The Story of American Literature Ink Monster LLC
Now streaming on Netflix and BBC iPlayer! The Breakfast Club meets Pretty Little Liars in Gretchen McNeil's sharp and thrilling sequel to Get Even. Perfect for fans of E. Lockhart, Karen M. McManus, and Maureen Johnson. The members of Don't Get Mad aren't just mad anymore . . . they're afraid. And with Margot in a coma and Bree under house arrest, it's up to Olivia and Kitty to try to catch their deadly tormentor. But just as the girls are about to go on the offensive, Ed the Head reveals a shocking secret that turns all their theories upside down. The killer could be anyone, and this time he—or she—is out for more than just revenge. The girls desperately try to discover the killer's identity as their own lives are falling apart: Dont é is pulling away from Kitty and seems to be hiding a secret of his own, Bree is sequestered under the watchful eye of her mom ' s bodyguard, and Olivia's mother is on an emotional downward spiral. The killer is closing in, the threats are becoming more personal, and when the police refuse to listen, the girls have no choice but to confront their anonymous “ friend ” . . . or die trying.

Initiation St. Martin's Press

An exploration of how and why social media content is tagged as “ not safe for work ” and an argument against conflating sexual content with risk. The hashtag #NSFW (not safe for work) acts as both a warning and an invitation. NSFW tells users, “ We dare you

to click on this link! And by the way, don't do it until after work! ” Unlike the specificity of movie and television advisories (“ suggestive dialogue, ” “ sexual content ”), NSFW signals, nonspecifically, sexually explicit content that ranges from nude selfies to pornography. NSFW looks at how and why social media content is tagged “ not safe ” and shows how this serves to conflate sexual content and risk. The authors argue that the notion of “ unsafety ” extends beyond the risk of losing one's job or being embarrassed at work to an unspecified sense of risk attached to sexually explicit media content and sexual communication in general. The authors examine NSFW practices of tagging and flagging on a range of social media platforms; online pornography and its dependence on technology; user-generated NSFW content—in particular, the dick pic and associated issues of consent, desire, agency, and social power; the deployment of risqu é humor in the workplace; and sexist and misogynist online harassment that functions as an enforcer of inequalities. They argue against the categorical effacement of sexual content by means of an all-purpose hashtag and urge us to shift considerations of safety from pictorial properties to issues of context and consent.

The Queen of Zombie Hearts New York : P. Eckler

Every flame begins with a spark. Blackwood Academy was supposed to be a fresh start for Ashline Wilde. A secluded boarding school deep in the heart of California's redwood forests, three thousand miles from her old life—it sounded like the new beginning she needed after an act of unspeakable violence left a girl in her hometown dead. But Blackwood is far from the peaceful haven Ashline was searching for. Because terrifying, supernatural beasts roam the forests around campus. Because the murderer from Ashline's hometown—her own sister—has followed her across the country. Because a group of reincarnated gods and goddesses has been mysteriously summoned to Blackwood...and Ashline's one of them.

Amateur Angel Patmay Press

An e-original short story that sets the stage for bestselling author Diane Chamberlain's novel *Necessary Lies* (September 2013). The First Lie gives readers an early glimpse into the life of thirteen-year-old Ivy Hart. It's 1958 in rural North Carolina, where Ivy lives with her grandmother and sister on a tobacco farm. As tenant farmers, Ivy and her family don't

have much freedom, though she and her best friend, Henry, often sneak away in search of adventure...and their truest selves. But life on the farm takes a turn when Ivy's teenage sister gives birth—all the while maintaining her silence about the baby's father. Soon Ivy finds herself navigating the space between adolescence and adulthood as she tries to unravel a dark web of family secrets and make sense of her ever-evolving life in the segregated South. Advance praise for Diane Chamberlain's *Necessary Lies*: "It will steal your heart."—Katrina Kittle, author of *The Blessings of the Animals* "An emotional powerhouse." —Mary Alice Monroe, New York Times bestselling author of *Beach House Memories* "Enthralling...[it] transfixed me from the very first pages, and its vivid and sympathetic characters haunted me long after the last."—Christina Schwarz, New York Times bestselling author of *Drowning Ruth* *The White Rabbit Chronicles* Delacorte Press "When California teen Arizona Darley and her siblings go missing, their mother, Dr. Olivia Darley, discovers that the time-travel portal she invented has been hijacked"--P. [4] of cover.

Switched on Pop Penguin

The first three books in the New York Times bestselling *White Rabbit Chronicles* series by Gena Showalter—*Alice in ZombieLand*, *Through the Zombie Glass*, and *The Queen of Zombie Hearts*—are now available in one digital box set! Fall down the zombie hole with Alice Bell as she loses everything she's ever loved...and discovers a destiny alongside Cole Holland's crew of zombie slayers. Cole is the baddest of the bad, the one boys want to be and girls want to tame—but he only has eyes for Ali. They share a connection no one can explain, seeing glimpses into a future of doom and gloom...or love everlasting. Either way, they'll have to navigate a zombie Wonderland of unstoppable action and dangerous secrets, where only one thing is certain: a war is brewing, and it's time to fight—and if necessary, time to die. Filled with hot action, true romance, real friendship and a unique twist on zombies, *The White Rabbit Chronicles* is not to be missed. Off with their heads!

Thus, the language and some scenes might not be appropriate for younger YA readers. Recommended for those sixteen and above.

Equilibrium Hachette Digital, Inc.

In 1973 the Australian novelist Patrick White won the Nobel Prize for Literature, the year that his great novel of family ties and change, *The Eye of the Storm*, was published and became a bestseller in America and Europe. Yet White is still not widely known or read, and few writers of today have provoked so many contradictory judgments. Now Peter Wolfe has written the first book-length study of the work of this brilliant and haunting novelist. The study offers a subtle, penetrating examination of White's style, his skill in building narrative tension, and also the depth and complexity reflected in his characterization, which, in his novels, always dominates action. Fittingly, for a writer whose novels bear the indelible stamp of Australia, the study also examines White's psychological use of setting and the intense sense of place found in his work. No other critical study of White covers such a broad range of his writing. Peter Wolfe considers here the entire canon of the novels. *The Tree of Man*, *Voss*, *The Vivisector*, *The Eye of the Storm*, *A Fringe of Leaves*, and *The Twyborn Affair* (White's most recent novel) are all discussed. White's themes and settings range from the power and immensity of the wilderness of the Australian outback to the dislocations wrought in traditional values by postwar industrialization and urban sprawl. *Laden Choirs* makes accessible to an American audience a writer of the first rank, whose work lies at the heart of modernist concerns. Literary students and scholars who wish to explore the world of Patrick White will find this book an essential key.

Love, Lucas HarperCollins

Her dad's job is with the dead ... and he's bringing his work home with him. Once again, seventeen-year-old Riley Smith is the new kid in school and her dad's career

has her back to being dubbed a freak. Truth is, she's a much bigger freak than her classmates think. The only company she keeps these days is the dead who follow Dad home from work. She can see them. She can speak to them. And Fate seems to think she can help them solve their last problems so that they can move on to the other side. Which is odd, because with the loss of her mother and her father's alcoholism, she's got enough problems of her own. But nothing could prepare her for the next tormented young spirit who darkens Riley's door. The young woman's death wasn't the accident everyone believes. Soon Riley finds herself face-to-face with the killer and her only protection comes in the form of another spirit, Hayden, a boy her age with a heart-melting smile and understanding eyes that make her feel safe. If she can escape becoming the killer's next victim, Riley knows she'll have to help Hayden move on too, but what if she can't let him go?

Catacombs Manchester University Press

Based on the critically acclaimed podcast that has broken down hundreds of Top 40 songs, *Switched On Pop* dives in into eighteen hit songs drawn from pop of the last twenty years--ranging from Britney to Beyoncé, Kelly Clarkson to Kendrick Lamar--uncovering the musical explanations for why and how certain tracks climb to the top of the charts. In the process, authors Charlie Harding and Nate Sloan reveal the timeless techniques that animate music across time and space.

Songs for While I'm Away St. Martin's Griffin

This book gives detailed and original critical readings of all eleven of Derek Jarman's feature-length films, arguing that he occupies a major and influential place in European and world cinema rather than merely being a cult figure. It places particular emphasis on the importance of Renaissance art and literature for Jarman, and emphasises his interest in Jungian psychology. Wymer shows how Jarman used his films to take his audience with him on an inner journey in search of the self, whilst remaining fully aware of the dangers of such a journey. Making substantial use of Jarman's unpublished papers as well as all his published works, Wymer argues that the films are orientated towards a much wider audience than is often supposed. They are addressed to anyone, of whatever gender or sexuality, who is prepared to go on a journey in search of him or her self and to become Jarman's accomplice in 'the dream world of the soul'.

The Football Girl Graywolf Press

If you lost a piece of your memory...Would you trust yourself to have made the right choices...In the moments you can't remember. The Ferox assault has been escalating, drawing Jonathan into combat more and more frequently. With each passing day, he's grown stronger. He can't be certain, but his attackers seem to be getting... more dangerous'...and, of course, Heyer is gone, again. Then came the glitch. Unexpectedly pulled from battle, Jonathan finds he cannot recall the final moments of his last confrontation. Convinced that his memory loss was no accident, he must uncover the truth. His only leads are a less than helpful artificial alien intelligence, and Rylee, a mysterious and possibly crazy woman, who seems to think they share a history he doesn't remember. With no means to contact the only being who can give him answers, and knowing he has gaps in his memory, Jonathan must make every move uncertain of the consequences. The blond man better show up soon, because events hidden in Jonathan's lost memories may trigger a war humanity isn't ready to fight. The Never Paradox is book two in *The Chronicles of Jonathan Tibbs*, readers who have not yet completed book one, *The Never Hero*, will have difficulty following. Parental Warning: This series attempts to keep swearing to a minimum. However, the sequel has one unavoidable usage of the F-word. This is due to its presence in a direct quote taken from another piece of fiction.

NSFW University Press of Kentucky

Only 18 years old, Ashley is no ordinary teenager. Not only is she dead, but upon her death, she mistakenly enters the wrong line in the afterlife, a line meant for trained, guardian angels. With a pair of wings on her back, Ashley is sent to Los Angeles to replace another angel whose assignment was none-other-than Cannon Michaels, a current member of the band Sendher, the sexiest man alive, and Ashley's celebrity crush in life. While exposed to Cannon's selfish, judgmental behavior and his reckless, rock-and-roll lifestyle, Ashley is far from meeting the requirements of a true guardian angel. She

misses her family and friends. Will she ever be able to accept her own death? What will she do when she jeopardizes her position as an angel and Cannon's physical safety by falling in love with him?
[The Girl Who Wrote in Silk](#) Sourcebooks, Inc.

A USA TODAY BESTSELLER! "A powerful debut that proves the threads that interweave our lives can withstand time and any tide, and bind our hearts forever."—Susanna Kearsley, New York Times bestselling author of *Belleweather* and *The Vanished Days* A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing, highlighting the power of our own stories. The smallest items can hold centuries of secrets... While exploring her aunt's island estate, Inara Erickson is captivated by an elaborately stitched piece of fabric hidden in the house. The truth behind the silk sleeve dated back to 1886, when Mei Lien, the lone survivor of a cruel purge of the Chinese in Seattle found refuge on Orcas Island and shared her tragic experience by embroidering it. As Inara peels back layer upon layer of the centuries of secrets the sleeve holds, her life becomes interwoven with that of Mei Lein. Through the stories Mei Lein tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. Should she bring shame to her family and risk everything by telling the truth, or tell no one and dishonor Mei Lien's memory? A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson, *The Girl Who Wrote in Silk* is a dual-time period novel that explores how a delicate piece of silk interweaves the past and the present, reminding us that today's actions have far reaching implications. Praise for *The Girl Who Wrote in Silk*: "A beautiful, elegiac novel, as finely and delicately woven as the title suggests. Kelli Estes spins a spellbinding tale that illuminates the past in all its brutality and beauty, and the humanity that binds us all together." —Susan Wiggs, New York Times bestselling author of *The Beekeeper's Ball* "A touching and tender story about discovering the past to bring peace to the present." —Duncan Jepson, author of *All the Flowers in Shanghai* "Vibrant and tragic, *The Girl Who Wrote in Silk* explores a horrific, little-known era in our nation's history.

Estes sensitively alternates between Mei Lien, a young Chinese-American girl who lived in the late 1800s, and Inara, a modern recent college grad who sets Mei Lien's story free." —Margaret Dilloway, author of *How to Be an American Housewife* and *Sisters of Heart and Snow*

The Mortician's Daughter Simon and Schuster

This sensitive account of Spanish Benedictine women at an Aboriginal mission in Western Australia is poignant and disturbing. Notable for its ecumenical spirit, depth of research and deep engagement with the subject, *A Bridge Between* is a model of how religious history, in its broader bearings, can be written. -- Graeme Davison, Monash University With great insight and care, *A Bridge Between* presents a sympathetic but not uncritical history of the lives of individuals who have often been invisible. The story of the nuns at New Norcia is a timely contribution to Australia's religious history. Given the findings of the Royal Commission, it will be widely read both within and beyond the academy. History is, here, a spiritual discipline, and an exercise in hope and reconciliation. -- Laura Rademaker, The Australian National University *A Bridge Between* is the first account of the Benedictine women who worked at New Norcia and the first book-length exploration of twentieth-century life in the Western Australian mission town. From the founding of a grand school intended for 'nativas', through links to Mexico and Paraguay then Ireland, India and Belgium, as well as to their house in the Kimberley, and a network of villages near Burgos in the north of Spain, this is a complex international history. *A Bridge Between* gathers a powerful, fragmented story from the margins of the archive, recalling the Aboriginal women who joined the community in the 1950s and the compelling reunion of missionaries and former students in 2001. By tracing the all-but-forgotten story of the community of Benedictine women who were central to the experience of the mission for many Aboriginal families in the twentieth century, this book lays a foundation for further work.

"Come find me two years ago ... Six words that propelled ice hockey playing tomboy, Arizona, into an alternate dimension. In one moment, she went from being a varsity hockey player in New Jersey to a glamorous cheerleader in California. She found herself with a new dad. She found herself in a new life. One that she had apparently lived in always. Everyone knew her as Arizona Darley, but she wasn't. She was Arizona Stevens. She knew she had to find her way back to her real life, to her real dad ... then she met

Kellan.."p. 4, cover.

A Bridge Between Harlequin

Mysterious necromancers. Wicked summoners. Fierce witches. Occasional familiars. Military experiments. Secret councils. Forbidden alliances. The Academy of Ancients will suck you in. Briar Shroud has gone from foster child to full scholarship at the Academy of Ancients. Cool, right? Not quite. Her upperclassman mentor Zachary sucks. He's hot, but he sucks at being a mentor. And a friend. And a person. Her roommate's a paranormal, and the whole school is underground and a secret. Know what else is bad? Briar learns she's a witch. And a rare type of witch, to boot. It went from bad to worse—a picture of a sister she's never heard of appears at the school. A sister she knows nothing about. And the rules seem hellbent on keeping Briar from learning the truth. And sometimes, it seems other forces would rather not see her alive. Warning: This series will hook you! Violence can be found in this series of action-packed fantasy, with necromancers, summoners, and badass witches.
