The approach used by  
Hoyle, Schaefer, and  
Doupnik in the new edition  
allows students to think  
critically about accounting,  
just as they will do while  
preparing for the CPA  
exam and in their future  
careers. With this text,  
students gain a well-  
balanced appreciation of the

Accounting profession. As  
Hoyle 12e introduces them  
to the field's many aspects,  
it often focuses on past  
controversies and present  
resolutions. The text  
continues to show the  
development of financial  
reporting as a product of  
intense and considered  
debate that continues today  
and into the future. The  
writing style of the eleven  
previous editions has been  
highly praised. Students  
easily comprehend chapter  
concepts because of the  
conversational tone used  
throughout the book. The  
authors have made every  
effort to ensure that the

---

writing style remains engaging, lively, and consistent which has made this text the market leading text in the Advanced Accounting market. The 12th edition includes an increased integration of IFRS as well as updated accounting standards. Managerial Accounting Pearson Higher Ed Using real-world examples to thoroughly involves readers with financial statements, Financial Reporting and Analysis, 9e builds skills in analyzing real financial reports through

statements, exhibits, and cases of actual companies. Emphasis is placed on the analysis and interpretation of the end result of financial reporting – financial statements.

Teaching IFRS Wiley Lo/Fisher is praised for its readability and conversational writing style that helps students better understand difficult concepts in Accounting. Lo/Fisher presents the how and why of

reporting accounting information from within an easily-understood theoretical framework. Lo/Fisher has a clean layout that engages the reader with a clear writing style using plain English. This text is built on the current International Financial Reporting Standards (IFRS) and incorporates Accounting Standards for Private Enterprise (ASPE) where appropriate. Our philosophy is that when

---

students understand the current standards, they will be able to analyze and interpret changes in the future.
