While it may seem impossible to imagine, LL Cool J didn't always have a diesel body—he chiseled it the old-fashioned way, with hard work and discipline. Together with his longtime trainer, Dave "Scooter" Honig, LL developed a revolutionary workout system that not only burns away body fat for good but also built the amazing muscle and flawless physique you see in every one of his latest music videos. In LL Cool J's Platinum Workout, LL let you in on the secrets of his transformation with his uniquely creative, yet no-nonsense regimen—enlivened with humor and sheer force of personality—he will inspire you to enjoy working out as never before, while building a body you never thought possible. LL Cool J and Scooter Honig blend standard free-weight lifts, plyometrics, fighters' moves, calisthenics, endurance training, and much more to create what they call their "combination platter"—a highly effective, dynamic, and diversified total-body workout. Whether you are just starting a program or looking to get to the next level, you can choose from four levels of fitness, from Bronze to Platinum, including: - THE BRONZE BODY: A 4- week beginners' program that will take inches off your waist and boost your energy. - THE SILVER BODY: A 5-week program for intermediates that increases strength while also maintaining muscular and cardiovascular endurance. - THE GOLD BODY: An advanced 9-week program that turns the body into a muscle-building fat-burning machine—complete with six-pack abs and as much energy as LL Cool J. - THE PLATINUM BODY: A hard-core 3-week fat-torching program LL used to prepare for his "Control Myself" video—a new level in ripped-to-the-bone fitness and sex appeal. - PLUS, THE DIAMOND BODY: A special 4-week program for women who want to shape up fast for summer or a special event. Jam-packed with photos of LL demonstrating exercises and complete with meal plans and recipes that will fuel your workouts while promoting fat loss, LL Cool J's Platinum Workout will transform your body and the way you think about exercise—for life.

#1 NEW YORK TIMES BESTSELLER • The game-changing author of Tribe of Mentors teaches you how to reach your peak physical potential with minimum effort. “A practical crash course in how to reinvent yourself.” —Kevin Kelly, Wired Is it possible to reach your genetic potential in 6 months? Sleep 2 hours per day and perform better than on 8 hours? Lose more fat than a marathoner by bingeing? Indeed, and much more. The 4-Hour Body is the result of an obsessive quest, spanning more than a decade, to hack the human body using data science. It contains the collective wisdom of hundreds of elite athletes, dozens of MDs, and thousands of hours of jaw-dropping personal experimentation. From Olympic training centers to black-market laboratories, from Silicon Valley to South Africa, Tim Ferriss fixated on one life-changing question: For all things physical, what are the tiniest changes that produce the biggest results? Thousands of tests later, this book contains the answers for both men and women. It’s the wisdom Tim used to gain 34 pounds of muscle in 28 days, without steroids, and in four hours of total gym time. From the gym to the bedroom, it’s all here, and it all works. You will learn (in less than 30 minutes each): • How to lose those last 5-10 pounds (or 100+ pounds) with odd combinations of food and safe chemical cocktails • How to prevent fat gain while bingeing over the weekend or the holidays • How to sleep 2 hours per day and feel fully

rested • How to produce 15-minute female orgasms • How to triple testosterone and double sperm count • How to go from running 5 kilometers to 50 kilometers in 12 weeks • How to reverse “permanent” injuries • How to pay for a beach vacation with one hospital visit And that's just the tip of the iceberg. There are more than 50 topics covered, all with real-world experiments, many including more than 200 test subjects. You don't need better genetics or more exercise. You need immediate results that compel you to continue. That’s exactly what The 4-Hour Body delivers.

Abel James, the ABC star and creator of the #1 Fat-Burning Man Show, shares his revolutionary weight-loss program in The Wild Diet - now a New York Times Bestseller! Can you really lose 20 pounds in 40 days while enjoying real butter, juicy burgers, chicken parmesan, chocolate, and even cheesecake? The answer might surprise you. By focusing on simple, fresh ingredients and nutrient-dense meals, The Wild Diet programs your body to burn fat as its main fuel source. Eating Wild, thousands of people across the world have dropped 20, 60, or even more than 100+ pounds without hunger... and often with minimal exercise. In The Wild Diet, you’ll find that we are not meant to starve ourselves, count calories, or avoid delicious food. We’re wired to eat luxuriously and live well without getting fat. If you think that you’re stuck with the genes you inherited and there’s nothing you can do about it, read closely. The Wild Diet paints a different picture, one in which we have the power to influence our genetic expression by taking control of the quality of food we eat, the way we move, and the environment around us. We once had access to an immense variety of fresh seasonal foods from small, local sources. Now we have access to few varieties of processed foods from a massive industrial system often thousands of miles from where we live. The secret to great health simply getting back to our wild roots and enjoying real, Wild foods grown on a farm and not in a factory. By prioritizing foods found in the natural world, rich in fiber and nutrients, your body will burn fat instead of sugar for energy. When you reduce your consumption of processed grains, sugars and other simple carbohydrates in favor of healthy plants and animals, you will be shocked by how quickly you can reverse the damage of decades of poor eating. The Wild Diet proves that it’s possible to get in best shape of your life while eating delicious foods like chicken parmesan, bacon cheeseburgers, and even chocolate pudding. If you want to know how to burn more fat by indulging in incredible meals and exercising less, it’s time to treat yourself to The Wild Diet.

Based on the successful video franchise from Prevention, Fit in 10 is a plan for even the busiest woman:

exercise for 10 minutes per day and prep clean recipes in 10 minutes or less. Most women already know, more or less, what they should be doing to keep their bodies healthy and strong. Eat right, work out, and be mindful--but who really has the time for all of that when work is crazy, the kids are waiting for dinner, and there just aren't enough hours in the day? It turns out, you don't need hours: just 10 minutes! Based on cutting-edge research and designed for real women, the 60-day Fit in 10 plan offers proven results without endless hours at the gym or cooking elaborate meals. Working out for just 10 minutes per day and spending 10 minutes or less creating healthy, delicious meals will result in a faster metabolism, slimmer waistline, reduced pain, and overall improved health and mood. Fit in 10 is a lifestyle, not a diet. Prevention has developed this program to help you boost your commitment to a healthy, active life. The book includes a 10-day clean-eating jumpstart meal plan, 85 healthful, delicious recipes to the 60-day training plan that will help you form new exercise and eating habits that will improve your health and tone and tighten your body. The 10-minute "Life Changers" throughout the book encourage and empower you to prioritize yourself and stay on track to meet those goals long past those first 60 days.

More than 100,000 entrepreneurs rely on this book for detailed, step-by-step instructions on building successful, scalable, profitable startups. The National Science Foundation pays hundreds of startup teams each year to follow the process outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? The Startup Owner's Manual guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup" movement and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you: • Avoid the 9 deadly sins that destroy startups' chances for success • Use the Customer Development method to bring your business idea to life • Incorporate the Business Model Canvas as the organizing principle for startup hypotheses • Identify your customers and determine how to "get, keep and grow" customers profitably • Compute how you'll drive your startup to repeatable, scalable profits. The Startup Owner's Manual was originally published by K&S Ranch Publishing Inc. and is now available from Wiley. The cover, design, and content are the same as the prior release and should not be considered a new or updated product.
