"The relationship
between the
existentialist Jean-Paul
Sartre and the post-
structuralist Jacques

Derrida has never been
fully examined until
now. In Forms in the
Abyss, Steve Martinot
sees these two
important
philosophical thinkers
of the twentieth

century as "kindred souls" despite their vast differences."--BOOK JACKET.

Into the Abyss Grand Central Publishing Bestselling author Max Hastings offers a welcome re-evaluation of one of the most gripping and tense international events in modern history—the Cuban Missile Crisis—providing a people-focused narrative that explores the attitudes and conduct of Russians, Cubans, Americans, and a terrified world that followed each moment as it unfolded. In *The Abyss*, Max Hastings turns his focus to one of the most terrifying events of the mid-twentieth century—the thirteen days in October 1962 when

the world stood on the brink of nuclear war. Hastings looks at the conflict with fresh eyes, focusing on the people at the heart of the crisis—America President John F. Kennedy, Soviet First Secretary Nikita Khrushchev, Cuban Prime Minister Fidel Castro, and a host of their advisors. Combining in-depth research with Hastings's well-honed insights, *The Abyss* is a human history that unfolds on a wide, colorful canvas. As the action moves back and forth from Moscow to Washington, DC, to Havana, Hastings seeks to explain, as much as to describe, the attitudes and conduct of the Soviets, Cubans, and Americans, and to recreate the tension

and heightened fears of countless innocent bystanders whose lives hung in the balance. Reflecting on the outcome of these events, he reveals how the aftermath of this momentous crisis continues to reverberate today. Powerful, and riveting, filled with compelling detail and told with narrative flair, *The Abyss* is history at its finest. *Into the Abyss* Columbia University Press Only one key can free the fallen angels from their prison. AD 998. At a French abbey, Brother Ciarán mac Tomás interrogates a possessed man about a cryptic prophecy. The demon reveals

that the servants of evil are searching for the Key to the Abyss referenced in the Book of Revelation. And with it, they will free the fallen angels and bring about the apocalypse. Determined to stop them, Ciarán and his companion, Alais, pursue a clue to the Key's whereabouts in the heart of medieval Rome. Yet Alais has been having dark dreams of the Eternal City, sensing a terrible evil within its ruins. The city is also embroiled in a war between the Prince of Rome and the Holy Roman Emperor. Even worse, the

emperor has besieged Castel Sant'Angelo, the very place where the secret to the Key is hidden. Finding a way inside the fortress, however, is only one of their problems. For Rome is full of mysteries tied to the Key. From a secret concealed by a long-dead pope to an arcane book written by the ancient race of Nephilim. Even more, Alais' darkening dreams may hold a vital piece of the puzzle. But can these two unlikely heroes solve the mystery of the Key before it's too late? The thrilling journey that began with

Enoch's Device continues in *The Key to the Abyss*. Begin the adventure today! **Journey to the Heart of the Abyss**

ABDO

In an age when the corners of the world have been scoured for their secrets, only one place remains unexplored--a massive cave system known as the Abyss, filled with monstrous creatures and lost relics. Those who delve into its depths

are known as Cave Raiders. A young orphan named Riko dreams of following in her mother's footsteps as a Cave Raider, and when she meets a strange robot while exploring the Abyss, she is one perilous step closer to achieving her goal! Into the Abyss
Macmillan
A mage out of her element After five hundred years as a magic teacher, Selia thought she 'd seen everything. But nothing prepared her for the chaos of her

assignment at Braelyn. Assassins, rogue princes, and a grown, half-human student—all had caught her off guard. Now, things have settled down, and her life has begun to take on a sense of normalcy. Until her seemingly dead husband reappears astride a dragon with a dire warning about Earth. An adventurer far from home For seven years, Aris was held captive on the isle of dragons, hidden so well that only his captor knew of his presence. But when a dragon claims him as her rider and flies him away on an urgent mission, Aris isn ' t certain he wants to return home. Tortured and scarred, not even thoughts of his lost family renew his desire for life.

Unfortunately, death isn ' t on the table—not with danger threatening multiple worlds. A widening abyss Life might have settled on Moranaia after Prince Kien ' s death, but the rogue prince hasn ' t gone to his death as quietly as his people believed. As poison seeps into a crack in Earth ' s energy field, a greater catastrophe looms. Now a dragon, a broken adventurer, and an uncertain mage are the only ones who stand in the way of disaster. Into the Abyss
Simon and Schuster
The story of the fate of two cousins in sixteenth century northern France. The younger, sixteen-year-old Henry Maximilian,

has set out to become a soldier and a poet. The elder, twenty-two-year-old Zeno, has left the seminary to make himself an alchemist-philosopher. *The Abyss* Council of Wizardry Excerpted from Niall Ferguson's sprawling bestseller *The War of the World*, *The Abyss* now stands on its own as one of the most thrilling short histories of World War I ever written. This is not a conventional military history about battles and generals. Rather, *The Abyss*

examines how World War I saw the birth of total war—fought between societies as much as armies—and must therefore be understood in terms of the financial crises it unleashed, the multinational empires it destroyed, and the hateful ideas it propagated. The most remarkable thing about the war, Ferguson shows us, is how shockingly unexpected it was. At a time when economic integration and technology seemed to be rendering

war between great powers impossible, World War I was the moment when that process went into reverse and the lethal forces of ethnic disintegration took over. Now, on the cusp of the 100th anniversary of its outbreak, we can see World War I as much more than just four years of industrialized slaughter. Weaving together the economics of empire and the ideology of race—and featuring an original preface by the author as well as a teaser from his new paperback

Civilization—The Abyss is world history at its finest. The Abyss High Caliber Books Today we are beset by a range of unprecedented developments that together, in this century, threaten the very existence of civilization. The current states of just ten forces -- capitalism, technology, the internet, politics, media, education, human nature, the environment, population, and transportation -- are driving society in predominantly negative ways. These forces are powerful and interconnected and their combined

operation and dynamics will carry us into any number of disasters well before 2100. We have the knowledge and solutions to address our difficulties, but for many reasons we won't be able to meaningfully employ either. There is immediate urgency to this story too. We face many threats, but one of them -- the internet and its algorithms -- is rapidly changing nearly everything about our world, including our very capacity to recognize how profound and dangerous the change is. In clear, direct language intended for every

citizen, regardless of his or her politics or age, "Headed Into the Abyss" describes and analyzes how each force is shaping society, and tells the big-picture story of what those effects add up to. Wherever on the globe you live, it really is, and will be, the story of our time. Returning from the Abyss Northwestern University Press "The Cold War . . . was a fight to the death," notes Thomas C. Reed, "fought with bayonets, napalm, and high-tech weaponry of every sort—save one. It was not fought with nuclear weapons." With global powers now engaged in

cataclysmic encounters, there is no more important time for this essential, epic account of the past half century, the tense years when the world trembled At the Abyss. Written by an author who rose from military officer to administration insider, this is a vivid, unvarnished view of America ' s fight against Communism, from the end of WWII to the closing of the Strategic Air Command, a work as full of human interest as history, rich characters as bloody conflict. Among the unforgettable figures who devised

weaponry, dictated policy, or deviously spied and subverted: Whittaker Chambers—the translator whose book, *Witness*, started the hunt for bigger game: Communists in our government; Lavrenti Beria—the head of the Soviet nuclear weapons program who apparently killed Joseph Stalin; Col. Ed Hall—the leader of America ' s advanced missile system, whose own brother was a Soviet spy; Adm. James Stockwell—the prisoner of war and eventual vice presidential candidate who kept his terrible secret from the

Vietnamese for eight long years; Nancy Reagan—the “ Queen of Hearts, ” who was both loving wife and instigator of palace intrigue in her husband ' s White House. From Eisenhower ' s decision to beat the Russians at their own game, to the “ Missile Gap ” of the Kennedy Era, to Reagan ' s vow to “ lean on the Soviets until they go broke ” —all the pivotal events of the period are portrayed in new and stunning detail with information only someone on the front lines and in backrooms could know. Yet At the Abyss is more than a

riveting and comprehensive recounting. It is a cautionary tale for our time, a revelation of how, “ those years . . . came to be known as the Cold War, not World War III. ”

Into the Abyss Faber & Faber

Every betrayal begins with trust. A man fighting to save his heritage. A race to find a secret cache of documents. A deadly family secret revealed. It's Christmas eve. Max and Kate are convalescing in the snowy woods of Colorado when violence strikes. On the run again, the ragtag family must trade their deepest secrets for safety. Confronted by

mysteries from his past, Max learns the truth about his father's treachery. A vast cache of documents that expose the inner workings of the Russian government are hidden from sight. The CIA, MI6, China's Ministry of State Security, and other groups are hunting for the secret archive along with Max's mortal enemies. In a race against time, Max visits the grandiose ski resort of Chamonix and escapes a fateful train ride through the South of France before journeying across the treacherous borders of southern Russia. There, deep in the heart of Siberia, Max must confront his past to decrypt his father's mysteries before his enemies

beat him to the prize. Can Max uncover the Vienna Archive and reverse his family's fortunes before it's too late? The Abyss is the fifth installment in Jack Arbor's Amazon bestselling series, The Russian Assassin, starring his stoic hero, Max Austin. With a breakneck pace, endearing characters, and endless action, you'll see why Jack's books fly off the shelves and why readers holler for more. Buy The Abyss today and strap in for the joyride of your life. Like one reviewer said, "This is a fast-paced thriller with a twist. If you like Jack Reacher, Mitch Rapp, or Scott Harvath, this book is for you." The Abyss Random House Canada

Using eyewitness accounts, official documents, and rarely seen photos, *Sailing Into the Abyss* takes a fascinating look at the human drama behind the deadliest sea disaster of the Vietnam War. 8-page photo insert.

Abyss Tarastone Press

Only four men survived the plane crash. The pilot. A politician. A cop... and the criminal he was shackled to. On an icy night in October 1984, a commuter plane carrying nine passengers crashed in the remote wilderness of northern Alberta, killing six people. Four

survived: the rookie pilot, a prominent politician, a cop, and the criminal he was escorting to face charges.

Despite the poor weather, Erik Vogel, the 24-year-old pilot, was under intense pressure to fly.

Larry Shaben, the author's father and Canada's first Muslim Cabinet Minister, was commuting home after a busy week at the Alberta Legislature.

Constable Scott Deschamps was escorting Paul Archambault, a drifter wanted on an outstanding warrant. Against

Archambault's handcuffs were removed-a decision that would profoundly impact the men's survival. As the men fight through the night to stay alive, the dividing lines of power, wealth, and status are erased, and each man is forced to confront the precious and limited nature of his existence. *Routes Into the Abyss* University of Michigan Press Looking Into the Abyss examines the ways in which the visual theatre affects our understanding of the dramatic event. Arnold

Aronson opens with an overview of scenographic concepts, including postmodern design and the use of new media in the theatre, and continues with analyses of the work of specific designers (including Richard Foreman and David Rockwell) and scenographic responses to playwrights like Chekhov and Tony Kushner.

If You Gaze Long Into an Abyss, the Abyss Also Gazes Into You (Notebook) Berghahn Books
The Face in the Abyss is a classic science-fiction story. The face of the title weeps golden tears, and there are a whole host of wonderful characters in the

book. Abraham Merritt (1884 – 1943) – known by his byline, A. Merritt – was an American Sunday magazine editor and a writer of fantastic fiction *Song of the Abyss* Presidio Press
These fascinating, never-before-published early diaries of Count Harry Kessler—patron, museum director, publisher, cultural critic, soldier, secret agent, and diplomat—present a sweeping panorama of the arts and politics of Belle Époque Europe, a glittering world poised to be changed irrevocably by the Great War. Kessler’s immersion in the

new art and literature of Paris, London, and Berlin unfolds in the first part of the diaries. This refined world gives way to vivid descriptions of the horrific fighting on the Eastern and Western fronts of World War I, the intriguing private discussions among the German political and military elite about the progress of the war, as well as Kessler’s account of his role as a diplomat with a secret mission in Switzerland. Profoundly modern and often prescient, Kessler was an erudite cultural impresario and catalyst who as a cofounder of the

avant-garde journal Pan met and contributed articles about many of the leading artists and writers of the day. In 1903 he became director of the Grand Ducal Museum of Arts and Crafts in Weimar, determined to make it a center of aesthetic modernism together with his friend the architect Henry van de Velde, whose school of design would eventually become the Bauhaus. When a public scandal forced his resignation in 1906, Kessler turned to other projects, including collaborating with the Austrian writer Hugo von Hofmannsthal and the German composer Richard Strauss on the opera Der Rosenkavalier and the ballet The Legend of Joseph, which was performed in 1914 by the Ballets Russes in London and Paris. In 1913 he founded the Cranach-Press in Weimar, one of the most important private presses of the twentieth century. The diaries present brilliant, sharply etched, and often richly comical descriptions of his encounters, conversations, and creative collaborations with some of the most celebrated people of his time: Otto von Bismarck, Paul von Hindenburg, Hugo von Hofmannsthal, Richard Strauss, Igor Stravinsky, Sergei Diaghilev, Vaslav Nijinsky, Isadora Duncan, Ruth St. Denis, Sarah Bernhardt, Friedrich Nietzsche, Rainer Marie Rilke, Paul Verlaine, Gordon Craig, George Bernard Shaw, Harley Granville-Barker, Max Klinger, Arnold Böcklin, Max Beckmann, Aristide Maillol, Auguste Rodin, Edgar Degas, Édouard Vuillard, Claude Monet, Edvard Munch, Ida Rubinstein, Gabriele D'Annunzio, and Pierre Bonnard, and

Walther Rathenau, among others. Remarkably insightful, poignant, and cinematic in their scope, Kessler's diaries are an invaluable record of one of the most volatile and seminal moments in modern Western history.

Daily Life in the Abyss Whittles

The sea holds many mysteries . . . but one is truly out of this world! When divers attempt to retrieve a sunken U.S. submarine, they discover a powerful force lurking deep beneath the sea, ready to unleash war, chaos and

destruction! Ties in to the sensational summer movie.

Into the Abyss HarperCollins The sequel to London Shah's thrilling futuristic mystery *The Light at the Bottom of the World*, perfect for fans of *Illuminae* and *These Broken Stars* Leyla McQueen has finally reunited with her father after breaking him out of Broadmoor, the illegal government prison—but his freedom comes at a terrible cost. As Leyla celebrates his return, she must grapple with the pain of losing Ari. Now separated from the boy who has her heart and labeled the nation's number one enemy, Leyla must risk illegal travel through unchartered

waters in her quest for the truth behind her father's arrest. Across Britain, the fallout from Leyla's actions has escalated tensions between Anthropoid and non-Anthropoid communities, bringing them to an all-time high. And, as Leyla and her friends fight to uncover the startling truths about their world, she discovers her own shocking past—and the horrifying secrets behind her father's abduction and arrest. But as these long-buried truths finally begin to surface, so, too, do the authorities' terrible future plans. And if the ever-pervasive fear prevents the people from taking a stand now, the abyss could stay in the dark forever. Journey to the Abyss

Violet has lost her
memory, and her
sense of self—but can
she decide who she
wants to be in time to
save the world? Find
out in this sequel to
Falls the Shadow,
which Kirkus
Reviews called
perfect “for fans of
Divergent and *The
Hunger Games*.”
Violet Benson used to
know who she was: a
dead girl’s clone,
with a dead girl’s
memories. But after
Huxley’s attempt to
take over the
government left her
memories and
personality wiped, all
she has left is a
mission: help the
CCA fight back
against the rest of
Huxley’s deadly
clones that are still at
large. But when a
group of clones
infiltrate CCA

headquarters, Violet is
blamed. Already
unsure of where her
loyalties should lie,
Violet finds herself
running away with an
unlikely ally: Seth,
Jaxon’s
unpredictable foster
brother. With Seth at
her side, Violet begins
to learn about a whole
new side of her city’s
history—and her own.
But when she learns
the shocking truth
about cloning, Violet
will have to make a
choice—and it may
be one that takes her
away from everyone
she ever loved.

Nietzsche once said,
“He who fights with
monsters should
look to it that he
himself does not
become a monster.
And if you gaze
long into an abyss,
the abyss also gazes
into you.” Gaze into
the abyss if you
dare. 100 lined
pages to write down
what you see in the
abyss, what
nihilistic
shortcomings you
face in life, and how
they don't matter
because all is
meaningless, and
meaninglessness is
the only meaning
you will ever find in

your short, dreary
existence. For the
pessimist in your
life, this notebook is
the perfect reminder
that nothing will
ever matter.
