“ A beautifully crafted novel that sits at the intersection of race and class, that flags the frank truth of the life of migrant workers for whom a flight to freedom can become the most finely woven trap. ” —JODI PICOULT, #1 New York Times bestselling author of *The Book of*

Two Ways From the prize-winning author of *The Beekeeper of Aleppo* comes *Songbirds*, a stunning novel about the disappearance of a Sri Lankan domestic worker and how the most vulnerable people find their voices. Living on the island of Cyprus, Nisha is far from her native Sri Lanka. Though she longs to return home, she knows that working as a “ maid ” for a wealthy widow is the only way to earn enough to support her daughter, left behind to be raised

by relatives. Yiannis is a poacher, trapping the tiny protected songbirds that stop in Cyprus as they migrate each year from Africa to Europe and selling them on the illegal market. He dreams of finding a new way of life, and of marrying Nisha. But one night, Nisha makes dinner, an aromatic dahl curry, for the family who pays her: Petra and her daughter Alik. Then, after she cleans the kitchen and tucks Alik into bed, Nisha goes out on a mysterious errand, and vanishes. When the police refuse to

pursue the case, Petra takes on the investigation herself, a path that leads her to Nisha ' s friends—other workers in the neighborhood—and to the darker side of a migrant ' s life, where impossible choices leave them vulnerable, captive, and worse. Inspired by the real-life disappearance of domestic workers in Cyprus, Christy Lefteri has crafted a poignant, deeply empathetic narrative of the human stories behind the headlines. With infinite tenderness and skill, *Songbirds*

offers a triumphant story of the fight for truth and justice, and of women reclaiming their lost voices. *Close Range* Houghton Mifflin Stories about Indians in India and America. The story, *A Temporary Matter*, is on mixed marriage, Mrs. Sen's is on the adaptation of an immigrant to the U.S., and in the title story an interpreter guides an American family through the India of their ancestors. Jhumpa Lahiri, the Master Storyteller Deep Vellum Publishing "An important novel, rich in compassion for its

anguished characters." —The New York Times Book Review This memorable, heartbreaking story opens in Addis Ababa, Ethiopia, 1974, on the eve of a revolution. Yonas kneels in his mother ' s prayer room, pleading to his god for an end to the violence that has wracked his family and country. His father, Hailu, a prominent doctor, has been ordered to report to jail after helping a victim of state-sanctioned torture to die. And Dawit, Hailu ' s youngest son, has joined an underground

resistance movement—a choice that will lead to more upheaval and bloodshed across a ravaged Ethiopia. Beneath the Lion ’ s Gaze tells a gripping story of family, of the bonds of love and friendship set in a time and place that has rarely been explored in fiction. It is a story about the lengths human beings will go in pursuit of freedom and the human price of a national revolution. Emotionally gripping, poetic, and indelibly tragic, Beneath The Lion ’ s Gaze is a transcendent and

powerful debut. Whereabouts Houghton Mifflin Harcourt A Vintage Shorts “ Short Story Month ” Selection Pranab Chakraborty was a fellow Bengali from Calcutta who had washed up on the shores of Central Square. Soon he was one of the family. From the winner of the Pulitzer Prize and the Frank O ’ Connor International Short Story Award, a staggeringly beautiful and precise story about a Bengali family in Cambridge, Massachusetts, the

impossibilities of love, and the unanticipated pleasures and complications of life in America. “ Hell-Heaven ” is Jhumpa Lahiri ’ s ode to the intimate secrets of closest kin, from the acclaimed collection Unaccustomed Earth. Exuberance and
dread, attachment
and estrangement:
in this novel,
Jhumpa Lahiri
stretches her
themes to the limit.
In the arc of one
year, an unnamed
narrator in an
unnamed city, in
the middle of her
life ’ s journey,
realizes that she ’ s
lost her way. The
city she calls home
acts as a companion
and interlocutor:
traversing the
streets around her
house, and in parks,

piazzas, museums,
stores, and coffee
bars, she feels less
alone. We follow
her to the pool she
frequents, and to
the train station that
leads to her mother,
who is mired in her
own solitude after
her husband ’ s
untimely death.
Among those who
appear on this
woman ’ s path are
colleagues with
whom she feels ill at
ease, casual
acquaintances, and
“ him, ” a shadow
who both consoles
and unsettles her.
Until one day at the
sea, both
overwhelmed and
replenished by the
sun ’ s vital heat,
her perspective will

<p>abruptly change. This is the first novel Lahiri has written in Italian and translated into English. The reader will find the qualities that make Lahiri ' s work so beloved: deep intelligence and feeling, richly textured physical and emotional landscapes, and a poetics of dislocation. The Lowland Penguin UK "Absorbing, compelling, and beautifully written. Its ending brought me close to tears." —Beth O'Leary, bestselling author of The Flatshare For fans of The Big Sick and Nick Hornby—a magnetic debut novel about a young man who has hidden

a romance from his parents, unable to choose between familial obligation and the future he truly wants. If love really is a choice, how do you decide where your loyalties lie? It ' s the countdown to the New Year, and Nur is steeling himself to tell his parents that he ' s seeing someone. A young British Pakistani man, Nur has spent years omitting details about his personal life to maintain his image as the golden child. And it ' s come at a cost. Once, Nur was a restless college student, struggling to fit in. At a party, he meets Yasmina, a beautiful and self-possessed

aspiring journalist. They start a conversation—first awkward, then absorbing. And as their relationship develops, so too does Nur ' s self-destruction. He falls deeper into traps of his own making, attempting to please both Yasmina and his family until he must finally reveal the truth: Yasmina is Black, and he loves her. Deftly transporting readers between that first night and the years beyond, Kasim Ali's *Good Intentions* exposes with unblinking authenticity the complexities of immigrant families and racial prejudice. It is a crackling, wryly

clever depiction of standing on the precipice of adulthood, piecing together who it is you ' re meant to be.
