Almanac 2008 Plunkett

Research, Ltd.

Looking for jobs and careers with top American

employers--the companies that are recruiting and hiring today?

Do you want employment with top salaries, benefits, stock options and advancement

opportunities? The Almanac of American Employers leads job seekers to the 500 best, largest, and most successful companies

that are hiring in America. From new college graduates, to top executives, to first time

employees seeking companies recruiting entry level workers,

job seekers rely on our complete profiles of the 500 fastest-

growing, major corporate employers in America

today--companies creating the best job opportunities. This

immense reference book includes hard-to-find information, such as benefit plans, stock plans, salaries, hiring and recruiting plans, training and corporate culture, growth, new facilities, research & development, fax numbers, toll-free numbers and Internet addresses. We rate over 100 firms as "Hot Spots" for job openings and advancement opportunities for women and minorities. In addition, The Almanac of American Employers includes a job market trends analysis and 7 Keys For Research for job openings. We give indices by career type, locations, industry and much more. Whether you're a new college graduate seeking the best salaries, training and advancement opportunities, or an experienced executive doing corporate research to find companies with the best benefit plans and stock options, The Almanac of American Employers is your complete reference to today's hottest companies. Both printed book and eBook purchasers can receive a free copy of the database on CD-ROM, enabling export of

employer contacts, phone numbers and addresses.

Plunkett's Health Care

Industry Almanac is the only

complete reference to the American Health Care

Industry and its leading

corporations. Whatever your

purpose for researching the health care field, you'll find

this massive reference book to be a valuable guide. No other

source provides this book's easy-to-understand

comparisons of national health expenditures, emerging

technologies, patient

populations, hospitals, clinics,

corporations, research,

Medicare, Medicaid, managed

care, and many other areas of

vital importance. Included in

the market research sections

are dozens of statistical tables covering every aspect of the

industry, from Medicare

expenditures to hospital utilization, from insured and uninsured populations to revenues to health care expenditures as a percent of GDP. A special area covers vital statistics and health status of the U.S. population. The corporate analysis section features in-depth profiles of the 500 major for-profit firms (which we call “The Health Care 500”) within the many industry sectors that make up the health care system, from the leading companies in pharmaceuticals to the major managed care companies. Details for each corporation include executives by title, phone, fax, website, address, growth plans, divisions, subsidiaries, brand names, competitive advantage and financial results. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key

information, addresses, phone numbers and executive names with titles for every company profiled.

Computerworld

This one-of-a-kind book demonstrates the many ways to conduct successful businesses. It explains the different aspects of business with easy-to-learn, to-the-point explanations with case studies. It guides the reader from the start of a business to the selling of a business and demonstrates how to hire, market, sell product, grow, negotiate, avoid mistakes, and so much more. Readers are shown how to continually find ways to improve all facets of their business. Demonstrating methods of critical thinking and continual questioning oneself is at the heart of the book’s approach. Every chapter provides the reader with additional essential skills for success and higher earning potential.

Plunkett's E-Commerce & Internet Business Almanac 2008

Plunkett's InfoTech Industry

Almanac presents a complete analysis of the technology business, including the convergence of hardware, software, entertainment and telecommunications. This market research tool includes our analysis of the major trends affecting the industry, from the rebound of the global PC and server market, to consumer and enterprise software, to super computers, open systems such as Linux, web services and network equipment. In addition, we provide major statistical tables covering the industry, from computer sector revenues to broadband subscribers to semiconductor industry production. No other source provides this book's easy-to-understand comparisons of growth, expenditures, technologies, imports/exports, corporations, research and

other vital subjects. The corporate profile section provides in-depth, one-page profiles on each of the top 500 InfoTech companies. We have used our massive databases to provide you with unique, objective analysis of the largest and most exciting companies in: Computer Hardware, Computer Software, Internet Services, E-Commerce, Networking, Semiconductors, Memory, Storage, Information Management and Data Processing. We've been working harder than ever to gather data on all the latest trends in information technology. Our research effort includes an exhaustive study of new technologies and discussions with experts at dozens of innovative tech companies. Purchasers of the printed book or PDF version

may receive a free CD-ROM database of the corporate profiles, enabling export of vital corporate data for mail merge and other uses.
