BOOK PRESENTATION: Human And Faith New Perspectives from the Treatise of 23. Word Risale-i Nur (Treatise of Light) Training Program We are inviting you for an utterly different experience, an interactive book full of incredible discoveries, where you will come to an impressive visual journey. READING THE BOOK OF UNIVERSE AND RISALE-I NUR HAS NEVER BEEN SO PLEASANT. In total, there are 172 visuals and 12 videos utilized (rate of visibility is 50%) in this enormous study, where interactive visuals are also used. It is a first attempt in its area worldwide. This book entitled "HUMAN AND FAITH", which is an explanatory work based on the 23rd Word of the Book of Words of Risale-i Nur, elaborates on the high value of the human that appears together with Faith and the beauties of the faith. 23. Word is a special book written about the nature/character of human and faith, which has a great depth of meaning despite its small volume. When you finish the book, you will witness that the beauties of the faith, which reveal the high value of the human being and the true character of the universe and which make them visible, are shown with an unprecedented style and with a clarity that could be accepted by anyone who is just and fair. This book is a part of our larger work, the book called "A Journey of Discovery for an Extraordinary Treasure: Risale-i Nur (The Treatise of Light) Training Program" which is the basic/source and the curriculum of "The Journeys of Discovery Risale-i Nur Training Program" This work is a part of our basic/source book called "A Journey of Discovery for an Extraordinary Treasure: Risale-i Nur (The Treatise of Light) Training Program" upon which our "Journeys of Discovery, Risale-i Nur Training Program" is constructed and it is "Man's High Value That Becomes Apparent with Faith and the Beauties of the Being Faithful", which is the third discovery of the five discovery, dealt with in the first main part of that book, which is called "Discovering the Value of the Treasure of Faith". We strongly suggest and present this book to those who regularly read Risale-i Nur as well as to those who want to get some information for the first time. The epilogue of our book which is entitled "Your Journey Just Begins Now!" is also included in this work as it contains emotional, striking and impressive points coming sincerely from the deepest parts of our hearts about the reading of Risale-i Nur and attendance to the Risale-i Nur Lectures. WHY A VISUAL/INTERACTIVE BOOK Reading and watching the written truths in a verbal and visual format (with additional explanations not provided in our book) enables you to better understand and feel them. In this way, you are following the most fruitful method in understanding the knowledge of faith, which cannot be understood just with intellect but rather are "felt truths", and in opening the door for new perspectives for them. We keenly believe that with this method of reinforcement (Allah willing) highest level of benefit will be realized in terms of understanding Risale-i Nur and the universe. When you open Pdf document on your computer with Adobe Reader you can read it better by choosing "two pages" option and zooming in. Since full-screen mode of the "Microsoft Word" changes the places of the visuals, you should read it in page format by zooming in. We would rather prefer if you would download it in Pdf format and read it with Adobe Acrobat due to both its small size and readability it in this way. It is possible to click links and open the word and Pdf files and videos within this interactive book in your computers and cell phones. (In your cell phone use Wps Office for Word and Adobe Acrobat Reader for Pdf files. Wps Office is a useful program which opens the footnotes when clicked upon but it can't open the links in this way. For this reason, we suggest that you use Adobe Acrobat Reader in order to benefit from the interactive features of the book.) BOOK INDEX - Picasso's Painting It is shown, with a beautiful style, which leaves its taste in the mind, that the real valuation of man is only possible with the recognition of the fact that he is a wonder
