series products from our company. Please read this user manual carefully

Installation Instructions - joyingauto.com

Step 1 - Install Bluetooth module. A good spot for the module is behind the glove box. To gain access, remove the five 8mm bolts which hold the glove box in place - three along the upper edge and one in each of the lower corners. Once the glove box is removed, remove the multimedia adapter from the back of the glove box, then the control unit.
