The Inglis brand is a Canadian firm which was founded and previously owned by John Inglis and Company. This company made weapons for the British Commonwealth and United Kingdom during the World War II before becoming a major appliance company.

Inglis appliances don't last forever, and when they break down finding a qualified appliance service company can be difficult. Most common appliances like refrigerators, washing machines, dishwashers, and

dryers all work on the same basic principals, but each brand is a little different.
