3. A principles-based system is one where the accounting standard simply lays out objectives of good reporting in an area. It may include some rules, based on the objectives, but it does not try to answer every question or provide a rule for every situation. So a typical standard would be more like 10-to-12 pages in length rather than 200 pages. 4. horngren cost accounting 13th edition - PDF Free Download
