Audit working papers - Wikipedia

A record of the auditors' work should be retained in the form of working papers. 4.35 The additional working paper standard for financial statement audits is: Working papers should contain sufficient information to enable an experienced auditor having no previous connection with the audit to ascertain from them the evidence that supports the auditors' significant conclusions and judgments.

AU Section 339A - Working Papers

Effective audit service. This article is about audit working papers. Auditors should prepare and organise their working papers in a manner that helps the auditor carry out an appropriate audit service. The auditor should avoid preparing or accumulating unnecessary working papers, and should therefore avoid making extensive copies of the client ' s accounting records.

2. Procedures and Working Papers

Audit working papers are the outcome of the documentation process. Working papers are the record of various audit procedures performed, audit evidence obtained, allocation of work between audit team members etc. Audit working papers are the documents and evidence that an auditor collects and retains with himself during the audit.
