The EBay Price Guide Fodors Travel Publications Eugene was only five years old when he burned his house down and nearly killed his mother. Fearing his powers were too volatile, his parents had the memories of his powers and their secret society of super humans erased. Ten years later, that secret is revealed when a classmate goes crazy and makes Eugene 's whole school see their own nightmares. His classmate is only the beginning. His best friend Willow can heal all wounds, his father can turn invisible, and his brother can make things explode. Before Eugene can come to terms with having unusual abilities, Willow is kidnapped. For thousands of years, Earth has been under siege by an alien named Isiro bent on enslaving the planet. Now, in need of a new host to carry his disembodied essence, Isiro has taken Willow. With no help from the Anyan 's Alliance and with powers he barely understands Eugene journeys across the States following her trail into the enemy base itself. He is determined to find her and find the answer to her kidnapping before she is turned into an alien host.

US Air Force Second Lieutenant Sean Mitchell catches a military cargo aircraft to Clark Air Base for a bit of adventure-something to break up the daily routine back at his duty station in Denver Colorado. His "adventure" turns into a life-and-death escape mission as he unwittingly finds himself an accessory to a large-scale criminal racket. When he befriends a street kid named Billy Bong, Mitchell's world changes forever. He admires the young enterprising lad and wants to promote his street-side business. But, his association with Billy Bong leads Mitchell right into the crushing jaws of some powerful Angeles City criminal strongmen. Mitchell's actions are noble, but naive. He's out of his league on the rough and tumble streets of Angeles City. Mitchell finds himself outnumbered and on the run. Will he be able to make it out of the Philippines, or is his nightmare just beginning? Dreams of the Philippines is based on the true adventures of author Dave Ives. Through his writing, the memory of Clark Air Base and Angeles City in 1989 comes alive.

PORNOGRAPHY + POLITICS = POWER. An eruption of sacrilegious slaughter -- a symbolic reign of terror unleashed by a mysterious assassin known only as the Samaritan -- exposes a vicious underworld of sadistic depravity, ritual obscenity and quintessential evil lurking beneath the civilised veneer of metropolitan London. Investigating the slayings with the help of Dr. Cassandra Stark, an enigmatic and brilliant psychiatrist, Detective Inspector James Verlaine is plunged into an infernal nightmare of snuff pornography, political corruption and a labyrinthine conspiracy dedicated to a monstrous totalitarian agenda. And when he finally discovers the Samaritan's true identity Verlaine must confront the insidious power wielded by a secret elite that operates above the law -- and a sinister technology designed to enslave the minds of millions ...

This volume contains the papers selected for presentation at the 2010 International Conference on ActiveMedia Technology (AMT2010), jointly held with the 2010 International Conference on Brain Informatics (BI 2010), at York University, Toronto, Canada, during August 28-30, 2010. Organized by the Web Intelligence Consortium (WIC) and IEEE Computational Intelligence Society Task Force on Brain Informatics (IEEE-CIS TF-BI), this conference was the sixth in the AMT series since its debut conference at Hong Kong Baptist University in 2001 (followed by AMT 2004 in Chongqing, China, AMT 2005 in Kagawa, Japan, AMT 2006 in Brisbane, Australia, AMT 2009 in Beijing, China). Active media technology (AMT) is a new area of research and development in intelligent information technology and computer science. It emphasizes the proactive, adaptive and seamless roles of interfaces and systems as well as new media in all aspects of digital life. Over the past few years, we have witnessed rapid developments of AMT technologies and applications ranging from business and communication to entertainment and learning. Examples include Facebook, Twitter, Flickr, YouTube, Moodle, Club Penguin and Google Latitude. Such developments have greatly changed our lives by enhancing the way we communicate and do business.
