(Book). Guild guitars have been around since the early 1950s, and by the beginning of the '60s, the company had established a solid reputation for its electric and acoustic archtops, which are still widely regarded today. Despite this enduring popularity, little was known about the history of Guild. The Guild Guitar Book is the result of years of intensive research and countless photo sessions. It includes a thorough history of the company and its guitars, including serial numbers, specifications, original prices, and all the information needed to date Guild guitars. Features hundreds of photos, with a beautiful 40-page color section. Now Back in Print!
