Interior Freedom leads one to discover that even in the most unfavorable outward circumstances we possess within ourselves a space of freedom that nobody can take away, because God is its source and guarantee. Without this discovery we will always be restricted in some way and will never taste true happiness. Author Jacques Philippe develops a simple but important theme: we gain possession of our interior freedom in exact proportion to our growth in faith, hope, and love. He explains that the dynamism between these three theological virtues is the heart of the spiritual life, and he underlines the key role of the virtue of hope in our inner growth. Written in a simple and inviting style, Interior Freedom seeks to liberate the heart and mind to live the true freedom to which God calls each one.

My Abandonment Springer Nature

A nonfiction piece about the experience of shame turned toxic and its impact on the psychological and spiritual fate of mankind. This ten-chapter effort intertwines the literary substance of the book with a workbook component, designed to get the reader to move beyond a simple mental and intellectual endeavor and move toward an exercise of personal integration with the material. The experience of shame is universal, a human experience, but an experience that has the potential to turn toxic. Toxic shame can wreak havoc on the psychological development and well-being of the individual. But this author also purports that toxic

shame can equally disrupt and damage the spiritual nature of the human experience. When *Demons Rush In* is a two-pronged approach, both psychological and spiritual, to understanding what this author believes is a devastating reality besieging the individual of our day. Specifically looking at the father-son relationship, the author focuses on this masculine relationship, his own relationship with his father, in a way to bring awareness and credibility to the author's insights into what plagues the fathers, the sons, and the men of our present-day societies. By focusing on shame turned toxic, its roots, its causes, its consequences, the author is seeking to draw attention to what he feels is a monumental threat to the fate of humankind. With special emphasis and focus on the spiritual, the author is challenging the reader to open their minds and hearts to a reality that remains unnoticed and unrecognized. As a first-time author, I have selected a subject to write about, that reflects both my professional and personal experiences. My

own personal story is one of shame turned toxic, and as a licensed clinical psychologist, I have witnessed the devastating effects of toxic shame on the individual, their families, and on their communities.

Bread That Is Broken Scholastic Inc.

A sensational collection of stories of the American experience from the Depression to the aftermath of 9/11, by one of the most gifted American writers of the twentieth century and the author of the acclaimed Rabbit series. John Updike mingles narratives of Pennsylvania with stories of New

England suburbia and of foreign travel: “Personal Archaeology” considers life as a sequence of half-buried layers, and “The Full Glass” distills a lifetime’s happiness into one brimming moment of an old man’s bedtime routine. High-school class reunions, in “The Walk with Elizanne” and “The Road Home,” restore their hero to youth’s commonwealth where, as the narrator of the title story confides, “the self I value is stored, however infrequently I check on its condition.” Exotic locales encountered in the journeys of adulthood include Morocco, Florida, Spain, Italy, and India. The territory of childhood, with its fundamental, formative mysteries, is explored in “The Guardians,” “The Laughter of the Gods,” and “Kinderszenen.” Love’s fumbblings among the bourgeoisie yield the tart comedy of “Free,” “Delicate Wives,” “The Apparition,” and “Outage.”

God's Being in Reconciliation WestBow Press

Saying the prayer, “Jesus, I trust in You,” is easy. Living this prayer as Mary did is not so easy. Mary has learned, though, and as a good Mother, teaches us how to trust, take a step along the path to life, and step upon the serpent who brings distrust and death. Stemming from years of personal prayer and lived experience, Fr. Thaddaeus Lancton, MIC, hopes to encourage the reader to take the next step in their own journey with the Lord.

The Book Thief Farrar, Straus and Giroux (BYR)

The Holy Eucharist is the Church's most precious treasure, the source and summit of her worship and life. The Church is built upon and

around the Eucharist. In this book, a renowned spiritual writer and Carmelite priest shows how receiving the Lord in the Eucharist has profound consequences, because the Eucharist is not only the great Sacrament that brings about oneness with Christ and with the faithful but also the foundational norm for Christian behavior. Any Christian who wonders how he should act, he writes, will find the answer in the Eucharist. He is called to become like Jesus—"bread that is broken" for the life of the world" (Jn 6:51). According to Saint Thomas Aquinas, all the sacraments are directed toward the Eucharist as toward their final purpose. The author explains that the Church must therefore guard this precious gift. He correctly challenges the faithful to approach the Eucharist with great reverence and a clear conscience so as not to receive the Lord unworthily but to become his

sacrificing and serving people.
