Literary Allusion in Harry Potter builds on the world-wide enthusiasm for J. K. Rowling's series in order to introduce its readers to some of the great works of literature on which Rowling draws. Harry Potter's narrative techniques are rooted in the western literary tradition and its allusiveness provides insight into Rowling's fictional world. Each chapter of Literary Allusion in Harry Potter consists of an in-depth discussion of the intersection between Harry Potter and a canonical literary work, such as the plays of Shakespeare, the poetry of Homer, Ovid, the Gawain-poet, Chaucer, Milton and Tennyson, and the novels of Austen, Hardy and Dickens. This approach aims to transform the reader's understanding of Rowling's literary achievement as well as to encourage the discovery of works with which they may be less familiar. The aim of this book is to delight Potter fans with a new perspective on their favourite books while harnessing that enthusiasm to increase their wider appreciation of literature.  
**Night Season** Penguin  
Four favorite paranormal romance authors present their favorite characters in four tales of bloodlust, appetites that must be sated again and again, and the passion that feeds them... In the heat of the night, anything goes. Boundaries are crossed and secret yearnings take shape. Creatures stalk the shadows, surrendering to their wildest needs—and satisfying hungers that take their victims beyond fear to the dark edge of desire... Includes an Anita Blake, Vampire Hunter story from New York Times bestselling author Laurell K. Hamilton.

Out of the shadows of USA Today bestselling author Eileen Wilks's World of the Lupi series comes an enthralling novella of a man and woman whose true natures could be the death of them... Certain people in Midland, Texas, are dying. All of them were Gifted, and all of them have been drained of their blood. Kai is a reluctant telepath with a skewed Gift—she sees thoughts instead of experiencing them. So, unlike other Midlanders, she can intuit that they have a “Guardian.” She also knows that the Guardian Nathan isn't human. His true nature hasn't been divined. Neither has hers. But when another one of the Gifted is found dead, Kai herself becomes a suspect. And only Nathan can save her. Previously published in On

the Prowl. Includes a preview of Eileen Wilks's Mortal Ties, coming September 2012.

Comics are a pervasive art form and an intrinsic part of the cultural fabric of most countries. And yet, relatively little has been written on the translation of comics. Comics in Translation attempts to address this gap in the literature and to offer the first and most comprehensive account of various aspects of a diverse range of social practices subsumed under the label 'comics'. Focusing on the role played by translation in shaping graphic narratives that appear in various formats, different contributors examine various aspects of this popular phenomenon. Topics covered include the impact of globalization and localization processes on the ways in which translated comics are embedded in cultures; the import of editorial and publishing practices; textual strategies adopted in translating comics, including the translation of culture- and language-specific features; and the interplay between visual and verbal messages. Comics in translation examines comics that originate in different cultures, belong to quite different genres, and are aimed at readers of different age groups and cultural backgrounds, from Disney comics to Art Spiegelman's Maus, from Katsuhiro ?tomo's Akira to Goscinny and Uderzo's Astérix. The contributions are based on first-hand research and exemplify a wide range of approaches. Languages covered include English, Italian, Spanish, Arabic, French, German, Japanese and Inuit. The volume features illustrations from the works discussed and an extensive annotated bibliography. Contributors include: Raffaella Baccolini, Nadine Celotti, Adele D'Arcangelo, Catherine Delesse, Elena Di Giovanni, Heike Elisabeth Jüngst, Valerio Rota, Carmen Valero-Garcés, Federico Zanettin and Jehan Zitawi.

The purpose of this book is twofold: First, it provides an up-to-date overview of the field of surgical oncology for surgeons in training. Particular attention is devoted to the principles of surgery, but important aspects of radiation and medical oncology are also discussed. Furthermore, diagnostic, staging, and treatment algorithms are presented that will offer invaluable assistance in management decision making. The second aim of the book is to offer a comprehensive reference source on the role of surgery in curative and palliative management for medical and radiation oncologists (in practice and in training) and other healthcare professionals involved in the care of cancer patients. The full range of cancer types is covered in a practical, multidisciplinary approach, and additional chapters are devoted to pediatric malignancies, the role of new surgical technologies, and surgical emergencies. ?

Breaking hearts is what wild and rebellious Mason Kincaid does best. Hit it and quit it is his motto, and with his bad boy reputation and tattoos, he doesn't lack for female companionship. Until one hot night with the one woman he swore he'd never touch becomes an all consuming addiction he can't kick. Katrina Sands has been his best friend for years, but now that he knows what she feels like, and tastes like, there is no going back to being just friends. Hot, dirty sex has never felt so good...or so right.

In the newest Novel of the Lupi, the human and elven worlds are both about to come under attack... After questing through the sidhe realms with her ex-hellhound lover, Nathan, Kai Tallman Michalski has finally returned home. But she knows Nathan will eventually be called back to serve his queen—and Kai will have to decide whether to enter her majesty's service as well. Sure, the job comes with great bennies, but there's one big downside: she would have to

swear absolute fealty to the Queen of Winter. For now, though, Kai is glad to be home, and glad that Nathan completed his mission for his queen with surprising ease. But what seemed to be a quick conclusion turns out to be anything but. The two of them helped thwart the sidhe god of chaos—and he is not happy about that. He's got plans for them. Plans, too, for the sidhe who killed him some three millennia ago. Nor has he abandoned his plans for Earth, as they learn when chaos begins bursting out all over...

This book constitutes a collaborative and selected documentation of the scientific outcome of the European COST Action IS0605 Econ@Tel "A Telecommunications Economics COST Network" which run from October 2007 to October 2011. Involving experts from around 20 European countries, the goal of Econ@Tel was to develop a strategic research and training network among key people and organizations in order to enhance Europe's competence in the field of telecommunications economics. Reflecting the organization of the COST Action IS0605 Econ@Tel in working groups the following four major research areas are addressed: - evolution and regulation of communication ecosystems; - social and policy implications of communication technologies; - economics and governance of future networks; - future networks management architectures and mechanisms.

Tattoos are artistic, rebellious, individual, tribal – and fantastically creative. Once you've got the ink bug, there's no going back. This enticing book explores more than 80 tattoo designs from a wide range of cultures, providing inspiration for anyone thinking of getting a tattoo and revealing the deep meaning and anthropological history behind each one. Cultures featured include Celtic, Japanese (Ainu), Maori, Polynesian and ancient Egyptian tattoos, as well as the best of modern tattoo design. Featuring one tattoo per page, accompanied by a detailed explanation and history, Tattoo is a unique and attractive book which will appeal to men and women alike – anyone who loves tattoos or who harbours a secret desire to get inked.  
Penguin  
USA Today bestselling author Eileen Wilks's returns to sensual world of the Lupi to explore the desires between a woman with an eternal future, and a man with a dangerous past. Available Digitally For the First Time Molly doesn't look her age. In fact, Molly never will, having already been around for centuries with no signs of wear. That's because Molly is a succubus—not demonic, but cursed. A victim rather than victimizer—and more than sympathetic to the gorgeous and naked man she finds hiding in the woods. Unlike Molly though, he has no memory of his past—only that he's being hunted for reasons he can't explain. Now they must both try and solve the riddle of his origin before his past—or even hers—reaches out of the darkness to destroy them. Previously published in Cravings. Includes a preview of Eileen Wilks's Mortal Ties, coming September 2012

We're the D'Artigo sisters: Half-human, half-Faerie, we're savvy—and sexy—operatives for the Otherworld Intelligence Agency. But our mixed-blood heritage short-circuits our talents at all the wrong times. My sister Delilah shapeshifts into a tabby cat whenever she's stressed. Menolly's a vampire who's still trying to get the hang of being undead. And me? I'm Camille—a wicked-good witch. Except my magic's as unpredictable as the weather, as my enemies are about to find out the hard way... At the Wayfarer Inn, a portal to Otherworld and the local hangout for humans and beasts alike, a fellow operative, Jocko, has been murdered. Every clue points to Shadow Wing, the soul-munching, badass leader of the Subterranean Realms. He's made it clear that he aims to

---

raze humankind to the ground, turning both Earth and Otherworld into his private playground. Our assignment: Keep Shadow Wing and his minions from creeping into Earth via the Wayfarer. The demons figure they're in like Flynn. After all, with only my bumbling sisters and me standing in the way, how can they miss? But we've got a secret for them: Faulty wiring or not, nobody kicks ass like the D'Artigo girls...

View our feature on Eileen Wilks's Blood Challenge.Ex-cop Lily Yu and werewolf Rule Turner's engagement announcement is stirring up ugly passions in the Humans First camp. There's hate mail, followed by death threats. And when a lupus in Tennessee goes on a killing spree, Lily realizes that it's only the opening skirmish in an all-out war.

GERMAN-ENGLISH DICT FOR CHEMIS Penguin

Featuring illuminated manuscripts from nineteen Boston-area institutions, Beyond Words provides a sweeping overview of the history of the book in the Middle Ages and Renaissance, as well as a guide to its production, illumination, functions, and readership. With over 150 manuscripts on display, Manuscripts for Pleasure & Piety at the McMullen Museum focuses on lay readership and the place of books in medieval society. The High Middle Ages witnessed an affirmation of the visual and, with it, empirical experience. There was an explosion of illumination. Various types of images, whether in prayer or professional books, attest to the newfound importance of visual demonstration in matters of faith and science alike."--

New Jersey Governor Chris Christie has become a national Republican Party figure, famous for his blunt public statements, his willingness to confront powerful special interests, and his determination to change the ingrown, corrupt, backroom political culture of New Jersey. In just two years as governor, Christie has moved aggressively to reduce the state's ballooning deficit, rein in lucrative entitlements for teacher, police, fire, and public employee unions, cut out-of-control government spending, and create jobs by reducing counterproductive business regulations. But beneath Christie's combative public persona is an intensely loyal family man, whose deep roots in New Jersey shape his core values. Written by New York Times bestselling author Bob Ingle and fellow journalist Michael Symons, who have covered the governor's political career for more than a decade, Chris Christie offers the first inside portrait of this fascinating man. Drawing on interviews with Christie himself, his wife, Mary Pat, his brother, Todd, his father, Bill, his uncle Joe, and many longtime supporters as well as political opponents, Ingle and Symons trace Christie's life. He grew up in New Jersey, surrounded by a big, roiling Italian-American family where his mother, Sondra, and grandmother Anne were powerful influences. Surprisingly, his political career nearly ended after a bruising loss in a local county campaign, but was revived when Christie was appointed United States Attorney for New Jersey. He soon became a feared prosecutor, and culminated an impressive string of successful cases with a multi-year investigation that resulted in the arrests of more than forty people, in one of the state's most notorious examples of political corruption. Despite calls to run for president, Christie reiterated his commitment to reforming New Jersey. Chris Christie: The Inside Story of His Rise to Power goes behind the scenes to reveal his family life, his public life, and what the future might hold.
