Without her signature, the adoption will unravel. Carli is desperate to pursue her dreams, so giving her baby a life with the Durbins seems like the right

choice—until her own mother throws down an ultimatum. Soon Carli realizes how few choices she has. In this powerful novel about the cost of greatness, a legendary athlete attempts a comeback when the world considers her past her prime—from the New York Times bestselling author of *Malibu Rising*. Carrie Soto is fierce, and her determination to win at any cost has not made her popular. But by the time she retires from tennis, she is the best player the world has ever seen. She has shattered every record and claimed twenty Grand Slam titles. And if you ask Carrie, she is entitled to every one. She sacrificed nearly everything to become the best, with her father, Javier, as her coach. A former champion himself, Javier has trained her since the age of two. But six years after her retirement, Carrie finds herself sitting in the stands of the 1994 US Open, watching her record be taken from her by a brutal, stunning player named Nicki Chan. At thirty-seven years old, Carrie makes the monumental decision to come out of retirement

and be coached by her father for one last year in an attempt to reclaim her record. Even if the sports media says that they never liked the "Battle-Axe" anyway. Even if her body doesn't move as fast as it did. And even if it means swallowing her pride to train with a man she once almost opened her heart to: Bowe Huntley. Like her, he has something to prove before he gives up the game forever. In spite of it all, Carrie Soto is back, for one epic final season. In this riveting and unforgettable novel, Taylor Jenkins Reid tells her most vulnerable, emotional story yet.

A People Book of the Week, Book of the Month Club selection, and Best of Fall in Good Housekeeping, PopSugar, The Washington Post, New York Post, Shondaland, CNN, and more! "[A] quirky, big-hearted novel...Wry, wise, and often laugh-out-loud funny, it 's a

wholly original story that delivers pure pleasure." —People From the #1 New York Times bestselling author of A Man Called Ove comes a charming, poignant novel about a crime that never took place, a would-be bank robber who disappears into thin air, and eight extremely anxious strangers who find they have more in common than they ever imagined. Looking at real estate isn 't usually a life-or-death situation, but an apartment open house becomes just that when a failed bank robber bursts in and takes a group of strangers hostage. The captives include a recently retired couple who relentlessly hunt down fixer-uppers to avoid the painful truth that they can 't fix their own marriage. There 's a wealthy bank director who has been too busy to care about anyone else and a young couple who are about to have their first child but can 't seem to agree on anything, from where they want to live to how they met in the first place. Add to the mix an eighty-seven-year-old woman who has lived long enough not to be afraid of someone waving a gun in her face, a flustered but still-ready-to-make-a-deal real estate agent, and a mystery man who has locked himself in the apartment 's only bathroom, and you 've got the worst group of hostages in the world. Each of them carries a lifetime of grievances, hurts, secrets, and passions that are ready to boil over. None of them is entirely who they appear to be. And all of them—the bank robber included—desperately crave some sort of rescue. As the authorities and the media surround the premises these reluctant allies will reveal surprising truths about themselves and set in motion a chain of events so unexpected

that even they can hardly explain what happens next. Rich with Fredrik Backman's "pitch-perfect dialogue and an unparalleled understanding of human nature" (Shelf Awareness), *Anxious People* is an ingeniously constructed story about the enduring power of friendship, forgiveness, and hope—the things that save us, even in the most anxious times.
