Consumer Controversies

Routledge

This book focuses on the issue of employee complaints, and has been designed for use as both a self-instruction manual and a training device to teach supervisors and staff how to better manage employee complaints. Critical issues such as race and sex discrimination and employment-at-will are addressed, with specific discussions of pregnancy leave, age discrimination, and terminations. It offers a variety of techniques and tools that can be used to reduce the number of complaints and to better manage those complaints that remain. To facilitate

this, the authors have included a number of experiential learning exercises, role plays, and case studies, and provided training notes to help in the instruction.

Model Rules of Professional Conduct

OUTFOX Prevention LLC

The Police Misconduct Complaint Investigations Manual provides a timely and unique, step-by-step approach to conducting or reviewing police misconduct investigations, whether a complaint involves a lower level allegation of discourtesy or more serious concerns such as excessive force or criminal behavior. Utilizing real-life examples and updated case law to illustrate points, it provides best practices for investigating police action resulting in misconduct complaints. The Manual ' s comprehensive approach includes detailed procedures and policy considerations from intake through case closure, and discusses data tracking, reporting on trends, selecting and training investigative staff, civilian oversight, and a host of special issues that can arise with police misconduct complaints. The Manual is suitable for

both sworn personnel and civilians handling or reviewing investigations and whether working internally for a police department or externally in oversight or another capacity. The guidance provides detailed examples of witness interview questions and types of evidence to collect, with discussion on making difficult credibility determinations and approaches to analyzing the information gathered to arrive at a recommended finding. Review questions are found at the end of most chapters, for use in academic or investigative training environments. Police officers engaged in the often complex and challenging work of public safety deserve and expect objective, thorough, and timely handling of complaints. Complainants and other stakeholders seek accountability and transparency when an officer behaves in a way that raises questions about their professionalism. The Complaint Investigations Manual provides instruction on handling misconduct complaints in a manner that will ensure the goals of law enforcement and stakeholders are met. The authors intentionally use a broad approach to make the Manual relevant and easy to use by law enforcement personnel, civilians in oversight or other capacities who work on police misconduct matters, and the criminal justice academic community. It is a critical primer for internal affairs investigators, police managers, law enforcement leaders, auditing professionals, civilian oversight practitioners, government representatives, community advocates, criminal and social justice students, and all others in pursuit of fair, thorough, and timely investigations of police misconduct complaints.

Operating Manual Macmillan
Annually updated and revised by Hon. Donald G. Alexander of the Maine Supreme Judicial Court, Maine Jury Instruction Manual includes a wide array of civil and criminal jury instructions accompanied by commentary and discussion of practice points for closing arguments. New and revised instructions and commentary offer expert guidance on convening the jury panel, jury selection and voir dire, and return of the verdict, as well as practical guidance on how to present information to a jury in layman's terms to ensure effective communication with jury panels. Maine Jury Instruction Manual also provides extensive cross-references and online hyperlinks to the pattern criminal jury instructions for the District Courts of the First Circuit, with a cross-reference table and cross-references in related individual jury instructions. The subject matter index, table of cases, and table of statutes are also annually updated to reflect expanded and revised jury instruction coverage. The sample jury instructions will help legal professionals to avoid costly errors and to prepare for trial more quickly. The instructions lend themselves to ready customization to the facts of the case and expedite preparation for court. The vast array of forms in Maine Jury Instructions will save hours of expensive and frustrating research and replication.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues

and the courts.

CONSUMER EDUCATION MANUAL FOR HOMEMAKERS Praeger Pub Text

This book presents a very novel and strategic approach to Sales Management, an area that has suffered from a lack of sophistication in practice. This content-rich and thought-provoking book has a very unique positioning: It considers the sales performance of an organization at a very high, strategic level and offers specific guidance in managing not just a few direct reports but an entire organization's sales function. The book includes many useful tools and guidelines and is enhanced with numerous examples that help bring the concepts to life and make them very approachable for the trade market. A checklist-based scoring system that is utilized throughout the book allows readers to specifically evaluate their own company as well as to track its progress as concepts are applied over time. This work is an essential resource and thought-provoking read for ambitious Sales Managers, including CEO-level executives.
