Adaptiv-multimedia by Connects2

Step 1 – Install Bluetooth module. A good spot for the module is behind the glove box. To gain access, remove the five 8mm bolts which hold the glove box in place – three along the upper edge and one in each of the lower corners. Once the glove box is removed, remove the multimedia adapter from the back of the glove box, then the control unit.

Adaptiv is a cutting-edge brand from Connects2 which specialises in multimedia, navigation and safety upgrades to your vehicle ' s original system. With one quick installation, Adaptiv can add a wealth of in-demand features to your existing stereo including high quality navigation, reverse camera connectivity, video playback, Aux, SD, USB and ...
