courses for each and every student. The seventh Canadian edition builds on the success of the previous editions in preparing students for careers in today's technology-intensive industries. *Interpreting Engineering Drawings 7TH EDITION:* *Amazon.com* ... The 6th Canadian edition of Jensen's *Interpreting Engineering Drawings* is aimed at students in mechanical apprenticeship programs, including Machinists, Tool and Die Makers, and Industrial Millwrights - who need to understand the basic and more complex concepts involved in technical drawings and the communication of technical information.
