International Human Resource Management SAGE Publications India

Human Resources Management (HRM) has a very important facilitative and strategic role in organisational success. Several financial and non-financial performance measures of an organisation are positively related to its levels of HRM Strategic Integration (HRMSI). This book develops a better understanding of strategic HRM and its impact on organisational performance. HRM Strategic Integration and Organizational Performance proposes a framework for HRMSI that helps formulate and implement the integration of strategic HRM in organisations for enhanced organisational performance. The key features of the book are: " A detailed analysis of strategic integration practices like recruitment and selection, performance management, training and development, rewards and recognitions and employees relations. " A thorough literature review on the relationship between HRM, strategic HRM and performance. " New research data from a huge cross section of the industry and high-end statistical research analysis using structural equation modelling. " A template of step-by-step HRMSI methodology to help future academics and professionals. The book will serve as an ideal reference material for scholars of human resources and business strategy. It will also be an invaluable guide for implementers of strategic HRM and students of management and business.

International Human Resource Management Edward Elgar Publishing

From the mid-1980s to the turn of the 1990s the international HR field was considered to be in its infancy. There continues to be both an evolution of territory covered by the field – a series of successively evolving cultural, geographical and institutional challenges faced by the multinational corporation (MNC) – as well as more critical questioning whether this has created an expanded or a fragmented field. This book brings together the latest research on important "issues-driven" concerns that the field of IHRM now has to face, absorb, interpret then reanalyse through international lenses. This volume gives attention to those aspects of MNC behaviour – choices about location, how they organize local subsidiaries, choices made about technology, capital and labour, and choices made about investments and strategies – that are subject to institutional influences. It also gives voice to a number of contemporary issues – reverse knowledge flows, skill supply strategies, employer branding, e-enablement, outsourcing, global networks – that now need to be accommodated within the field. Broadens the IHRM field to cover comparative and institutional perspectives Provides a multi-level

analysis of globalization phenomena at the individual, organization, and macro level Focuses on the current problems and issues driving the attention of IHRM Directors

Bloomsbury Publishing

The authors explore the degree to which Chinese multinationals have a distinctive 'Chinese' approach to human resource management, in the same way as large Japanese companies are widely regarded as having a special Japanese approach. Based on extensive original research in the subsidiaries of Chinese multinationals outside China, the book examines a wide range of issues related to this key question including the evolution of human resource management in Chinese companies, the internationalization of Chinese business, recruitment and selection, rewards and compensation, performance appraisal, strategic integration, and employee relations. Shen and Edwards give a detailed account of the international human resource management of Chinese multinational enterprises; a topic of increasing significance in understanding global economic affairs.

International Human Resource Management Routledge

Human Resource Management (HRM) is fundamentally shaped by institutional and cultural factors, such as the different political environments and social philosophies of particular countries and regions. By examining the various organizational aspects of business life and systems of people management in Asia, the study of HRM across the continent can, therefore, give us a greater understanding of Asian societies, as well as the contemporary world of work more generally. This handbook provides an up-to-date and intellectually engaging overview of HRM in the Asian context. Distinctive in its comprehensive coverage of traditional as well as emerging topics of HRM, it analyzes important themes, such as the regulatory framework for work and employment, religiosity, family business, and gender. Using a comparative approach, it also effectively highlights the unique features of each country's attitudes towards HRM. Covering a range of themes and case studies, sections include: • Institutional and cultural contexts, • Labour regulation and industrial relations, • Thematic and functional HRM, • HRM in selected Asian countries, such as China, Japan, Vietnam, India, and Singapore. Written in a highly accessible style, this book will be useful to students and scholars of Human Resource Management, Asian Business, Economics, and Sociology.

International Human Resource Management Taylor & Francis

Taking a thematic approach, this text draws on national experiences from Belgium, China and Finland, to illuminate issues and debates on Human Resources Management in the late 1990s including globalization versus localization, the management of rewards and performance appraisal.

International Human Resource Management Oxford University Press

International Human Resource Management offers a contemporary and multilayered introduction to international and comparative human resource management for university study. It critically analyses the core issues and emerging trends in the field, with a consistent emphasis on real-world scenarios and concerns. At the macro level, the book examines how IHRM fits within and adapts to the ever-changing

environment of international relations and global development. At the firm level, it elucidates the strategic goals served by IHRM, and the processes used to achieve them. At the individual level, the analysis extends beyond the traditional focus on expatriates to encompass the various IHRM actors and their motivations. Each chapter features a case study, a media article, tutorial activities, discussion questions and links to further reading. The book concludes with three extended case studies, each based on a specific region, to help students consolidate their understanding.

International Human Resource Management Kogan Page Publishers

"I enthusiastically endorse the fourth edition of IHRM. The editors are to be congratulated for recruiting the top-rated authors in this field to contribute to this volume. The chapters are up to date, insightful, and sometimes even provocative. Students, including post-grads and advanced undergraduates, as well as savvy practitioners, will benefit from reading this volume." Neal M. Ashkanasy, Professor of Management, The University of Queensland
Anne-Wil Harzing and Ashly Pinnington's bestselling textbook has guided thousands of students through their International Human Resource Management studies. The fourth edition retains the critical edge, academic rigour and breadth of coverage which have established this book as the most authoritative text on the market. The new edition by our international team of experts provides an even more stimulating journey through the core curriculum, contemporary debates and emerging issues in IHRM. New for the fourth edition: Reduced number of chapters to allow for greater depth and an improved structure ensuring fundamental topics underpin your knowledge Expanded coverage of Equality and Diversity, Corporate Social Responsibility and Sustainability and Cross-Cultural Management in line with developments in the field New Stop and Reflect feature provides an opportunity to test your understanding at regular intervals This text comes with access to a companion website containing web links, SAGE journal articles and more.

International Human Resource Management Oxford University Press

In today's era of International business, International Human Resource Management (IHRM) is emerging as a crucial factor since organizations are run by people. What is interesting in this phenomenon is, not only that there are differences in people across the countries, but even within a country or regions within it. This complex socio-cultural and psychological fabric coupled with historical, geographic, economic and political factors, creates certain boundary conditions and makes IHRM a very complex process. The intention of this book is to portray the various factors that are connected with managing Human Resources in International Business. Since the two are inseparable, any organization aspiring to participate as a player in international business must develop the knowledge, skills and acumen to perceive the subtle nuances that govern the rules of game. IHRM as a discipline cuts across all other business operations in the international context and plays a vital role in the success or failure of a business venture since, businesses are essentially driven by people. In the light of the above, this book has sought to address some of the issues that relate to IHRM, which need to be logically understood by any keen observer of international business, today. The approach of this book has been to detail IHRM both, in terms of a function, as well as a process and the factors or key elements that are attached to them. To make this book reader-friendly, chapter highlights have been added at the beginning of each chapter to facilitate the reader to identify the broader areas that may be learnt from a particular chapter. Each chapter also contains detailed references and key terms. Conceptual questions, multiple choices, web-based exercises are some of the additional features of the book. Relevant diagrammatic representation, relevant case study and list of web references have been also added in this book.

International Human Resource Management Routledge

The economic growth of emerging markets has been unparalleled in recent history, accounting for 50 per cent of global economic output. Despite this reality, this much-needed Handbook is the first contemporary book on human resource management (HRM) res
Routledge Handbook of Human Resource Management in Asia SAGE

The authors assume no background knowledge of HRM and blend academic theories with numerous practical examples. Case studies from a wide range of geographical regions and cultures are employed, East as well as West.

International HRM Cambridge University Press

Readings and Cases in International Human Resource Management and Organizational Behavior, 5th Edition examines cross-cultural interactions between people, cultures and human resource systems in a wide variety of regions throughout the world. This is truly a Global collection. Features include: * new readings and case studies positioned alongside trusted 'tried and true' readings and cases from past editions * a companion website featuring supplemental material and teaching notes to enhance instructors' abilities to use the readings and cases with their students. Written to enable students to meet the international challenges that they face every day and to sensitize them to the complexity of human resource issues in the era of globalization, this text is a vital resource for all those studying international human resource management.

International Human Resource Management Routledge

Acclaim for the first edition: 'Handbook of Research in International Human Resource Management represents a welcome contribution to IHRM literature and will be required readings for both novices and veteran researchers.' – Dana B. Minbaeva, British Journal of Industrial Relations '... a rich array of contributors including some of the biggest names in the field.' – Roger Bell, Delta Intercultural Academy The second edition of this Handbook provides up-to-date insight into ground-breaking research on international human resource issues today. These issues are faced by multinational companies which can be as small as one person with a computer and Internet connection or as large as a medium-sized country. Written by the field's most distinguished researchers, the book will stimulate thought for new research and provide a glimpse of where we have been and where we are going. The book explores issues such as the importance of linking IHRM activities to organizational strategy and culture; talent management; staffing; performance management; leadership development; diversity management; international assignment and mobility issues; and the role of IHRM in the management of global teams and cross-border joint ventures, mergers and acquisitions. The Handbook illustrates that IHRM research is both theoretically deep and eclectic. Drawing upon a range of paradigms and perspectives this compendium will prove invaluable for HRM scholars, doctoral students, and others interested in IHRM research.

Globalizing Human Resource Management Psychology Press

International Human Resource Management provides a critical assessment of contemporary international HRM. Written by leading international scholars, this text explores the challenges confronting organizations as they seek to develop effective resourcing strategies in a global environment. International Human Resource Management is an excellent companion text for upper level undergraduate, postgraduates and MBA students studying international or comparative HRM.

HRM and Performance Routledge

This essential book provides a thorough foundation for anyone studying or working in international human resource management. Featuring data and examples from international business, consulting practice, academic research, and interviews with IHRM managers in multinational and global organizations, it covers almost everything that is currently known in the field. The approach offers both a theoretical and practical treatment of this important and evolving area, relying heavily on the authors' varied and international backgrounds. Thoroughly updated and revised, this third edition includes learning objectives, key terms, discussion questions, and end-of-chapter vignettes for application of the ideas in the text. It is designed to lead readers through all of the key topics in a highly engaging and approachable way. The language is very 'reader-friendly' and it is global in scope and examples. The book focuses on IHRM within multinational enterprises (MNEs) from throughout the world, featuring topics including: globalization of business and HRM global strategy and structure global HR planning and forecasting global talent management global training and management development

global compensation and benefits global employee performance management new trends in international HRM. Uncovering precisely why IHRM is important for success, this outstanding textbook provides an essential foundation for an understanding of the theory and practice of IHRM. It is essential reading for all students, lecturers and IHRM professionals.

International Human Resource Management Psychology Press

International Human Resource Management in Chinese Multinationals Taylor & Francis

The link between HRM and performance has become an important policy issue at both a national and a corporate level. HRM and Performance draws on the knowledge and expertise of a number of leading international scholars in the field of HRM to provide a comprehensive overview of the current state of HRM and identify fruitful directions for theory, research and practice. A central question throughout is - what's next for HRM and what are the keys to the future of managing people and performance?

Strategic Human Resource Management SAGE

Tayeb (management and languages, Heriot-Watt U.) enters the debate about internationalization and globalization by proposing two dynamic models of human resource management (HRM) internationalization and international HRM in multinational corporations. She summarizes key debates in HRM and discusses the applicability of various HRM models in differ

International Human Resource Management Routledge

Conducting business across national borders is nothing new; the Knights Templar were banking internationally as long ago as 1135. But modern globalization processes raise different challenges, and as the world becomes smaller and labour movements more common, an international understanding of human resource management is essential. The second edition of International HRM provides a fully updated and revised analysis of this important area. Its innovative, multi-disciplinary approach allows a holistic picture to emerge in which key issues are assessed from organizational, individual and societal perspectives. The collection is divided into three parts: the contemporary internationalization context the management of international employees strategic issues facing international HR managers. Supported by new research, and including work from eminent writers in the field, this book discusses issues as diverse as the relative absence of women in international work, the ethical merits of localization, and the context faced by organizations like the United Nations. It is a valuable tool for all students, researchers and practitioners working in international business and human resource management.

International Human Resource Management Routledge

International Human Resource Management is a critically engaging and student friendly textbook for International HRM modules at all levels, including the CIPD Level 7 Advanced International HRM module. Providing wide international coverage and incorporating a global strategy perspective, it offers a particular focus on cross-cultural, comparative and strategic HRM issues, with a strong emphasis on culture and its impact on organizational behaviour and HRM. This fully updated 4th edition of International Human Resource Management includes extended coverage of cross-cultural management, a broader scope of countries and key topics such as global talent management, global leadership, global knowledge management, and differing national contexts. Filled with geographically diverse examples and case studies, and covering topics from culture and reward systems to managing expatriate assignment and diversity in international forms of working, it is an ideal textbook for all students of international HRM as well as HRM specialists and practicing managers. Online supporting resources include an instructor's manual, lecture slides and additional case studies.
