10 Tips for Finding a Job in Publishing

Intern Nation: How to Earn Nothing and Learn Little in the ...

Intern Nation was the first book to document and analyze the rise of internships and unpaid work in the modern workplace, a major new practice of the white-collar workplace and rite of passage for young people. Based on hundreds of conversations, the book draws on nearly four years of research, highlighting the stories of dozens of individual interns and the testimony of employers, educators ...

'Intern Nation' by Ross Perlin takes a relatively small topic, the explosion of the unpaid internship, and does a masterful job of peeling back the layers to show how the unregulated free-for-all in the internship market has often brought out the worst in our companies and our country.
