Betrayed by Your Kiss Bantam Books

A Desperate Vow Tormented by the deaths of his wife and child, Griffin Blackmoor spends his days drowning his grief in whiskey. But when a bullet that was meant for him kills his best friend, Griffin makes a promise to the dying man that will thrust him back into London Society--and into the path of the one woman who could make his life worth living again. A Leap of Faith The daughter of a drunkard, Lady Anne Carmichael swore she would never love a man like Griffin Blackmoor. But when he rescues her during her darkest hour, Anne cannot ignore the effect Griffin's haunted eyes--or his soul-stirring kiss--have on her guarded heart. He is everything she never wanted. So why does his love feel like exactly what she needs?

Ransomed Jewels U of Minnesota Press

Lady Amanda Radburn was the most outspoken, opinionated, impertinent, and irritating woman the Duke of Hadleigh had ever met. She delighted in insulting him, and arguing over the most insignificant matters. Yet when helping her was the only way he could restore a world that included a sister he loved but had driven away with his dominating ways, he realized he had stepped into a dark world of danger and intrigue. Now he is in peril of not only losing his own life, but the life of the woman he realizes he has come to love. Regretting his unguarded words that forced her to close her heart to him, he pursues her into a future that has turned dangerously dark.

The Dark Duke Princeton University Press

Born on December 3rd? You're an ambitious, hardworking "idea person" and a dynamic leader. Born on December 14th? You're the "traveling salesperson" of the zodiac and a gifted marketer. All Sagittarians are charming, intelligent, and adventure-seeking, but which day of the month you're born on can determine the way in which you use those traits to your best advantage. In this exciting new book, master astrologer Phyllis Vega gives a detailed analysis for each birthday in the year, combining astrology and numerology to paint a true picture of the characteristics, desires, and destinies of people born on that day. If you were born October 5th, you're a skilled negotiator with a gift for making money. But if you were born just four days later, you're a compassionate dreamer with spiritual inclinations. Aries is the sign of the determined ram, but if you were born on April 7th, you are idealistic and inspiring.

Not Mine to Give Plunkett Lake Press

A family confronts its dark past in this saga of murder, revenge, and redemption by the New York Times -- bestselling author of Rich Man, Poor Man. In Irwin Shaw's celebrated novel Rich Man, Poor Man, the Jordache clan was divided and scattered by the forces of American culture and capitalism after World War II. In this potent sequel, the family reunites after a terrible act of violence. Wesley never really knew his father, Tom, the black sheep of the Jordache family. Driven by his sorrow and a need for justice, Wesley uncovers surprising truths about his estranged family's complicated past. Focused, forceful, and deeply moving, *Beggarman, Thief* is a stunning novel by a true American literary master. This ebook features an illustrated biography of Irwin Shaw including rare images and never-before-seen documents from the author's estate.

A Risk Worth Taking Baker Books

To seal a truce between warring families, sworn enemies Fiona Sinclair and Myles Campbell are set to wed, but Fiona's vow to herself to protect her heart from the man she was raised to hate is more difficult to keep than she thought.

A Cognitive Psychology of Mass Communication McGraw-Hill Medical Publishing

An extensive working vocabulary is a prerequisite for test-taking success on the GRE Graduate Record Exam. This revised and updated test preparation guide presents 800 college-graduate-level words with definitions that frequently appear on the exam, while also familiarizing test takers with how the words are generally used in various contexts. Additional features include a pretest that serves as a diagnostic, a lengthy word list with extensive sentence-completion exercises, and a chapter that discusses and analyzes essential word roots. The book concludes with a detailed posttest. Answers are provided for all exercises and for all questions in the posttest.

History of Hancock County, Indiana Oxford University Press

Provides an introduction to core concepts in sociology. Presents both classic studies and current references to illustrate sociological concepts. Examines what sociology is, why sociology is important, and why we study it. Demonstrates how various social forces impact our lives and form our social experiences.

Hoover Fair Winds Press

In this unusual and unique volume, Alexander Leitch provides a warm, often witty, and always informative reference book on Princeton University. The collection of approximately 400 articles, alphabetically arranged and written by some seventy faculty members and alumni in addition to the author, covers all aspects of Princeton life in the past as well as in the present. Of special interest are the biographies of eminent Princetonians, including the University's presidents, well-known trustees, distinguished deans, famous alumni, and some of Princeton's most prominent and popular professors. Other articles in the book embrace a wide range of topics: histories of academic departments, programs, and research units; descriptions of the honor system, the preceptorial method, the four-course plan, and coeducation; a historical survey of the University's acquisition of land and the development of its campus, together with articles on its principal buildings; pieces on student activities; accounts of alumni activities; articles on athletics; portraits of notable personalities; and commentaries on a host of lighter topics such as the cane spree, beer jackets, the Faculty Song, the proctors, and Veterans of Future Wars. Among the most important articles are one summarizing Woodrow Wilson's Sesquicentennial address, "Princeton in the Nation's Service," and a dozen others recording faculty and alumni achievements toward the goal encompassed by that phrase. Originally published in 1978. The Princeton Legacy Library uses the

latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Intimate Surrender Montlake Romance

A Desperate Choice Lady Grace Warren will do anything to protect her sisters, even betroth herself to a man so depraved that all of London fears him. Faced with a lifetime of misery, Grace has only one chance for escape: to relinquish her virtue before her wedding. Such abandon will destroy her reputation -- and ensure her freedom. But when she disguises herself as courtesan to lure a handsome nobleman, she cannot anticipate the tender surprise destiny has in store...A Twist of Fate Vincent Germaine, Duke of Raeborn, has lost two wives in childbirth and still has no heir. Racked by guilt and grief, he seeks comfort in the arms of an enchanting stranger. But when he realizes their night of passion may have resulted in another dangerous pregnancy, he sets out to track down the innocent female -- only to find his heart captured by a woman of incomparable courage and beauty.

Research Design and Methods Crown

Lady Cecelia Randolph finds herself still in love with Jonah Armstrong, the Earl of Haywood, even after his feud with her brother, the Duke of Hadleigh, forced his three-year absence and created a thirst for vengeance.

Essential Words for the GRE Harvest House Publishers

Technology and increasing levels of education have exposed people to more information than ever before. These societal gains, however, have also helped fuel a surge in narcissistic and misguided intellectual egalitarianism that has crippled informed debates on any number of issues. Today, everyone knows everything: with only a quick trip through WebMD or Wikipedia, average citizens believe themselves to be on an equal intellectual footing with doctors and diplomats. All voices, even the most ridiculous, demand to be taken with equal seriousness, and any claim to the contrary is dismissed as undemocratic elitism. Tom Nichols' *The Death of Expertise* shows how this rejection of experts has occurred: the openness of the internet, the emergence of a customer satisfaction model in higher education, and the transformation of the news industry into a 24-hour entertainment machine, among other reasons. Paradoxically, the increasingly democratic dissemination of information, rather than producing an educated public, has instead created an army of ill-informed and angry citizens who denounce intellectual achievement. When ordinary citizens believe that no one knows more than anyone else, democratic institutions themselves are in danger of falling either to populism or to technocracy or, in the worst case, a combination of both. An update to the 2017 breakout hit, the paperback edition of *The Death of Expertise* provides a new foreword to cover the alarming exacerbation of these trends in the aftermath of Donald Trump's election. Judging from events on the ground since it first published, *The Death of Expertise* issues a warning about the stability and survival of modern democracy in the Information Age that is even more important today.

Beggarman, Thief Vintage

In a blood-drenched midnight vow, Lady Katherine Downing pledged she would keep the Bishop's crown safe from the Scottish lads who'd stolen it, and return it to England where it belonged. And by king's edict, she would then wed the Earl of Rivershorn, William Bolton. But a man as evil as Bolton could never have her hand...or her heart. Not once she'd kissed her Scot. Finding his entire family slaughtered at the hands of William Bolton suddenly elevated Duncan Ferguson to laird of the clan. His mother, father and two sisters died protecting the stolen crown from Bolton, who took his remaining youngest sister, Brenna, as hostage. Once she is rescued, nothing will stop Duncan from honoring his father's memory by taking the crown back from the woman who has hidden it. Nothing will stop him from keeping the crown out of the hands of the bloody English. Except, perhaps, his beautiful, stubborn English wife - Lady Katherine - and her stubborn midnight vow.

In The Break Montlake Romance

Investigates the connections between jazz, sexual identity, and radical black politics In his controversial essay on white jazz musician Burton Greene, Amiri Baraka asserted that jazz was exclusively an African American art form and explicitly fused the idea of a black aesthetic with radical political traditions of the African diaspora. In *The Break* is an extended riff on "The Burton Greene Affair," exploring the tangled relationship between black avant-garde in music and literature in the 1950s and 1960s, the emergence of a distinct form of black cultural nationalism, and the complex engagement with and disavowal of homoeroticism that bridges the two. Fred Moten focuses in particular on the brilliant improvisatory jazz of John Coltrane, Ornette Coleman, Albert Ayler, Eric Dolphy, Charles Mingus, and others, arguing that all black performance—culture, politics, sexuality, identity, and blackness itself—is improvisation. For Moten, improvisation provides a unique epistemological standpoint from which to investigate the provocative connections between black aesthetics and Western philosophy. He engages in a strenuous critical analysis of Western philosophy (Heidegger, Kant, Husserl, Wittgenstein, and Derrida) through the prism of radical black thought and culture. As the critical, lyrical, and disruptive performance of the human, Moten's concept of blackness also brings such figures as Frederick Douglass and Karl Marx, Cecil Taylor and Samuel R. Delany, Billie Holiday and William Shakespeare into conversation with each other. Stylistically brilliant and challenging, much like the music he writes about, Moten's wide-ranging discussion embraces a variety of disciplines—semiotics, deconstruction, genre theory, social history, and psychoanalysis—to understand the politicized sexuality, particularly homoeroticism, underpinning black radicalism. In *The Break* is the inaugural volume in Moten's ambitious intellectual project-to establish an aesthetic genealogy of the black radical tradition

Cengage Advantage Books: Introduction to Sociology Macmillan

The best-selling author of *Is There Life After High School?* reveals the pervasiveness of deceitful behavior in American society, drawing on current research to explain why people lie and tolerate dishonesty on a daily basis, and profiling the deceptive behaviors

of such figures as journalist Jayson Blair and professor Joseph Ellis. 20,000 first printing.
Silent Revenge Montlake Romance

Once her girlish dreams were shattered, only a reclusive life could save her from society's clucking tongues--until a dashing charlatan gave her hope. In her dreams, Lady Elyssa Prescott could glide like the other young women across a glittering ballroom. In her slumber she could float daintily alongside a beguiled young man to a romantic tryst. But in the cold light of day, she knew that her twisted leg would never allow such girlish pleasures. It was this disfigurement that kept Lady Elyssa away from the manor house and on the back of her prized Arabian, racing the wind across the hills. There, with her hair flowing in tangled abandon, she could give her stallion a free reign. Only there could she escape the clucking tongues of the critical ton. Only there could she experience sweet moments of grace. It was on just such an afternoon that Brentan Montgomery, Earl of Charfield, caught his first glimpse of the beauty he had been hired to woo. The enchanting lady he had agreed to betray.

Cyborg Cinema and Contemporary Subjectivity Barrons Educational Series

Nothing destroys trust like sexual betrayal. Beyond broken vows, a woman who discovers that the man she loves has been viewing pornography or having an affair must deal with devastating blows to her self-image and self-worth. She must grapple with the fact that the man she thought she knew has lied and deceived her. She may even bear the brunt of shame and judgment when the people around her find out. Drawing from her experience both as a marriage and family therapist and a woman who personally experienced the devastation of sexual betrayal, Dr. Sheri Keffer walks women impacted by betrayal through the pain and toward recovery. She explains how the trauma of betrayal affects our minds, bodies, spirits, and sexuality. She offers practical tools for dealing with emotional triggers and helps women understand the realities of sexual addiction. And she shows women how to practice self-care, develop healthy boundaries, protect themselves from abuse or manipulation, and find freedom from the burden of shame and guilt.

The Death of Expertise Open Road Media

"An exemplary biography—exhaustively researched, fair-minded and easy to read. It can nestle on the same shelf as David McCullough's Truman, a high compliment indeed." —The Wall Street Journal The definitive biography of Herbert Hoover, one of the most remarkable Americans of the twentieth century—a wholly original account that will forever change the way Americans understand the man, his presidency, his battle against the Great Depression, and their own history. An impoverished orphan who built a fortune. A great humanitarian. A president elected in a landslide and then resoundingly defeated four years later. Arguably the father of both New Deal liberalism and modern conservatism, Herbert Hoover lived one of the most extraordinary American lives of the twentieth century. Yet however astonishing, his accomplishments are often eclipsed by the perception that Hoover was inept and heartless in the face of the Great Depression. Now, Kenneth Whyte vividly recreates Hoover's rich and dramatic life in all its complex glory. He follows Hoover through his Iowa boyhood, his cutthroat business career, his brilliant rescue of millions of lives during World War I and the 1927 Mississippi floods, his misconstrued presidency, his defeat at the hands of a ruthless Franklin Roosevelt, his devastating years in the political wilderness, his return to grace as Truman's emissary to help European refugees after World War II, and his final vindication in the days of Kennedy's "New Frontier." Ultimately, Whyte brings to light Hoover's complexities and contradictions—his modesty and ambition, his ruthlessness and extreme generosity—as well as his profound political legacy. Hoover: An Extraordinary Life in Extraordinary Times is the epic, poignant story of the deprived boy who, through force of will, made himself the most accomplished figure in the land, and who experienced a range of achievements and failures unmatched by any American of his, or perhaps any, era. Here, for the first time, is the definitive biography that fully captures the colossal scale of Hoover's momentous life and volatile times.

In this fifth edition of *A Cognitive Psychology of Mass Communication*, author Richard Jackson Harris continues his examination of how our experiences with media affect the way we acquire knowledge about the world, and how this knowledge influences our attitudes and behavior. Presenting theories from psychology and communication along with reviews of the corresponding research, this text covers a wide variety of media and media issues, ranging from the commonly discussed topics – sex, violence, advertising – to lesser-studied topics, such as values, sports, and entertainment education. The fifth and fully updated edition offers: highly accessible and engaging writing contemporary references to all types of media familiar to students substantial discussion of theories and research, including interpretations of original research studies a balanced approach to covering the breadth and depth of the subject discussion of work from both psychology and media disciplines. The text is appropriate for *Media Effects*, *Media & Society*, and *Psychology of Mass Media* coursework, as it examines the effects of mass media on human cognitions, attitudes, and behaviors through empirical social science research; teaches students how to examine and evaluate mediated messages; and includes mass communication research, theory and analysis.

The Post-Truth Era Penguin

Research Design and Methods: A Process Approach guides students through the research process, from conceiving of and developing a research idea, to designing and conducting a study, to analyzing and reporting data. The authors present students with information on the numerous decisions they must make when designing and conducting research and indicate how their early decisions affect how data are collected, analyzed, and interpreted later in the research process. A focus on the importance of ethical conduct, both in the treatment of research subjects and in the reporting of research results, directs the text.
