism she and her people endured, of the mysterious disappearance of her sister when they were children; an event that has haunted her and changed her life. Her homecoming is bittersweet as she confronts the love of her kin and news that Prosperous is to be repossessed by a mining company. Determined to make amends and honor Poppy and her family, she vows to save their land—a quest guided by the voice of her grandfather that leads into the past, the stories of her people, the secrets of the river. Told in three masterfully woven narratives, *The Yield* is a celebration of language and an exploration of what makes a place "home." A story of a people and a culture dispossessed, it is also a joyful reminder of what once was and what endures—a powerful reclaiming of Indigenous language, storytelling, and identity, that offers hope for the future.

"Swallow, daughter, pull them in, those words that sit upon your lips. Lock them deep inside your soul, hide them 'til they've time to grow. Close your mouth upon the power, curse not, cure not, 'til the hour. You won't speak and you won't tell, you won't call on heaven or hell. You will learn and you will thrive. Silence, daughter. Stay alive.' The day my mother was killed, she told my father I wouldn't speak again, and she told him if I died, he would die too. Then she predicted the king would trade his soul and lose his son to the sky. My father has a claim to the throne, and he is waiting in the shadows for all of my mother's words to come to pass. He wants desperately to be king, and I just want to be free. But freedom will require escape, and I'm a prisoner of my mother's curse and my father's greed. I can't speak or make a sound, and I can't wield a sword or beguile a king. In a land purged of enchantment, love might be the only magic left, and who could ever love ... a bird?"--Back cover.

I won my first fight when I was eleven years old, and I've been throwing punches ever since. Fighting is the purest, truest, most elemental thing there is. Some people describe heaven as a sea of unending white. Where choirs sing and loved ones await. But for me, heaven was something else. It sounded like the bell at the beginning of a round, it tasted like adrenaline, it burned like sweat in my eyes and fire in my belly. It looked like the blur of screaming crowds and an opponent who wanted my blood. For me, heaven was the octagon. Until I met Millie, and heaven became something different. I became something different. I knew I loved her when I watched her stand perfectly still in the middle of a crowded room, people swarming, buzzing, slipping around her, her straight dancer's posture unyielding, her chin high, her hands loose at her sides. No one seemed to see her at all, except for the few who squeezed past her, tossing exasperated looks at her unsmiling face. When they realized she wasn't normal, they hurried away. Why was it that no one saw her, yet she was the first thing I saw? If heaven was the octagon, then she was my angel at the center of it all, the girl with the power to take me down and lift me up again. The girl I wanted to fight for, the girl I wanted to claim. The girl who taught me that sometimes the biggest heroes go unsung and the most important battles are the ones we don't think we can win.
