technical training for your trade. Referencing the Interprovincial Program Guide may help in refreshing your memory as to what was Steamfitter/Pipefitter - Exambank

Our classroom pipefitter/steamfitter courses don't try to teach you all the basics over again. We focus on the areas that give students problems on the exams, and help you get over that final hurdle of your Red Seal Certification as Pipefitter/Steamfitter. Each of our classroom courses will run for approximately 48 hours over six days.
