Interchange Intro is the new introductory level for the Interchange series, designed for students of English at the beginner level and learners needing a thorough review of basic functions, grammar, and vocabulary. Lessons are carefully organized to ease the learning process: New words are presented thematically with clear illustrations and tasks that help students organize their knowledge. Structures are introduced step by step and practiced through communicative activities. Interesting facts and statistics engage students right away in thoughtful interaction on topics such as housing, food, sports, health, and
