"Her words will inspire and initiate you" Julie Tallard Johnson, Author of Wheel of Initiation. In Love at the Threshold, first time author Dina Gregory has written a very moving account of her intimate journey of self-discovery. Written in the wake of a sobering and heartrending divorce, this raw, revealing, and lyrical memoir is at once deeply personal and absolutely universal, illustrating the spiritual pattern of

transformation: order, disorder, and reorder. Divided into the sacred cardinal directions as articulated by Dina's mentor, Julie Tallard Johnson, in her book Wheel of Initiation, Love at the Threshold serves as a compass for the heroine's journey home and is a reminder that in a world divided, the most revolutionary act is remembering that you are whole. For all who yearn to love and be loved, this book gives readers a front-row seat to the crucifixion of a woman's heart as the delusions

of romantic love crumble and her faith is put to the test. Mean Mommy Konn Lavery Unbridled is the sequel to Initiation - A provocative story about a boy who was initiated into a clandestine sexual society. He was spirited to the Middle East, from his UK boarding school. He attended the Bahriji School (Oasis,) in The United Arab Emirates in preparation for serving in harems for the wealthy and elite. It is also a love story between the young man, his 'Big Brother' and his 'Valet' who served as his chaperones and mentors during the boy's harem services. This book follows the boy's erotic and exotic adventures and experiences at his 2nd Arab Household Harem, the Sekham.

He was an apprentice and model, for the household patriarch's controversial photography project, "Sacred Sex in Sacred Places." The author's experiences present facts that are truthful. Through these truths, which are often demonized by contemporary societies that deem such behaviors inappropriate, the author hopes to dispel condemnations and negativity which relate to his experiences. There are 7 volumes in A Harem Boy's Saga series. Parallel Intelligence Solstice Publishing

Shaktipat is an ancient yoga
technique used to awaken

kundalini energy in a person.
The technique can be applied
remotely from any distance on
a person living anywhere on
the planet. The cosmic energy
emanates from the body of the
Shaktipat Guru, and after
awakening the kundalini
energy, it returns to the Guru.
Thus, the process defies the
rational explanation by
modern science. A suggested
procedure for performing
Shaktipat is given in brief.
However, this kind of
literature is usually not found
anywhere in the mainstream

science has been passed on
