He had given his savings to charity, abandoned his car and his

possessions, and burnt the money in his wallet, determined to live a life of independence. Just four months later, Chris was found dead. An SOS note was taped to his makeshift home, an abandoned bus. Little Fires Everywhere. "A taut tale of ever deepening and quickening suspense." —Oprah Magazine "Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family." —Entertainment Weekly "Lydia is dead. But they don't know this yet." So begins this exquisite novel about a Chinese American family living in 1970s Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are

determined that she will fulfill the dreams they were unable to pursue. But when Lydia's body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, Everything I Never Told You is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which

mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another.
