AmGov New Leaf Publishing Group

The author describes how she forged positive relationships with her sons through Attachment Parenting practices, sharing advice on how to address a child's needs without resorting to pop culture trends.

Maya for Travelers and Students Apress

Hydraulic Systems for Mobile Equipment is intended to educate students in off-road equipment and heavy truck programs. Although the text has a primary emphasis on agricultural and construction machinery, it can empower students working in any related field of hydraulics. To this end, it teaches and is correlated to the competencies of both AED Hydraulics/Hydrostatics Standards and the NATEF Heavy Trucks Task List. Designed for education, the text contains rich pedagogical support, thorough coverage of equipment and systems from a variety of manufacturers, and high-quality photos, drawings, and schematics. The scope and approach of the book make it appropriate for all students, whether they are pursuing a certificate, associate ' s degree, bachelor ' s degree, or a master ' s degree. \* Includes traditional hydraulic content such as fluid power principles, pumps, motors, safety, valves, filtration, accumulators, plumbing, reservoirs, coolers, and fluids. \* Includes fundamental explanation of the most common types of mobile hydraulic control systems, specifically open center, pressure compensating, pre-spool load sensing pressure compensating, post spool compensation (flow sharing), negative flow control, and positive flow control. \* Provides fundamental instruction on hydrostatic transmissions with the goal of providing students true comprehension of the

systems.

Elvis might not be a colonel in the US Army any more, but he's got a reputation as being one of the toughest independent Sanctioned Ops in the South. Can he prevent further destruction of the world while fighting off the KKK, swamp mutants and voodoo priests?

Windows 10 Troubleshooting Alpha Science Int'l Ltd.

Classical Greeks considered the Mycenaean civilization to be the basis of their glorious and heroic heritage, but its material existence was not confirmed until the excavations of Heinrich Schliemann in the late nineteenth century. In the ensuing years, as with the field of archaeology in general, emphasis has shifted from revealing monuments and finding treasure to dealing with less glamorous, more scientifically-oriented investigations concerning aspects such as social and political organization, economic functions and settlement patterns. With its more than 2000 entries, this reference work serves as both an introduction to and a summary of the study of ancient Mycenaean civilization. Considerably expanded from the first edition, there are 500 new entries representing materials published since 1991. The largest part of the book is made up of annotated bibliography entries arranged topically with introductory material for each section. The book also includes a general introduction to Mycenaean civilization, a glossary, and author, place and subject indexes.

Lady Fox New Leaf Publishing Group

In this latest edition of his bestselling guide, expert digital photographer and author Tim Grey explains how proper workflow can alleviate repetitive parts of a project to allow you to focus on producing stunning results and he reveals expert tips and techniques that automate tasks, optimize output, and reduce time spent at the computer, and offers insights to using Lightroom and Bridge. In 1976, Gaskin wrote "Spiritual Midwifery," the handbook for midwives. Gaskin now shares with all women her knowledge and wisdom about what she calls the "true capacities of the female body," based on her more than three decades as a midwife.

Ina May's Guide to Childbirth CRC Press

Fifteen million Americans a year are plagued with alcoholism. Five million of them are women. Many of them, like Caroline Knapp, started in their early teens and began to use alcohol as "liquid armor," a way to protect themselves against the difficult realities of life. In this extraordinarily candid and revealing memoir, Knapp offers important insights not only about alcoholism, but about life itself and how we learn to cope with it. It was love at first sight. The beads of moisture on a chilled bottle. The way the glasses clinked and the conversation flowed. Then it became obsession. The way she hid her bottles behind her lover's refrigerator. The way she slipped from the dinner table to the bathroom, from work to the bar. And then, like so many love stories, it fell apart. Drinking is Caroline Knapp's harrowing chronicle of her twenty-year love affair with alcohol. Caroline had her first drink at fourteen. She drank through her years at an Ivy League college, and through an award-winning career as an editor and columnist. Publicly she was a dutiful daughter, a sophisticated professional. Privately she was drinking herself into oblivion. This startlingly honest memoir lays bare the secrecy, family myths, and destructive relationships that go hand in hand with drinking. And it is, above all, a love story for our times—full of passion and heartbreak, betrayal and desire—a triumph over the pain and deception that mark an alcoholic life. Praise for *Drinking* "Quietly moving . . . Caroline Knapp dazzles us with her heady description of alcohol's allure and its devastating hold." —Los Angeles Times Book Review "Filled with hard-won wisdom . . . [a] perceptive and revealing book." —San Francisco Chronicle "Eloquent . . . a remarkable exercise in self-discovery." —The New York Times "Drinking not only describes triumph; it is one." —Newsweek

songwriting and music publishing, touring, and merchandising.

The Most Misused Verses in the Bible Games Workshop Limited Hollywood's script guru teaches you how to write a screenplay in "the 'bible' of screenwriting" (The New York Times)—now celebrating forty years of screenwriting success! Syd Field's books on the essential structure of emotionally satisfying screenplays have ignited lucrative careers in film and television since 1979. In this revised edition of his premiere guide, the underpinnings of successful onscreen narratives are revealed in clear and encouraging language that will remain wise and practical as long as audiences watch stories unfold visually—from hand-held devices to IMAX to virtual reality . . . and whatever comes next. As the first person to articulate common structural elements unique to successful movies, celebrated producer, lecturer, teacher and bestselling author Syd Field has gifted us a classic text. From concept to character, from opening scene to finished script, here are fundamental guidelines to help all screenwriters—novices and Oscar-winners—hone their craft and sell their work. In *Screenplay*, Syd Field can help you discover:

- Why the first ten pages of every script are crucial to keeping professional readers' interest
- How to visually "grab" these influential readers from page one, word one
- Why structure and character are the basic components of all narrative screenplays
- How to adapt a novel, a play, or an article into a saleable script
- Tips on protecting your work—three ways to establish legal ownership of screenplays
- Vital insights on writing authentic dialogue, crafting memorable characters, building strong yet flexible storylines (form, not formula), overcoming writer's block, and much more

Syd Field is revered as the original master of screenplay story structure, and this guide continues to be the industry's gold standard for learning the foundations of screenwriting.

E-Waste in Transition Wiley-Interscience

Trying to get your message heard? Build an iconic brand? Welcome to the battlefield. The story wars are all around us. They are the struggle to be heard in a world of media noise and clamor. Today, most brand messages and mass appeals for causes are drowned out before they even reach us. But a few consistently break through the din, using the only tool that has ever moved minds and changed behavior—great stories. With insights from mythology, advertising history, evolutionary biology, and psychology, viral storyteller and advertising expert Jonah Sachs takes readers into a fascinating world of seemingly insurmountable challenges and enormous opportunity. You'll discover how:

- Social media tools are driving a return to the oral tradition, in which stories that matter rise above the fray
- Marketers have become today's mythmakers, providing society with explanation, meaning, and ritual
- Memorable stories based on timeless themes build legions of eager evangelists
- Marketers and audiences can work together to create deeper meaning and stronger partnerships in building a better world

Brands like Old Spice, The Story of Stuff, Nike, the Tea Party, and Occupy Wall Street created and sustained massive viral buzz *Winning the Story Wars* is a call to arms for business communicators to cast aside broken traditions and join a revolution to build the iconic brands of the future. It puts marketers in the role of heroes with a chance to transform not just their craft but the enterprises they represent. After all, success in the story wars doesn't come just from telling great stories, but from learning to live them.
