Jovinianus, about whom little more is known than what is to be found in Jerome's treatise, published a Latin treatise outlining several opinions: That a virgin is no better, as such, than a wife in the sight of God. Abstinence from food is no better than a thankful partaking of food. A person baptized with the Spirit as well as with water cannot sin. All sins are equal. There is but one grade of punishment and one of reward in the future state. In addition to this, he held the birth of Jesus Christ to have been by a "true parturition," and was thus refuting the orthodoxy of the time, according to which, the infant Jesus passed through the walls of the womb as his Resurrection body afterwards did, out of the tomb or through closed doors.

In the rec room in at a church in Cypress, Texas, Margery leads her students in a puppet pageant to strengthen their faith in the Bible and evade Satan's hand. But when the young members of the Christian Puppet Ministry put those teachings into practice, one devout young man's puppet takes on a shocking personality that no one could have expected. In this hilarious black comedy, a foul-mouthed sock puppet named Tyrone soon teaches those around him that the urges that can drive a person to give in to their darkest desires fit like a glove. In *Hand to God*, a "true tour de force" (New York Times), Robert Askins has written a play of "unerring perfection" (Huffington Post). The must-see hit of the 2015 Broadway season, starring Steven Boyer and Geneva Carr, garnered an Obie Award and five Tony Award nominations, including Best Play, following its sold out, critically acclaimed off-Broadway runs at MCC Theater and Ensemble Studio Theatre.

This suspenseful tale of a glamorous marriage, a reckless affair, and a vengeful obsession is "deliciously readable" (Daily Mail). Tom and Octavia Fleming glitter among the chattering classes of London in the late 1990s. Tom, a brilliant political strategist, and Octavia, an equally talented charity consultant, appear to have it all—good looks, money, success, and three pretty children—everything but precious time together. The truth is Tom is having an affair—and when Octavia realizes it, she plots her revenge against her husband. But nothing prepares Octavia for the identity of Tom's mistress, and her misdemeanors hardly compare to the revenge enacted by the other woman after Tom calls it off. . . . Described by Dominick Dunne as a writer "with verve and heart, immersing the reader in a world of engrossing and unforgettable glamour and passion," and praised by Barbara Taylor Bradford as "marvelously engrossing," Penny Vincenzi presents a novel packed with twists, trysts, and thrills. "Exposes the cracks in a British 'power marriage' and charts the frightening evolution of a spurned woman's love into a dangerous obsession. . . . [A] deft, swift contemporary epic."

Grace abounding to the chief of sinners Abrams

A finalist for the Pulitzer Prize, Duong Van Mai Elliott's *The Sacred Willow* illuminates recent Vietnamese history by weaving together the stories of the lives of four generations of her family. Beginning with her great-grandfather, who rose from rural poverty to become an influential landowner, and continuing to the present, Mai Elliott traces her family's journey through an era of tumultuous change. She tells us of childhood hours in her grandmother's silk shop, and of hiding while French troops torched her village, watching while blossoms torn by fire from the trees flutter "like hundreds of butterflies" overhead. She makes clear the agonizing choices that split Vietnamese families: her eldest sister left her staunchly anti-communist home to join the Viet Minh, and spent months sleeping in jungle camps with her infant son, fearing air raids by day and tigers by night. And she follows several family members through the last, desperate hours of the fall of Saigon—including one nephew who tried to escape by grabbing the skid of a departing American helicopter. Based on family papers, dozens of interviews, and a wealth of other research, this is not only a memorable family saga but a record of how the Vietnamese themselves have experienced their times.

Anthropological Papers of the American Museum of Natural History

A widowed matriarch's well-to-do English family is rocked by her plan to remarry in this "page-turner" from the bestselling author of *No Angel* (Publishers Weekly). Rescued from the slums as a baby by Celia Lytton and now living in New York, Barty Miller heads more than half of the Lyttons publishing house. But as they fall on bad times in the years after World War II, the family is worried that Barty will make a business decision that would be devastating to them. But will she? As events unfold, long-buried secrets concerning the whole family are revealed—and Celia makes a shocking announcement that she is leaving the company and getting remarried—shaking the very foundations of the Lyttons' world. . . . "Vincenzi writes. . . fast-paced novels with plots and subplots so deftly manipulated that it's impossible to start reading one and still lead a productive life." —The Washington Post

Hand to God Abrams

An irresistibly sweeping saga of power, family politics, and passion—first in the *Spoils of Time* trilogy from the bestselling author. Celia Lytton is the beautiful and strong-willed daughter of wealthy aristocrats and she is used to getting her way. She moves through life making difficult and often dangerous decisions that affect herself and others—her husband, Oliver, and their children; the destitute Sylvia Miller, whose life is transformed by Celia's intrusion; as well as Oliver's daunting elder sister, who is not all she appears to be; and Sebastian Brooke, for whom Celia makes the most dangerous decision of all. Set against the tumultuous backdrop of London and New York in the First World War, *No Angel* is, as British *Good Housekeeping* wrote, "an

absorbing page-turner, packed with believable characters and satisfyingly extreme villains, eccentrics, and manipulators.” Readers of Maeve Binchy, Barbara Taylor Bradford, and Anita Shreve will fall in love with this epic, unput-downable novel. “Through life and death, exuberance and sorrow, honor and disgrace, Vincenzi perfectly captures the intricacies of her characters and creates plots captivating enough to keep readers eyes’ glued to this long and hearty saga.” —Publishers Weekly “Packed with passion, pain, pace and palaver.” —Daily Mail Praise for Penny Vincenzi “The doyenne of the modern blockbuster.” —Glamour “Soap opera? You bet—but with her well-drawn characters and engaging style, Vincenzi keeps things humming.” —People “Nobody writes smart, page-turning commercial women’s fiction like Vincenzi.” —USA Today “Will draw you in against your better judgment and keep you awake reading all night.” —The Boston Globe

Second in the Spoils of Time trilogy. “Vincenzi continues the lush multigenerational and transatlantic family saga she began in the bestselling *No Angel*.” —Booklist The dazzling Lytton twins, Adele and Venetia, are born into the great Lytton publishing empire. In 1928, on their eighteenth birthday, they are rich and admired, with a confidence verging on arrogance. But the specter of Nazi Germany is growing . . . Gradually their privileged world darkens in unimaginable ways—but it is not just the twins whose lives have been irrevocably changed. Barty Miller, rescued from the London slums in babyhood by Celia Lytton, is clever, ambitious, and a complete contrast to the twins—and she faces temptation of the most unexpected kind . . . “As family secrets and the Nazis both threaten to crush the house of Lytton, Vincenzi tightens her grip on readers, churning out surprising twists that not only resolve current conflicts but promise delicious future crises.” —Publishers Weekly Praise for Penny Vincenzi “The doyenne of the modern blockbuster.” —Glamour “Soap opera? You bet—but with her well-drawn characters and engaging style, Vincenzi keeps things humming.” —People “Nobody writes smart, page-turning commercial women’s fiction like Vincenzi.” —USA Today “Will draw you in against your better judgment and keep you awake reading all night.” —The Boston Globe “Vincenzi does it again with another captivating and entertaining family saga that combines power, riches, lies, and greed . . . For fans of Barbara Taylor Bradford and Danielle Steel.” —Library Journal

Antiquitates Christianae Thomas Nelson

This collection of eleven essays originally appeared in France thirty years ago and created a literary whirlwind on the Left Bank. Cioran writes incisively about Western civilizations, the writer, the novel, mystics, apostles, and philosophers. The *Temptation to Exist* first introduced this brilliant European thinker twenty years ago to American readers, in a superb translation by Richard Howard. This literary mystique around Cioran continues to grow, and *The Temptation to Exist* has become an underground classic. In this work Cioran writes about Western civilizations, the writer, the novel, about mystics, apostles, philosophers. For those to whom the very word philosophy brings visions of arduous reading, be assured: Cioran is crystal-clear, his style quotable and aphoristic. “A sort of final philosopher of the Western world. His statements have the compression of poetry and the audacity of cosmic clowning”—The Washington Post

Muhammad: What can we really know about him? We know a great deal about Muhammad—or so it seems. Islamic tradition contains an astonishing wealth of information about the founding figure of the Islamic faith, and most historians take for granted that this material is generally reliable. In his latest book, historian and Islamic scholar Robert Spencer shows that there is no agreement in the earliest Islamic sources about the most fundamental details of this towering figure’s life. There are conflicting accounts of key details of his life, including the circumstances and contents of the first revelation he claimed to have received from Allah; the year of his birth; the length of his prophetic career; the name of the angel who supposedly appeared to him; and even his own name. *Muhammad: A Critical Biography* takes a detailed look at the Islamic traditions regarding Muhammad and lays bare their contradictions, inconsistencies, and incoherence. Spencer continues the groundbreaking research he began in *The Truth About Muhammad and Did Muhammad Exist?*, exposing the shocking reality of how shaky Islam’s foundations really are. He meticulously explains why competing traditions may have been invented and definitively demonstrates that, contrary to the complacency of establishment historians, the Muhammad of Islam is more legend than history, more fable than fact. *Muhammad: A Critical Biography* does the work that mainstream academics—who are either bought by Saudi Arabia or Qatar, or too afraid to depart from the herd—should have done long ago. Not for the faint-hearted, this book will do nothing less than rock the Islamic world to its very core.
