YouTube workout video star Zuzka Light presents her long-awaited debut fitness book, with a 30-day fitness regime of powerful, effective 15-minute workouts. Filming first from a tiny basement in Prague, and eventually settling in Los Angeles, Zuzka Light has single-handedly ushered in the YouTube fitness revolution. Viewers love Light for her short, ferociously effective workouts and her in-the-trenches, never-give-up positive attitude—and she 's racked up more than half a billion views to prove it. Now, finally, comes 15 Minutes to Fit, Light 's hotly anticipated debut, with a 30-day fitness plan guaranteed to burn fat and build ripped muscles. Based on innovative high-intensity interval training, the workouts in 15 Minutes to Fit are designed to be done anywhere, anytime (no fancy gym equipment necessary), in just 15 minutes a day. This book takes the guesswork out of the workout, providing: • A 30-day workout plan to whip your body into shape—in 15 minutes a day or less • A companion meal plan, with delicious and healthful recipes for each day • Step-by-step photographs throughout to illustrate proper form for the workouts • Quick facts on health and nutrition to help readers separate fact from fiction • Support and motivation from Light, who overcame many obstacles to become the female face of fitness As Light says, " Give me 15 minutes a day and I ' ll give you a badass body. " Coauthored by New York Times – bestselling author Jeff O ' Connell, 15 Minutes to Fit is the book legions of fans have been waiting for.

"Vegetarian + Seafood = Pescetarian You can go vegetarian to slim down, help reduce your risk for cancer and cardiovascular disease, feel great, and probably live longer. Or you can eat fish to help protect your heart, quell appetite, stay sharp, be happier, and possibly even improve your sex life. (You read that right!) Better yet, you can enjoy the best of both worlds with The Pescetarian Diet a delicious, easy-to-follow, one-of-a-kind program for weight loss and optimal physical and mental well-being. Inspired by the traditional Mediterranean way of eating (pesce is the Italian word for fish), veteran nutritionist Janis Jibrin, M.S., R.D., offers step-by-step portion- and meal-planning instruction, including a wide variety of quick and easy breakfasts, lunches, and dinners to help you meet your weight-loss and health goals. She shares her deep knowledge of the science behind the healthiest diet on the planet, deftly explaining the amazing potential benefits of eating the pescetarian way including whittling your waist, reducing chronic inflammation, preventing

arterial plaque, and possibly warding off Alzheimer's. She also bre

Have you been struggling to stay fit your entire life? Tried every fad diet, supplement and health tip, only to lose both money and sanity? Tired of fitness lies and quick fixes and want a solution that actually works? Then, this book is for you! There are three types of people: First, those who stay fit and healthy; second, those who want to but have realized it's easier said than done; and third, those who eat all they want, for you live only once. This book is for people across all these categories. The biggest threat to a fitter world is not lifestyle ailments such as diabetes and cardiovascular disease, but online fitness and well-being 'influencers' who spread misinformation and myths about what you should eat and how you should exercise. Some say carbs are the enemy while others blame fats. Others will tell you that cardio is the best exercise for losing weight. They promote everything from fad diets to supplements and they make it appear so difficult that being healthy and getting fit seems like an impossible dream. The solution is actually quite easy! Eat only as much as your body needs and stay physically active. Yes, it's that simple! Renowned fitness entrepreneur Jitendra Chouksey (better known as JC) brings to you a system of nutrition and exercise that is: Easy to understand and follow Based on the latest scientific research He has helped more than 2,00,000 people lose fat, look good and get into the best shape of their lives! You'll find many of these stories and much more in this book. Welcome to a new life of health and fitness where 'diet' is no longer a four-letter word! Follow the Fittr community on Facebook (@Fittrwithsquats) and Instagram (@fittrwithsquats) Fittr is one of the hottest Indian health and fitness startups. Fittr has a community spanning over 104 countries and two million people. A book for anyone who has tried to lose weight and failed every single time and for those who lose weight only to gain it all back. Exercises and routines that will help gain muscle and lose fat.

The DASH Diet Action Plan is the user-friendly teaching guide to the DASH diet. Initially, many people find it difficult to follow the DASH diet. This book makes it simple to understand and put into practice. The book makes it easy to lose weight with the DASH diet, and it has realistic ways to add exercise. Although the book was not intended to be an aggressive weight loss book,

people are writing to say that they have surprised themselves by finding it easy to lose weight following the plan! Many people find the DASH diet to be hard to implement and sustain in a hectic lifestyle. The average American gets 2 - 3 servings of fruits and vegetables combined each day, so following the DASH diet may seem daunting. The DASH Diet Action Plan book is designed to help you with more than just "what" is involved with the DASH diet, it also shows you "how." How to follow the DASH diet in restaurants, how to lose weight, how to make over your kitchen to make it easy to follow your plan, how to fit in exercise, how to reduce salt intake, how to add vegetables even if you "hate" vegetables. And the book helps you make your own personal plan with specific steps you will take to fit the DASH diet into your daily routine. Our readers say that this is the best DASH diet book! Your step-by-step plan will include: setting your goals for blood pressure and cholesterol, determining the calorie-level you need for maintenance or weight loss, developing meal plans, developing a realistic exercise plan, adjusting the DASH diet to accommodate other health problems, choosing the key DASH diet foods, reading food labels, and learning how to incorporate more vegetables in your diet, and setting up your kitchen to make it easy to stay on track. This book was written by a registered dietitian who is experienced in helping people make sustainable behavior changes, and make healthy eating part of their real lives. She knows that people need flexibility and options to choose different approaches, since not everyone has the time or the interest in cooking or making drastic changes in how they eat. The book incorporates tools that will help you plan the specific steps you will take to adopt the DASH diet. Research shows that people who make concrete plans are more likely to be successful with adopting new health behavior. This should improve your ability to lower your blood pressure (and cholesterol), without medication.

I KNOW WHAT TO DO, I JUST DON'T DO IT is for people who have spent a lifetime feeling bad about their body, and every Monday is a torturous new attempt to change. What's going on here? We know what to do, we just don't do it. The issue for us is deeper than any diet or program. That is because not loving ourselves is a symptom of being disconnected from the truth and our true selves. Sue takes us through the false beliefs that keep us stuck and replaces them with the truth about who we really are. We are encouraged to get healthy for good, not by finding the right diet, program, or other means of control, but by making the radical shift from weight loss to worthiness.

Think Yourself Thin New Age International

The often misunderstood modern person syndrome is a disorder linked to the conditions of living in our contemporary society. The author argues that the conditions of modernity have introduced new processes, forces, and cultural motivations that have major implications for all aspects of mental health and social well being. While modernity offers unprecedented opportunities for personal enhancement and creative expression, there is mounting evidence of a mental health crisis that demands the immediate attention of mental health professionals. In

order to address the new challenges that have arisen under conditions of modernity, mental health professionals must rethink fundamental assumptions about the relationship between society and mental health, as well as the impact of modern social concerns upon individual behavior and psychological well being. This innovative approach to mental health seeks to explain a variety of psychological trends, including the steep rise in depression, the sharp increase in the prevalence of existential disorders, and the emergence of consumption disorders. By shedding light on the interaction between modernity and mental health, Schumaker illuminates the emerging patterns of mental disturbance while also offering new and more effective intervention and prevention strategies.

Lose Weight Like Crazy Even If You Have a Crazy Life! Victory Belt Publishing

You can lose weight like crazy, and you can achieve anything! Autumn Calabrese shares the revolutionary step-by-step approach to lose weight that made her one of the top fitness and nutrition celebrities in the world. No cutting corners and no BS: In this book she reveals the personal struggles that shaped her approach to overcome excuses that led to this 30-day plan to succeed at weight loss, and life! Hey there! I'm Autumn Calabrese. I'm a Midwest girl, a single working mom who really had no business being in the business of health and fitness. But I found my passion in helping people achieve their weight-loss and health goals. I turned myself into a mini mega-mogul of nutrition and fitness with two of Beachbody's most successful programs ever: 21 Day Fix and The Ultimate Portion Fix. I've led a crazy life and it's still crazy—probably a lot like yours. I've faced tremendous hardships and disappointments that have deflated my self-confidence. But I've found a way to turn "failures" into "redirections" that have transformed my life. And you can do it, too! Over the past five years, I've helped hundreds of thousands of people finally get control of food and lose 10, 20, 30, even more than 100 pounds with my breakthrough weight-loss programs. And, now I'm going to do the same for you! Imagine enjoying your favorite CARBS, WINE AND COCKTAILS, AND EVEN CHOCOLATE CAKE and still melt fat to build the lean, fit, healthy body you've always wanted! Here's my proposition: Give me just 30 days of your time, trust my process, GO ALL IN, and see what happens to your body. If you've ever struggled to lose weight before, I know why, and I have the solution. Lose Weight Like Crazy is NOT a DIET. There's Zero Deprivation. It works by automatically controlling your portion sizes, eliminating those unhealthy, sugary processed

foods that trigger cravings, and filling you up on a proven ratio of healthy whole foods. It's simple. It's backed by science. And it works. You Won't Count Calories! You won't feel hungry or deprived! You can enjoy dessert! You can have a cocktail with your friends! You can speed up your results by adding fast, fun exercise routines that you'll love!
