In fact, in some ways it's even BETTER than the online version of the actual INCI dictionary published by the PCPC. And best of all...it's FREE! INCI Dictionary. The INCI Dictionary is the book which contains all the legal names for the ingredients used in cosmetics. See this previous post on naming cosmetic ingredients for more information. Unfortunately, to get access to the online version you have to be a paying member of the PCPC (not something most individuals can afford).
