This book analyses the various features of specialized discourse in order to assess its degree of specificity and diversification, as compared to general language. Prior to any analysis of such traits, the notion of specialized discourse and its distinctive properties are clarified, also as compared to other features frequently occurring in specialized texts which cannot be considered distinctive. The presence of such properties are accounted for not only in linguistic but also in pragmatic terms since the approach is interpretative rather than merely descriptive. The complexity of this discourse calls for a multidimensional analysis, covering both lexis and morpho-syntax as well as textual patterning. Some lexical aspects, morphosyntactic features and textual genres are also examined from a diachronic perspective, thus showing how various conventions concerning specialized discourse have developed over the last few centuries.

Best known as the woman who "ran MGM," Ida R. Koverman (1876 – 1954) served as talent scout, mentor, executive secretary, and confidant to American movie mogul Louis B. Mayer for twenty-five years. She *Damn Near Ran the Studio: The Extraordinary Lives of Ida R. Koverman* is the first full account of

Koverman's life and the true story of how she became a formidable politico and a creative powerhouse during Hollywood's Golden Era. For nearly a century, Koverman's legacy has largely rested on a mythical narrative while her more fascinating true-life story has remained an enduring mystery—until now. This story begins with Koverman's early years in Ohio and the sensational national scandal that forced her escape to New York where she created a new identity and became a leader among a community of women. Her second incarnation came in California where she established herself as a hardcore political operative challenging the state's progressive impulse. During the Roaring Twenties, she was a key architect of the Southland's conservative female-centric partisan network that refashioned the course of state and national politics and put Herbert Hoover in the White House. As "the political boss of Los Angeles County," she was the premiere matchmaker in the courtship between Hollywood and national partisan politics, which, as Mayer's executive secretary, was epitomized by her third incarnation as "one of the most formidable women in Hollywood," whose unparalleled power emanated from her unique perch inside the executive suite of Metro-Goldwyn-Mayer. Free to adapt her managerial skills and political know-how on behalf of the studio, she quickly drew upon her artistic sensibilities as a talent scout, expanding MGM's catalog of stars and her own influence on American popular culture. Recognized as "one of the invisible power centers in both MGM and the city of Los Angeles," she nurtured the city's burgeoning performing arts by fostering music and musicians and the public financing of them. As the "lioness" of MGM royalty, Ida Koverman was not just a naturalized citizen of the Hollywood kingdom; at times during her long reign, she "damn near ran the studio."

Publisher Description

An instant #1 New York Times Bestseller and a USA Today and Indie Bestseller! The Stormlight Archive saga continues in Rhythm of War, the eagerly awaited sequel to Brandon Sanderson's #1 New York Times bestselling Oathbringer, from an epic fantasy writer at the top of his game. After forming a coalition of human resistance against the enemy invasion, Dalinar Kholin and his Knights Radiant have spent a year fighting a protracted, brutal war. Neither side has gained an advantage, and the threat of a betrayal by Dalinar's crafty ally Taravangian looms over every strategic move. Now, as new technological discoveries by Navani Kholin's scholars begin to change the face of the war, the enemy prepares a bold and dangerous operation. The arms race that follows will challenge the very core of the Radiant ideals, and potentially reveal the secrets of the ancient tower that was once the heart of their strength. At the same time that Kaladin Stormblessed must come to grips with his changing role within the Knights Radiant, his Windrunners face their own problem: As more and more deadly enemy Fused awaken to wage war, no more honorspren are willing to bond with humans to increase the number of Radiants. Adolin and Shallan must lead the coalition's envoy to the honorspren stronghold of Lasting Integrity and either convince the spren to join the cause against the evil god Odium, or personally face the storm of failure. Simon & Schuster Super Crossword Book #11

From one of America's most popular short story writers and an Academy Award nominee: the O. Henry Award – winning tale that inspired the movie *The Hunt*. A subject of mysterious rumors and superstition, the deserted Caribbean Island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale "has inspired serial killers, films and stirred controversy in schools. A century on, the story continues to thrill" (The Telegraph). "[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands of General Zaroff, what it means to be hunted." —Criterion
