Book 1 Harper Collins
NATIONAL BESTSELLER • A "gripping book about this extraordinary man who lived passionately and died unnecessarily" (USA Today) in post-9/11 Afghanistan, from the bestselling author of Into the Wild

and Into Thin Air. In 2002, Pat Tillman walked away from a multimillion-dollar NFL contract to join the Army and became an icon of American patriotism. When he was killed in Afghanistan two years later, a legend was born. But the real Pat Tillman was much more remarkable, and considerably more complicated than the public knew. Sent first to Iraq—a war he would openly declare was “illegal as hell”—and eventually to Afghanistan, Tillman was driven by emotionally charged, sometimes contradictory notions of duty, honor, justice, and masculine pride, and he was determined to serve his entire three-year commitment. But on April 22, 2004, his life would end in a barrage of bullets fired by his fellow soldiers. Though obvious to most of the two dozen soldiers on the scene that a ranger in Tillman’s own platoon had fired the fatal shots, the Army aggressively maneuvered to keep this information from Tillman’s family and the American public for five weeks following his death. During this time, President Bush used Tillman’s name to promote his administration’s foreign policy. Long after Tillman’s nationally televised memorial service, the Army grudgingly notified his closest relatives that he had “probably”

been killed by friendly fire while it continued to disassemble about the details of his death and who was responsible. Drawing on Tillman's journals and letters and countless interviews with those who knew him and extensive research in Afghanistan, Jon Krakauer chronicles Tillman's riveting, tragic odyssey in engrossing detail highlighting his remarkable character and personality while closely examining the murky, heartbreaking circumstances of his death. Infused with the power and authenticity readers have come to expect from Krakauer's storytelling, *Where Men Win Glory* exposes shattering truths about men and war. This edition has been updated to reflect new developments and includes new material obtained through the Freedom of Information Act.

The Shadow of the Wind Anchor
Steve Martin has been an international star for over thirty years. Here, for the first time, he looks back to the beginning of his career and charmingly evokes the young man he once was. Born in

Texas but raised in California, Steve was seduced early by the comedy shows that played on the radio when the family travelled back and forth to visit relatives. When Disneyland opened just a couple of miles away from home, an enchanted Steve was given his first chance to learn magic and entertain an audience. He describes how he noted the reaction to each joke in a ledger - 'big laugh' or 'quiet' - and assiduously studied the acts of colleagues, stealing jokes when needed. With superb detail, Steve recreates the world of small, dark clubs and the fear and exhilaration of standing in the spotlight. While a philosophy student at UCLA, he worked hard at local clubs honing his comedy and slowly attracting a following until he was picked up to write for TV. From here on, Steve Martin became an acclaimed comedian, packing out venues nationwide. One night, however, he noticed empty seats and realised he had 'reached the top of the

rollercoaster'. **BORN STANDING UP** is a funny and riveting chronicle of how Steve Martin became the comedy genius we now know and is also a fascinating portrait of an era. **The White Giraffe Penguin**

As prophesized, a young house cat becomes an apprentice warrior in a clan of wild cats, where he faces many dangers and treachery both within and outside of his new clan.

The Last Wild Little, Brown

#1 NEW YORK TIMES BESTSELLER • A timely and important book that challenges everything we think we know about cultivating true belonging in our communities, organizations, and culture, from the #1 bestselling author of *Rising Strong*, *Daring Greatly*, and *The Gifts of Imperfection* Look for Bren é Brown 's new podcast, *Dare to Lead*, as well as her ongoing podcast *Unlocking Us!* **REESE 'S BOOK CLUB PICK** " True belonging doesn ' t require us to change who we are. It requires us to be who we are. " Social scientist Bren é Brown, PhD, MSW, has sparked a global conversation about the experiences that bring meaning to our lives—experiences of courage, vulnerability, love, belonging, shame, and empathy. In *Braving the Wilderness*, Brown

redefines what it means to truly belong in an age of increased polarization. With her trademark mix of research, storytelling, and honesty, Brown will again change the cultural conversation while mapping a clear path to true belonging. Brown argues that we ' re experiencing a spiritual crisis of disconnection, and introduces four practices of true belonging that challenge everything we believe about ourselves and each other. She writes, " True belonging requires us to believe in and belong to ourselves so fully that we can find sacredness both in being a part of something and in standing alone when necessary. But in a culture that ' s rife with perfectionism and pleasing, and with the erosion of civility, it ' s easy to stay quiet, hide in our ideological bunkers, or fit in rather than show up as our true selves and brave the wilderness of uncertainty and criticism. But true belonging is not something we negotiate or accomplish with others; it ' s a daily practice that demands integrity and authenticity. It ' s a personal commitment that we carry in our hearts. " Brown offers us the clarity and courage we need to find our way back to ourselves and to each other. And that path cuts right through the wilderness. Brown writes, " The wilderness is an untamed, unpredictable place of solitude and searching. It is a place as dangerous as it is breathtaking, a place as sought after as it is feared. But it turns out to be the place of true belonging,

and it ' s the bravest and most sacred place you will ever stand. ”

From *Lost to Found on the Pacific Crest Trail* Simon and Schuster

Now including an excerpt from *Lust & Wonder*, a new memoir coming in March 2016. *Running with Scissors* is the true story of a boy whose mother (a poet with delusions of Anne Sexton) gave him away to be raised by her psychiatrist, a dead-ringer for Santa and a lunatic in the bargain. Suddenly, at age

twelve, Augusten Burroughs found himself living in a dilapidated Victorian in perfect squalor. The doctor's bizarre family, a few patients, and a pedophile living in the backyard shed completed the tableau. Here, there were no rules, there was no school. The Christmas tree stayed up until summer, and Valium was eaten like Pez. And when things got dull, there was always the vintage electroshock therapy machine under the stairs.... *Running with Scissors* is at turns foul and harrowing, compelling and maniacally funny. But above all, it chronicles an ordinary boy's survival under the most extraordinary circumstances.
