*Bamboo Kingdom #1:
Creatures of the Flood*
HarperCollins Children's
Books

One brave feline, exiled from her clan, must fight to survive in this PEN Award–winning author’s epic fantasy

adventure about a tribe of prehistoric cats. Twenty-five million years in the past, a clan of sentient, prehistoric big cats called “the Named” have their own language, traditions, and law. Led by Meoran, the Named herd horses and deer for food. They keep order and peace, fending off predatory raiders—the UnNamed—from all sides. But, the battle has taken its toll, and the Named are skirting the edge of survival. Much to the displeasure of Meoran, a young female named Ratha discovers a powerful defense against the UnNamed. She calls it “the Red Tongue,” and it is a creature of incredible power. Red Tongue is fire, a force of both life and destruction that must be at once nurtured and tamed. Sensing that Ratha’s mastery of fire threatens his power, Meoran banishes her from the clan. As she travels out amongst the savage UnNamed, Ratha learns about both them and herself. But, her tribe needs her. Can she return? Will the Named survive

constant attacks without the Red Tongue? Will the power of the Red Tongue change the clan forever? Acclaimed author Clare Bell crafts a serious coming-of-age story filled with adventure, triumph, and heartbreak. Perfect for readers of Jean M. Auel's *The Clan of the Cave Bear*, *Ratha's Creature* will have readers hooked and clamoring for more stories of these big, noble cats.

nostrils, together with a new smell, sharper and more terrifying. Fire WindClan is missing, and hostilities between the remaining three clans place all the cats in peril. Illness and tragic accidents weaken the camp, and ThunderClan needs all its warriors to defend itself... but Fireheart suspects that certain cats may not be as loyal as they appear.

The Lost Continent, initially published as a serial in 1899, remains one of the enduring classics of the "lost race" genre. In it we follow Deucalion, a warrior-priest on the lost continent of Atlantis, as he tries to battle the influence of an egotistical upstart empress. Featuring magic, intrigue, mythical monsters, and fearsome combat on both land and sea, the story is nothing if not a swashbuckling adventure. The Lost Continent was very influential on pulp

fiction of the subsequent decades, and echoes of its style can be found in the work of Edgar Rice Burroughs, Robert E. Howard, and others. This book is part of the Standard Ebooks project, which produces free public domain ebooks.
