Leadership from the Inside Out Simon and Schuster

James R. Barrett rethinks the boundaries of American working-class history by investigating the ways in which working-class people's personal lives intersected with their activism and religious, racial, ethnic, and class identities.

Roger Waters Knopf

Are you wondering about becoming a coach? Are you a coach who wants to renew your focus? I invite you to walk with me and reflect on what I think it means to be a coach. I hope this walk will help you to find your own meaning. Perhaps more than anything this book is an invitation to explore 'coaching' from the inside out. Brian Duggan CEC PCC

Pink Floyd: In the Flesh Da Capo Press

A revealing investigation into the life of a reclusive cult genius. Syd Barrett was Pink Floyd's founder, singer, guitarist and principal composer, who left the group in 1968 amidst tales of acid-induced madness. Barrett's brief flash of erratic brilliance is now the stuff of rock legend, and his post-Floyd recordings have become cult classics. Revised in 2006, this book draws on years on research to relate the story of an epic rock tragedy.

Saucerful of Secrets Penguin

From former British barrister John Burdett comes a psychosexual novel in the tradition of *Damage* and *Presumed Innocent*. At the heart of A Personal

History of Thirst is an ill-fated love triangle where all hunger for something and are willing to risk everything to get it, blurring the boundaries between right and wrong and love and hate to do so. Thirst tells a gripping tale of murder, revenge, infidelity, ambition, and deception that keeps shocking until the stunning courtroom climax. Ambitious London lawyer James Knight, a prosperous solicitor, has denied his lower-class background and carefully molded his public image in order to climb the social and professional ladder of the British legal system. He will soon "take silk"—become a Queen's counsel barrister, the highest rank a lawyer can obtain. More than a decade earlier, however, James had lived on the fringe of acceptable society and rigid British ethics during his years at university, experimenting with sex and drugs in a passionate love affair with a stunning and brilliant American named Daisy Smith. James's life takes an unexpected turn early in his career when he meets a client—an accused thief named Oliver Thirst—for a drink and a chat in a pub. Although they could not be more different, James is drawn to Thirst's high intelligence and wit. Soon their illicit friendship develops into a dark and erotic ménage à trois with Daisy at the center. Now, eleven years later, one is dead and two are suspected of murder. The murder investigation at the center of this impossible-to-put-down novel uncovers the bizarre love story between the barrister, the American, and the thief. And, in the end, A Personal History of Thirst answers the question: What happens when genuine love becomes mixed with perverse obsession?

A Very Irregular Head Hachette+ORM

This is THE essential book for all Pink Floyd fans: the most amazingly comprehensive guide to the band's entire career, complete with rare and never-before-seen photographs plus key memorabilia. Representing years of painstaking research by Floyd expert and documentarian Glenn Povey, it covers every event of note, and includes a full record of concerts, rehearsals, recordings, releases (vinyl and otherwise), interviews, set lists, and new material about the Abbey Road recording sessions. The Complete Pink Floyd is simply an unequalled look at one of rock 'n' roll's most innovative groups from its beginnings to the present.

Inside Out: A Personal History of Pink Floyd (Reading Edition) Random House

Now a Netflix Feature Film! "A heart-pounding page-turner with an outstanding cast of characters, a deliciously creepy setting, and an absolutely merciless body count." —Courtney Summers, New York Times bestselling author of *Sadie* and *The Project* A New York Times bestseller It's been almost a year since Makani Young came to live with her grandmother and she's still adjusting to her new life in rural Nebraska. Then, one by one, students at her high school begin to die in a series of gruesome murders, each with increasing and grotesque flair. As the body count rises and the terror grows closer, can Makani survive the killer's twisted plan?

Fun Facts & Trivia Questions! - Special Launch Price Pink Floyd's music has resonated with listeners of all ages on a deep personal level for more than half a century. They were one of the most prominent British rock bands to achieve worldwide fame after the initial "British Invasion" led by The Beatles and The Rolling Stones in the early 1960s. Founded in 1965, the band reached the height of its popularity and influence in the 1970s and early '80s. Pink Floyd is one of the most commercially successful bands of all time, with an estimated 250 million albums sold, and the band remains highly influential among fellow musicians. To help you connect, or perhaps reconnect, with the lives, music, and legacy of this fascinating band, interesting facts and historical moments are highlighted in this book, *Pink Floyd Trivia Book*. We will cover the history of Pink Floyd, beginning with the origins of the band, through changes in personnel and musical philosophy, up to their influence and reputation today. A series of multiple choice and true/false questions opens each chapter, with the corresponding answers on the following page. The "Did You Know?"

section consists of interesting facts and stories, which close each chapter so that you can develop a stronger understanding of the life and music of Pink Floyd. Use this book to test your knowledge with a round of trivia questions and perhaps review or gain information along the way. Whether you consider yourself a die-hard fan or are only faintly familiar with Pink Floyd, this book offers the opportunity to reinforce your knowledge of one of the most innovative and influential bands in the history of popular music. Let's see how much you know about Pink Floyd! Get yours today.

The Complete Pink Floyd Macmillan

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Changing the World from the Inside Out Sterling

Tampa, Florida's Obituary has been a death metal institution since 1984. Guided by the inhuman, if not unfathomably deranged vocals of John Tardy, the obscenely brutal guitar tone of Trevor Peres and rhythmic brilliance of drummer Donald Tardy, Obituary defined heaviness throughout the 1990s. Their 1989 'Slowly We Rot' and 1990 'Cause of Death' studio albums are undisputed classics, but their live prowess and unwavering dedication to their fans made them one of the metal underground's most respected bands. An unexpected five-year hiatus starting in 1998 only saw Obituary's stature grow when a new generation

of bands adopted their sonic trademarks. However, their post-reformation efforts were nearly sidetracked by the perils of the music industry and inter-band tumult. Through the unbreakable bond between the Tardy brothers and Peres, Obituary emerged stronger than ever, entrenched in their rightful position as death metal vanguards. 'Turned Inside Out: The Official Story of Obituary' is the fully authorized biography of Obituary, providing an unprecedented look into the band's career through in-depth interviews, studio recollections, road stories and scores of exclusive photos.

Crown
A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • NEW YORK TIMES BEST SELLER • From the indie rockstar of Japanese Breakfast fame, one of TIME's Most Influential People of 2022, and author of the viral 2018 New Yorker essay that shares the title of this book, an unflinching, powerful memoir about growing up Korean American, losing her mother, and forging her own identity. In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band—and meeting the man who would become her husband—her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

Inside Out Aurum

From gigs in tiny church halls in the mid-sixties to multimillion-selling albums and spectacular stadium shows all around the world, the Pink Floyd story is a pop legend. *Pink Floyd: In the Flesh* combines, for the first time, a detailed listing of every single Pink Floyd show with a biographical account of the band's collective and individual careers. Illustrated throughout with scores of previously unpublished photographs and a wealth of rare graphic memorabilia, including posters, advertisements, handbills and tickets from every era of the band's remarkable thirty-year history.

****Nominated for the 2022 BookTube Prize in Nonfiction**** Anthony Bourdain's long time director and producer takes readers behind the scenes to reveal the insanity of filming television in some of the most volatile places in the world and what it was like to work with a legend. In the nearly two years since Anthony Bourdain's death, no one else has come close to filling the void he left. His passion for and genuine curiosity about the people and cultures he visited made the world feel smaller and more connected. Despite his affable, confident, and trademark snarky TV persona, the real Tony was intensely private, deeply conflicted about his fame, and an enigma even to those close to him. Tony's devoted crew knew him best, and no one else had a front-row seat for as long as his director and producer, Tom Vitale. Over the course of more than a decade traveling together, Tony became a boss, a friend, a hero and, sometimes, a tormentor. In *The Weeds* takes readers behind the scenes to reveal not just the insanity that went into filming in some of the most far-flung and volatile parts of the world, but what Tony was like unedited and off-camera. From the outside, the job looked like an all-expenses-paid adventure to places like Borneo, Vietnam, Iran, the Democratic Republic of Congo, and Libya. What happened off-camera was far more interesting than what made it to air. The more things went wrong, the better it was for the show. Fortunately, everything fell apart constantly.

Johnny Cash McFarland

The deliberate devaluation of Blacks and their communities has had very real, far-reaching, and negative economic and social effects. An enduring white supremacist myth claims brutal conditions in Black communities are mainly the result of Black people's collective choices and moral failings. "That's just how they are" or "there's really no excuse": we've all heard those not so subtle digs. But there is nothing wrong with Black people that ending racism can't solve. We haven't known how much the country will gain by properly valuing homes and businesses, family structures, voters, and school districts in Black neighborhoods. And we need to know. Noted educator, journalist, and scholar Andre Perry takes readers on a tour of six Black-majority cities whose assets and strengths are undervalued. Perry begins in his hometown of Wilkinsburg, a small city east of Pittsburgh that, unlike its much larger neighbor, is struggling and failing to attract new jobs and industry. Bringing his own personal story of growing up in Black-majority Wilkinsburg, Perry also spotlights five others where he has deep connections: Detroit, Birmingham, New Orleans, Atlanta, and Washington, D.C. He provides an intimate look at the assets that should be of greater value to residents—and that can be if they demand it. Perry provides a new means of determining the value of Black communities.

Rejecting policies shaped by flawed perspectives of the past and present, it gives fresh insights on the historical effects of racism and provides a new value paradigm to limit them in the future. Know Your Price demonstrates the worth of Black people's intrinsic personal strengths, real property, and traditional institutions. These assets are a means of empowerment and, as Perry argues in this provocative and very personal book, are what we need to know and understand to build Black prosperity.

[The Power of Habit: by Charles Duhigg | Summary & Analysis](#)

Rowman & Littlefield

Pink Floyd's *The Dark Side of the Moon* (1973) is one of the most acclaimed albums of all time. A stunning exploration of madness, death, anxiety, and alienation, it remained on the Billboard charts for 724 weeks--the longest consecutive run for an LP ever--and has sold 30 million copies worldwide. It still sells some quarter million copies every year. Besides being perhaps rock's most fully realized and elegant concept album, *The Dark Side of the Moon* was among the most technically advanced records of its time, perfectly blending studio wizardry and fearless innovation. The rich story behind *The Dark Side of the Moon* is now skillfully illuminated by acclaimed journalist John Harris's exploration of the album's many secrets and the band's fractured history, including the mental collapse of group founder Syd Barrett. Drawing on original interviews with bassist and chief lyricist Roger Waters, guitarist Dave Gilmour, drummer Nick Mason, keyboardist Richard Wright, and the album's supporting cast, *The Dark Side of the Moon* is a must-have for the millions of devoted fans looking for the definitive story of one of the most timeless, compelling, and mysterious albums ever made.

Comfortably Numb Elite Summaries

The instant #1 New York Times bestseller! "It's the best memoir I've ever read." —Oprah Winfrey "Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma." —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had

won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

A Personal History of Thirst Macmillan

UPDATED FOR 2017 WITH A NEW CHAPTER The definitive history of Pink Floyd, one of the world's great bands, by founder member Nick Mason. Pink Floyd is one of the most creative, successful and enduring bands of all time. As the only member to have been part of the band throughout the 50 years of its existence, and the first to write a personal take on their history, Nick Mason gives unique insights into Pink Floyd's highs and lows: from their emergence in the late 1960s underground, to the huge worldwide success of *The Dark Side of the Moon* and the rifts and pressures that developed within the group. In a new chapter Nick Mason looks back at the years following the band's final performance at Live 8 in July 2005 and reflects on the huge changes that have occurred since: the irreplaceable losses, the new releases and the impact on the Floyd's continued success of both digital technology and social media. Intelligent, original and self-deprecating, *Inside Out* is the first-hand story of a band that has become a legend, as celebrated by the Victoria & Albert Museum's landmark Pink Floyd exhibition in 2017.

[Crazy Diamond - Syd Barrett and the Dawn of Pink Floyd](#) Comfortably Numb

The definitive history of Pink Floyd by founding member Nick Mason, this reading edition brings up-to-date the band's incredible story as told uniquely from the inside out. Including the complete text of the original in an easy-to-read format, a new chapter covering the passing of Rick Wright and the release of the group's final album, and 80 pages of images from Mason's archives plus new photos, *Inside Out* is a masterly rock memoir and an eye opener for both veteran fans and those just discovering the group.

#1 NEW YORK TIMES BESTSELLER • "The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly."—Entertainment Weekly NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE • ONE OF THE "MOST INFLUENTIAL" (CNN), "DEFINING" (LITHUB), AND "BEST" (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Entertainment Weekly • O: The Oprah Magazine • NPR • Financial Times • New York • Independent (U.K.) • Times (U.K.) • Publishers Weekly • Library Journal • Kirkus Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first "immortal" human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb's effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta's family did not learn of her "immortality" until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta's daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn't her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.

Creativity, Inc. John Wiley & Sons

In search of a place to call home, thousands of Hmong families made the journey from the war-torn jungles of Laos to the overcrowded refugee camps of Thailand and onward to America. But lacking a written language of their own, the Hmong experience has been primarily recorded by others. Driven to tell her family's story after her grandmother's death, *The Latehomecomer* is Kao Kalia Yang's tribute to the remarkable woman whose spirit held them all together. It is also an eloquent, firsthand account of a people who have worked hard to make their voices heard. Beginning in the 1970s, as the Hmong were being massacred for their collaboration with the United States during the Vietnam War, Yang recounts the harrowing story of her family's captivity, the daring rescue undertaken by her father and uncles, and their narrow escape into Thailand where Yang was born in the Ban Vinai Refugee Camp. When she was six years old, Yang's family immigrated to America, and she evocatively captures the challenges of adapting to a new place and a new language. Through her words, the dreams, wisdom, and traditions passed down from her grandmother and shared by an entire community have finally found a voice. Together with her sister, Kao Kalia Yang is the founder of a company dedicated to helping immigrants with writing, translating, and business services. A graduate of Carleton College and Columbia University, Yang has recently screened *The Place Where We Were Born*, a film documenting the experiences of Hmong American refugees. Visit her website at www.kaokaliayang.com.
