Competing in the ...

Market-defining since it was first introduced, International Business 9e by Charles W. L. Hill, continues to set the standard for international business textbooks. In writing the book, Charles Hill draws on his experience in teaching, writing, and global consulting to create the most thorough, up-to-date, and thought-provoking text on the market.

A brilliant international business textbook - it covers such topic areas as economic theories, government policies, business strategies, organizational structures, etc. - all the usual stuff you'd expect to find in any business text.... but what Hill does is that he seems to go a little further than all of his contemporaries.... he challenges not only their explanations, but debunks them as ...
