BEST BOOK OF 2019 A thrilling tale of secretaries turned spies, of love and duty, and of sacrifice--the real-life story of the CIA plot to infiltrate the hearts and minds of Soviet Russia, not with propaganda, but with the greatest love story of the twentieth century: Doctor Zhivago. At the height of the Cold War, two secretaries are pulled out of the typing pool at the CIA and given the assignment of a lifetime. Their mission: to smuggle Doctor Zhivago out of the USSR, where no one dares publish it, and help Pasternak's magnum opus make its way into print around the world. Glamorous and sophisticated Sally Forrester is a seasoned spy who has honed her gift for deceit all over the world--using her magnetism and charm to pry secrets out of powerful men. Irina is a complete novice, and under Sally's tutelage quickly learns how to blend in, make drops and invisibly ferry classified documents. The Secrets We Kept combines a legendary literary love story--the decades-long affair between Pasternak and his mistress and muse, Olga Ivinskaya, who was sent to the Gulag and inspired Zhivago's heroine, Lara--with a narrative about two women empowered to lead lives of

extraordinary intrigue and risk. From Pasternak's country estate outside Moscow to the brutalities of the Gulag, from Washington, DC, to Paris and Milan, *The Secrets We Kept* captures a watershed moment in the history of literature--told with soaring emotional intensity and captivating historical detail. And at the centre of this unforgettable debut is the powerful belief that a piece of art can change the world.

In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It ' s also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet “ what if. ” Despite their fathers ' bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of

Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be.

Prom Night in Purgatory Hachette UK

I won my first fight when I was eleven years old, and I've been throwing punches ever since. Fighting is the purest, truest, most elemental thing there is. Some people describe heaven as a sea of unending white. Where choirs sing and loved ones await. But for me,

heaven was something else. It sounded like the bell at the beginning of a round, it tasted like adrenaline, it burned like sweat in my eyes and fire in my belly. It looked like the blur of screaming crowds and an opponent who wanted my blood. For me, heaven was the octagon. Until I met Millie, and heaven became something different. I became something different. I knew I loved her when I watched her stand perfectly still in the middle of a crowded room, people swarming, buzzing, slipping around her, her straight dancer's posture unyielding, her chin high, her hands loose at her sides. No one seemed to see her at all, except for the few who squeezed past her, tossing exasperated looks at her unsmiling face. When they realized she wasn't normal, they hurried away. Why was it that no one saw her, yet she was the first thing I saw? If heaven was the octagon, then she was my angel at the center of it all, the girl with the power to take me down and lift me up again. The girl I wanted to fight for, the girl I wanted to claim. The girl who taught me that sometimes the biggest heroes go unsung and the most important battles are the ones we don't think we can win.
