Intriguing romantic suspense with appealing characters and many plot twists along the way, Polly Iyer's INSIGHT is a gripping page-turner. I especially enjoyed the first half of the story, where the focus is on the relationship of two people who struggle with tragedies and injuries (she's been blinded, he's been deafened) that have shattered the lives they once led.

Backlash is the third of Polly Iyer's Diana Racine series and in my opinion, the best, (which is no mean feat when the other two are superb). For those of you who don't know, Diana is a psychic, who is often

called upon by New Orleans Police

Lieutenant, Ernie Lucier, and his team of detectives, to help them out with some of their more difficult cases, and help them out she does.
