A comprehensive look at the unique recording history of Pink Floyd, one of the world's most commercially successful and influential rock bands. Pink Floyd All the Songs tells the full story of every recording session, album, and single that the band has released. Since 1965, Pink Floyd been recording sonically experimental and philosophical music, selling more than 250 million records worldwide, including two of the best-selling albums of all time Dark Side of the Moon and The Wall. In Pink Floyd All the Songs, authors Margotin and Guesdon describe the origins of the band's nearly 200 released songs, including details from the recording studio, what instruments were used, and behind-the-scenes stories of the tensions that helped drive the band. Organized chronologically by album, this massive, 544-page hardcover begins with the band's 1967 debut album The Piper at the Gates of Dawn—the only one recorded under founding member Syd Barrett's leadership—and runs all the way through their 2014 farewell album, The Endless River, which was downloaded 12 million times on Spotify during its first week of release. Packed with more than 500 photos, Pink Floyd All the Songs is also filled with stories that fans will treasure, such as Waters working with engineer Alan Parsons to implement revolutionary recording techniques on The Dark Side of the Moon during sessions at Abbey Road Studios in 1972, and producer Bob Ezrin's contributions that helped refine Waters' original sprawling vision for The Wall.

“ Compelling, essential reading for understanding the underpinnings of psychopathy. ” — M. E. Thomas, author of Confessions of a Sociopath For his first fifty-eight years, James Fallon was by all appearances a normal guy. A successful neuroscientist and professor, he ' d been raised in a loving family, married his high school sweetheart, and had three kids and lots of friends. Then he learned a shocking truth that would not only disrupt his personal and professional life, but would lead him to question the very nature of his own identity. While researching serial killers, he uncovered a pattern in their brain scans that helped explain their cold and violent behavior. Astonishingly, his own scan matched that pattern. And a few months later he

learned that he was descended from a long line of murderers. Fallon set out to reconcile the truth about his own brain with everything he knew as a scientist about the mind, behavior, and personality.

How much do you actually know about New York City? Did you know they tried to anchor Zeppelins at the top of the Empire State Building? Or that the high-rent district of Park Avenue was once so dangerous it was called "Death Avenue"? Lively and comprehensive, Inside the Apple brings to life New York's fascinating past. This narrative history of New York City is the first to offer practical walking tour know-how. Fast-paced but thorough, its bite-size chapters each focus on an event, person, or place of historical significance. Rich in anecdotes and illustrations, it whisks readers from colonial New Amsterdam through Manhattan's past, right up to post-9/11 New York. The book also works as a historical walking-tour guide, with 14 self-guided tours, maps, and step-by-step directions. Easy to carry with you as you explore the city, Inside the Apple allows you to visit the site of every story it tells. This energetic, wide-ranging, and often humorous book covers New York's most important historical moments, but is always anchored in the city of today.

**The Outrun: A Memoir** Da Capo

The bass player and founding member Dire Straits shares a behind-the-scenes history of the British rock band. One of the most successful music acts of all time, Dire Straits filled stadiums around the world. Their albums sold hundreds of millions of copies and their music—classics like “ Sultans of Swing, ” “ Romeo and Juliet, ” “ Money for Nothing, ” and “ Brothers in Arms ” —is still played on every continent today. There was, quite simply, no bigger band on the planet throughout the eighties. In this powerful and entertaining memoir, founding member John Illsley gives the inside track on the most successful rock band of their time. From playing gigs in the spit-and-sawdust pubs of south London, to hanging out with Bob Dylan in LA, Illsley tells the story of the band with searching honesty, soulful reflection, and wry humor. Starting with his own unlikely beginnings in Middle England, he recounts the band ' s rise from humble origins to the best-known venues in the world, the working man ' s clubs to Madison Square Garden, sharing gigs with wild punk bands to rocking the Live Aid stage at Wembley. And woven throughout is an intimate portrait and tribute to his great friend Mark Knopfler, the band ' s lead singer, songwriter, and remarkable guitarist. Tracing an idea that created a phenomenal musical legacy, an extraordinary journey of joy and pain, companionship and surprises, this is John Illsley ' s life in Dire Straits. Praise for My Life in Dire Straits “ A forensic and uplifting journey through the sheer hard work, pitfalls, and thrills of navigating

a great rock and roll band to the pinnacle of success. I so enjoyed the ride! Onwards, John! ” —Roger Taylor, drummer, songwriter, and founding member of Queen  
“ Reading John Illsley ’ s book, I relived so many moments. He captures the early days of the “ English bands ” and their story—the ups and downs, relationships, craziness, and fun. Of course, the music was key. This really happened! ” —Mike Rutherford of Genesis  
“ Fascinating. . . Illsley is brutally frank about the toll that the band ’ s fame had on his relationships, most notably his marriage ( “ a victim, ” he writes, “ of my life on the road ” ). Fans will be mesmerized. ” —Publishers Weekly (starred review)  
Hallelujah Anyway Liveright Publishing

A portrait of the legendary American rock-and-roll band draws on exclusive interviews to track their career from 1969 to the present and is complemented by previously unpublished photographs and memorabilia.

Moving to America turns H& à 's life inside out. For all the 10 years of her life, H& à has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H& à and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H& à discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

Inside Out Beacon Press

President Bill Clinton led one of the most influential and consequential White House tenures in recent memory. However, because of the office's traditional climate of confidentiality, many details of his behind-the-scenes activities have remained absent from the written record. How did the administration manage the horrific conflicts in Haiti, Somalia, and the Balkans that came to a head shortly after the President took the oath? What motivated the President to place First Lady Hillary Clinton at the helm of the ill-fated Health Security Act of 1993? And how did the President's closest confidantes and aides respond to the outbreak of the devastating scandal that nearly ended his presidency? Inside the Clinton White House offers an intimate perspective on these questions and many more, granting readers unprecedented access to the sensitive Oval Office banter that changed the course of history. Bringing together material from 400 hours of candid conversations with over sixty individuals, respected oral historian Russell L. Riley weaves this illuminating testimony with important contextual information to form an irresistible narrative, taking the reader from Clinton's first potential White House bid in 1988 to the final days of his remarkable and controversial career. Extended sections of the book are devoted to important domestic and foreign policy campaigns, the complicated politics of the President's two terms and impeachment, and portraits of important personalities in the administration, including Vice President Al Gore and First Lady Hillary Rodham Clinton. These forthright and often surprising accounts add a layer of nuance to an iconic figure in America's recent history, as told in the words of the people who knew him best.

Inside the Clinton White House Random House

A Perfect Union of Contrary Things is the authorized biography of musician and vintner Maynard James

Keenan. Co-author Sarah Jensen's 30-year friendship with Keenan gives her unique insight into his history and career trajectory. The book traces Keenan's journey from his Midwest childhood to his years in the Army to his time in art school, from his stint at a Boston pet shop to his place in the international spotlight and his influence on contemporary music and regional winemaking. A comprehensive portrayal of a versatile and dedicated artist, A Perfect Union of Contrary Things pays homage to the people and places that shaped the man and his art. Until now, Maynard's fans have had access to only an abridged version of his story. A Perfect Union of Contrary Things presents the outtakes, the scenes of disappointment and triumph, and the events that led him to take one step after the next, to change direction, to explore sometimes surprising opportunities. Included are sidebars in his own words, often humorous anecdotes that illuminate the narrative, as well as commentary by his family members, friends, instructors, and industry colleagues. The book also features a foreword by Alex Grey, an American visionary artist and longtime friend of Keenan. Accompanying the text are photos of Keenan from childhood to the present. Maynard's story is a metaphor for the reader's own evolution and an encouragement to follow one's dreams, hold fast to individual integrity, and work ceaselessly to fulfill our creative potential.

Inside the Rise of HBO Rowman & Littlefield

“ I don't think I'm easy to talk about. I've got a very irregular head. And I'm not anything that you think I am anyway. ” —Syd Barrett ’ s last interview, Rolling Stone, 1971  
Roger Keith “ Syd ” Barrett (1946 – 2006) was, by all accounts, the very definition of a golden boy. Blessed with good looks and a natural aptitude for painting and music, he was a charismatic, elfin child beloved by all, who fast became a teenage leader in Cambridge, England, where a burgeoning bohemian scene was flourishing in the early 1960s. Along with three friends and collaborators—Roger Waters, Richard Wright, and Nick Mason—he formed what would soon become Pink Floyd, and rock ’ n ’ roll was never the same. Starting as a typical British cover band aping approximations of American rhythm ’ n ’ blues, they soon pioneered an entirely new sound, and British psychedelic rock was born. With early, trippy, Barrett-penned pop hits such as “ Arnold Layne ” (about a clothesline-thieving cross-dresser) and “ See Emily Play ” (written specifically for the epochal “ Games For May ” concert), Pink Floyd, with Syd Barrett as their main creative visionary, captured the zeitgeist of “ Swinging ” London in all its Technicolor glory. But there was a dark side to all this new-found freedom. Barrett, like so many around him, began ingesting large quantities of a revolutionary new drug, LSD, and his already-fragile mental state—coupled with a personality inherently unsuited to the life of a pop star—began to unravel. The once bright-eyed lad was quickly replaced, seemingly overnight, by a glowering, sinister, dead-eyed shadow of his former self, given to erratic,

highly eccentric, reclusive, and sometimes violent behavior. Inevitably sacked from the band, Barrett retreated from London to his mother's house in Cambridge, where he would remain until his death, only rarely seen or heard, further fueling the mystery. In the meantime, Pink Floyd emerged from the underground to become one of the biggest international rock bands of all time, releasing multi-platinum albums, many that dealt thematically with the loss of their friend Syd Barrett: *The Dark Side of the Moon*, *Wish You Were Here*, and *The Wall* are all, on many levels, about him. In *A Very Irregular Head*, journalist Rob Chapman lifts the veil of secrecy that has surrounded the legend of Syd Barrett for nearly four decades, drawing on exclusive access to family, friends, archives, journals, letters, and artwork to create the definitive portrait of a brilliant and tragic artist. Besides capturing all the promise of Barrett's youthful years, Chapman challenges the oft-held notion that Barrett was a hopelessly lost recluse in his later years, and creates a portrait of a true British eccentric who is rightfully placed within a rich literary lineage that stretches through Kenneth Graham, Hilaire Belloc, Edward Lear, Lewis Carroll, John Lennon, David Bowie, and on up to the pioneers of Britpop. A tragic, affectionate, and compelling portrait of a singular artist, *A Very Irregular Head* will stand as the authoritative word on this very English genius for years to come.

Thanks a Lot Mr Kibblewhite Penguin

To some, he is the face behind classic Pink Floyd. To others, he is the temperament behind some of the greatest albums of the rock era. And to others still, he is one of the most original songwriters of a generation that overflows with notable talent. To all, he is an enigma: a rock star who not only eschewed stardom but also spent much of his career railing against it. But to call Roger Waters a mass of contradictions is simply taking the easy way out. He is so much more than that. *Roger Waters: The Man Behind the Wall* is the first full biography of the author of *The Dark Side of the Moon*, *Wish You Were Here*, and, of course, *The Wall*. It traces his life from war-torn suburbia to the multitude of wars he has fought since then – with his bandmates, with his audience, and most of all with himself. Packed with insight and exclusive interviews with friends and associates, *Roger Waters: The Man Behind the Wall* dismantles the wall brick by brick, revealing the man who built it in all his glory.

From the Inside Out Penguin

This title is Scheffer's account of the international gamble to prosecute those responsible for genocide, war crimes, and crimes against humanity, and to redress some of the bloodiest human rights atrocities in our time.

Creating Minnesota Omnibus Press

The definitive history of Pink Floyd by founding member Nick Mason, this reading edition brings up-to-date the band's incredible story as told uniquely from the inside out. Including the complete text of the original in an easy-to-read format, a new chapter covering the passing of Rick Wright and the release of the group's final album, and 80 pages of images from Mason's archives plus new photos, *Inside Out* is a masterly rock memoir and an eye opener for both veteran fans and those just discovering the group.

INSTANT #1 NEW YORK TIMES BESTSELLER A Best Book of the Year: *The New Yorker*, *The Guardian*, *The Sunday Times*, *The Daily Mail*, *Good Morning America*, *She Reads* Famed American actress Demi Moore at last tells her own story in a surprisingly intimate and emotionally charged memoir. For decades, Demi Moore has been synonymous with celebrity. From iconic film roles to high-profile relationships, Moore has never been far from the spotlight—or the headlines. Even as Demi was becoming the highest paid actress in Hollywood, however, she was always outrunning her past, just one step ahead of the doubts and insecurities that defined her childhood. Throughout her rise to fame and during some of the most pivotal moments of her life, Demi battled addiction, body image issues, and childhood trauma that would follow her for years—all while juggling a skyrocketing career and at times negative public perception. As her success grew, Demi found herself questioning if she belonged in Hollywood, if she was a good mother, a good actress—and, always, if she was simply good enough. As much as her story is about adversity, it is also about tremendous resilience. In this deeply candid and reflective memoir, Demi pulls back the curtain and opens up about her career and personal life—laying bare her tumultuous relationship with her mother, her marriages, her struggles balancing stardom with raising a family, and her journey toward open heartedness. *Inside Out* is a story of survival, success, and surrender—a wrenchingly honest portrayal of one woman's at once ordinary and iconic life.

“It's wild writing: sexy, unguarded, raw, and ardent ... highly recommended.” —*The Millions* After a decade of heavy partying and hard drinking in London, Amy Liptrot returns home to Orkney, a remote island off the north of Scotland. *The Outrun* maps Amy's inspiring recovery as she walks along windy coasts, swims in icy Atlantic waters, tracks Orkney's wildlife, and reconnects with her parents, revisiting and rediscovering the place that shaped her. A *Guardian* Best Nonfiction Book of 2016 *Sunday Times* Top Ten Bestseller *New Statesman* Book of the Year

[My Life in Dire Straits](#) McFarland

There are two ages in the history of television: before HBO and after HBO. Before the launch of Home Box Office in 1972, the industry had changed little since the birth of broadcast network television in the late 1940s. The arrival of the premium cable channel began a revolution in the business and programming of TV. For the generation that has grown up with the vast array of viewing choices available today, it is almost inconceivable that our ever-expanding media universe began with a few hours of unimpressive programming on a single cable channel. Written by an insider, this is the story of HBO's reconfiguration of television and the company's continual reinvention of itself in a competitive and dynamic industry.

[Roger Waters](#) Oxford University Press

Called by *The Chicago Tribune* “the best book around on this enduringly popular band”, *Saucerful of Secrets* is the first in-depth biography of this very private group. It goes beyond the smoke and lasers of Pink Floyd's incredible stage shows and into the secretive and often tumultuous lives of each band member. 16 pages of photographs.

[A Brief History of Surfing](#) Chronicle Books

A full-scale biography of the Eagles offers an unauthorized, behind-the-scenes glimpse of rock 'n' roll life, following the band from their early career, to their self-destructive, decadent fall into the excesses of the 1970s, to their remarkable comeback. 50,000 first printing. Tour.

Nick Mason has had a lifelong passion for motor racing. The sports and racing cars he's chosen to own form a unique stable, not just because of their diversity, but because every car is meant to be

---

driven, and driven hard. These are not museum pieces sitting tamely in glass cases. With test driver Mark Hales, Nick Mason has pushed twenty-two of his cars to the limit and created *Into The Red*, a book which captures the power, the exhilaration and the feel of the actual cars driven by the worlds greatest racing drivers, including Enzo Ferrari, Stirling Moss, Jacky Ickx and Mario Andretti. Some are incredibly fast: the powerhouse Porsche 935, the limited edition McLaren F1. Some extremely rare: the legendary V16 BRM is one of only three known to exist. Some highly expensive: the Ferrari 250GTO had a value of GBP10 million at its peak. And others are all-time classics, including the Bugatti T35B, the Maserati 250F, and the Ferrari T3 that brought Gilles Villeneuve victory in the 1978 Montreal Grand Prix. But although their past is what makes the cars so special, each car has been put through the same demanding test sequence at Silverstone, using the latest equipment, no quarter given. The results are often surprising. Mark Hales details the distinctive sensations, sounds and vibrations of each car's handling ability, down to the feel of the gears and the response of the brakes. Nick Mason gives his personal view of the history and heritage of each model, with the inside track on the ups and downs of collecting classic cars.

*Into the Red Delta*

Mark Blake draws on his own interviews with band members as well as the group's friends, road crew, musical contemporaries, former housemates, and university colleagues to produce a history of one of the biggest rock bands of all time. We follow Pink Floyd from the early psychedelic nights at UFO, to the stadium-rock and concept-album zenith of the seventies, to the acrimonious schisms of the late '80s and '90s.
