Looking for jobs and careers with top American employers--the companies that are recruiting and hiring today? Do you want employment with top salaries, benefits, stock options and advancement opportunities? The Almanac of American Employers leads job seekers to the 500 best, largest, and most successful companies that are hiring in America. From new college graduates, to top executives, to first time employees seeking companies recruiting entry level workers, job seekers rely on our complete profiles of the 500 fastest-growing, major corporate employers in America today--companies creating the best job opportunities. This immense reference book includes hard-to-find information, such as benefit plans, stock plans, salaries, hiring and recruiting plans, training and corporate culture, growth, new facilities, research & development, fax numbers, toll-free numbers and Internet addresses. We rate over 100 firms as "Hot Spots" for job openings and advancement opportunities for women and minorities. In addition, The Almanac of American Employers includes a job market trends analysis and 7 Keys For Research for job openings. We give indices by career type, locations, industry and much more. Whether you're a new college graduate seeking the best salaries, training and advancement opportunities, or an experienced executive doing corporate research to find companies with the best benefit plans and stock options, The Almanac of American Employers is your complete reference to today's hottest companies. Both printed book and eBook purchasers can receive a free copy of the database on CD-ROM, enabling export of employer contacts, phone numbers and addresses.

Confirmation Hearings on Federal Appointments Plunkett Research, Ltd.

Plunkett's Almanac of Middle Market Companies 2008 is designed to be time-saving business development tool for professionals, marketers, sales directors, consultants and strategists seeking to understand and reach middle market American companies. It will also be of great use to placement, recruiting and human resources professionals, as well as professionals working in economic development, lending and media. It covers competitive intelligence, market research and business analysis--everything you need to identify and develop strategies for middle market corporations. Coverage includes all major business sectors, from InfoTech to health care to telecommunications and much more. (We have intentionally omitted retail companies and banks.) These profiles and details on over 500 middle market firms are pulled from our extensive company and industry databases. We also include a business glossary and a listing of business contacts, such as industry associations and government agencies. Next, we profile hundreds of leading middle market companies. Our company profiles include complete business descriptions and up to 27 executives by name and title. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of
