Saying the prayer, "Jesus, I trust in You," is easy. Living this prayer as Mary did is not so easy. Mary has learned, though, and as a good Mother, teaches us how to trust, take a step along the path to life, and step upon the serpent who brings distrust and death. Stemming from years of personal prayer and lived experience, Fr. Thaddaeus Lancton, MIC, hopes to encourage the reader to take the next step in their own journey with the Lord.

For many priests today, the sense of challenge is great. Some feel caught between an old order of pre-Vatican II times and an attempted new post-conciliar order. What lies behind our selection is the conviction that it is above all in a life of communion with others, understood and lived out in a robust spirituality of communion, that priests can find new hope and strength as they interrelate with their brother priests, with their bishops and with all who pass them by, moment by moment, in their life and ministry. Includes reflections by: Saint Augustine, Hans Urs von Balthasar, Benedict XVI, Helder Camara, Avery Dulles, Richard R. Gaillardetz, Gregory the Great, Basil Hume, John Paul II, Chiara Lubich, Karl Rahner, Fulton Sheen, Edith Stein, Mother Teresa, Jean Marie Vianney, and many others.

This special volume of the famous spiritual treatise also includes the many insightful letters of Father de Caussade on the practice of self-abandonment. These numerous letters provide a great additional source of wisdom and practical guidance for how to grow in abandonment and to deepen our union with God in our daily lives. De Caussade shows that this practice of self-abandonment to God's will is the key to attaining true peace and virtue, and that it is readily available to all people - from beginners to those well advanced in the spiritual life. He also shows how to determine what God's will is for us. He reveals that it is not extraordinary feats that God expects for our growth in holiness, but rather heroic attention to every detail in our lives and humble acceptance of our daily lot in life as coming from His hand. The rich spiritual lessons in this book have stood the test of time, offering real and practical assistance to all people because its message is simple and clear, one that the reader will find to be a rare treasure of inspiration and direction to be referred to again and again.

"Every day is joyful. Every day is a gift. Every day I can thank God from the bottom of my heart." Kelly Mantoan wasn't always able to say these words. As a mother of five children, two with profound disabilities, all her energy and attention was focused on her children's diagnoses and round the clock care. Drained and struggling, Kelly wondered if she had what it took to be the kind of parent they needed. She craved support as a Catholic mother with special-needs children, but felt lost and alone when she tried to rely on secular support groups or well-meaning friends and family who had no experience in the special-needs community. If you can relate to Kelly's story, **Better Than OK: Finding Joy with Special-Needs Children** is the hope-filled book you need today. In her down-to-earth way, Kelly shares the steps parents need to take to

shift their focus away from the negatives of a diagnosis and towards acceptance, renewed faith, and joy. This book is a must-read for special-needs parents, but I would recommend it to any parent who needs a dose of wisdom and encouragement. — Jen Fulwiler, bestselling author and standup comic Sometimes special-needs parents need practical tips. Sometimes we need prayers. And sometimes we just need to know that we're not alone. ... This engaging new book is a true gift to the parents of kids with special needs. — Bonnie L. Engstrom, mom of eight and author of *61 Minutes to a Miracle* This book is a gem for all special-needs parents, by turns funny, poignant, and always honest. It's the book I wish my parents could've had when I was diagnosed with cystic fibrosis in the 90s. — Emily M. DeArdo, author of *Living Memento Mori: My Journey Along the Way of the Cross* A truly important book for Catholic parents of special-needs children, and for family members, friends, and members of parish communities who want to better understand and more effectively support them. — Kendra Tierney, author of *The Catholic All Year Compendium* ABOUT THE AUTHOR Kelly Mantoan is the founder of *Accepting the Gift*, an online apostolate that provides resources and support to Catholic special-needs parents. She also blogs at *This Ain't the Lyceum* about homeschooling, special-needs parenting, and Catholic family life. She enjoys creating useful posts and resources for her followers and speaking to groups about how God's plan for our lives is often much better than anything we can imagine.

Hear My Prayer Saint Mary's Press
The cry of Jesus on the cross described in the gospels of Mark and Matthew was a wail of pain and abandonment. Many Christians have been scandalized by it. On one hand it is an expression of the humanity of Jesus, while at the same time it links him with his Jewish heritage and the rich imagery of the psalms. Italian theologian Gerard Rosse has examined the many meanings of Jesus' cry. He first considers the historical question - whether these were truly the words of Jesus. If we assume that they are, what do the words mean? Was it merely a cry

of despair, or does it reveal something of the relationship between Jesus and the One called Abba? Theologically, what light does it cast on the inner life of the Trinity? Rosse also considers the reality of abandonment in the world today and what the outcry of Jesus reveals about our solidarity with all abandoned people. **THE HOURS OF THE PASSION OF OUR LORD JESUS CHRIST** Paraclete Press

In the future, the sentence executed against a man for a crime he didn't commit has serious ramifications for the entire human race. Weapons of mutually assured destruction are about to resurface in a budding conflict between the New and Old worlds, and if the populations of both Earth and the Martian Colonies are to survive, they are going to need his help. But there's a problem. The man has spent the last year at the mercy of their sentence, in a state of total isolation and indefinite exile, and now he looks on humanity with bitter eyes. Can old wounds be healed, or will history repeat itself? *A Timeless Abandon* will make you think. Collin brings us social sci-fi at its best with realistic and nuanced characters, moments of brutal honesty and big questions to wrestle with. *A Timeless Abandon*, the first volume in what is sure to be a great series, resonates with intensity the depths of human emotion.

The Cry of Jesus on the Cross Daniel O'Connor

2,000 years ago, the Son of God prayed to His Father, "Thy Will be done on Earth as it is in Heaven." This prayer, the greatest ever uttered by the lips of man, will not go unanswered. Jesus has revealed to an Italian mystic named Luisa that the time has now at last arrived for its fulfillment; that is, for the restoration of what was destroyed by Adam 6,000 years ago in the Fall of Man. In brief: the entire world is about to be radically transformed like never before in its history. This is probably something you should know about. This book has been written to inform you about the transformation and to enable you to take part in it and hasten it. But this transformation will not be achieved through human effort. It will be given directly from Heaven by way of God's greatest Gift: the Gift of Living in the Divine Will, which is the Crown of Sanctity, and which even now we must all strive to receive. In this sanctity is found The Culmination of Deification, the Fruitfulness of Mystical Marriage, the Aspiration of the Unification of Wills, and the Essence of Marian Consecration. This is none other than the Triumph of the Immaculate Heart of Mary promised at Fatima. It is the coming of the

Kingdom of God. This is a long book, but its length should turn away no one, as a thorough and detailed table of contents is given so that each reader can easily select only those sections in which he is interested for his perusal. And any reader is sure to find much that interests him. Within these pages is a treasury of resources; not only concerning Luisa's revelations directly, but also on new arguments for God's existence and the truth of Christianity, extensive Catechesis on Private Revelation in general and on the spiritual life in general (including overviews of the greatest teachings on spirituality in the history of the Church), and details on the Era of Peace as revealed to Luisa and many other mystics, visionaries, and seers (Fatima, Medjugorje, Venerable Conchita, Fr. Gobbi, and dozens more). You will not regret reading this book. This is our great hope and our petition: "Your Kingdom come" - a kingdom of peace, justice, and serenity, that will re-establish the original harmony of creation. - Pope St. John Paul II

In this book called *The Sophiology of Death: Essays on Eschatology* you can find the answer of these questions: What will be the final destiny of humanity? At God's final judgement, will all be saved, or only a few? How does Christian eschatology affect Christian political action in the here and now? And what is the destiny of each individual facing the prospect of earthly death? In these essays, Sergius Bulgakov brings the resources of scripture and tradition to bear on these vital questions, arguing for the magnificent final restoration of all creatures to union with God in a universal salvation worthy of the infinite scope of Christ's redemption. Combining practical theology with doctrinal questions, Bulgakov provides on the one hand insight into how Christians can strive to bring God's kingdom to earth in anticipation of the peace and justice of the heavenly Jerusalem. On the other, he offers profound theological reflections on the nature of human death and Christ's accompaniment of all humans in their dying, based on his own near-death experience. Although originating firmly within the Russian Orthodox tradition, Bulgakov's sensitive and incisive writing will shed new light for all on eschatology in all its facets: personal, political, and universal in *Sophiology of Death*.

The Holy Eucharist is the Church's most precious treasure, the source and summit of her worship and life. The Church is built upon and around the Eucharist. In this book, a

renowned spiritual writer and Carmelite priest shows how receiving the Lord in the Eucharist has profound consequences, because the Eucharist is not only the great Sacrament that brings about oneness with Christ and with the faithful but also the foundational norm for Christian behavior. Any Christian who wonders how he should act, he writes, will find the answer in the Eucharist. He is called to become like Jesus—bread that is broken "for the life of the world" (Jn 6:51). According to Saint Thomas Aquinas, all the sacraments are directed toward the Eucharist as toward their final purpose. The author explains that the Church must therefore guard this precious gift. He correctly challenges the faithful to approach the Eucharist with great reverence and a clear conscience so as not to receive the Lord unworthily but to become his sacrificing and serving people.

Anxiety, suffering and death are not simply the “ills” of our society, nor are they uniquely the product of a sick and sinful humanity. We must all some day confront them, and we continually face their implications long before we do. In that sense, the Garden of Gethsemane is not merely a garden “outside the walls” of Jerusalem but also the essential horizon for all of us, whether we are believers or

not. Emmanuel Falque explores, with no small measure of doubt, Heidegger’s famous statement that by virtue of Christianity’s claims of salvation and the afterlife, its believers cannot authentically experience anxiety in the face of death. In this theological development of the Passion, already widely debated upon its publication in French, Falque places a radical emphasis on the physicality and corporeality of Christ’s suffering and death, marking the continuities between Christ’s Passion and our own orientation to the mortality of our bodies. Beginning with an elaborate reading of the divine and human bodies whose suffering is masterfully depicted in the Isenheim Altarpiece, and written in the wake of the death of a close friend, Falques’s study is both theologically rigorous and marked by deeply human concerns. Falque is at unusual pains to elaborate the question of death in terms not merely of faith, but of a “credible Christianity” that remains meaningful to non-Christians, holding, with Maurice Blondel, that “the important thing is not to address believers but to say something which counts in the eyes of unbelievers.” His account is therefore as much a work of philosophy as of theology—and of philosophy explicated not through abstractions but through familiar and ordinary experience.

Theology’s task, for Falque, is to understand that human problems of the meaning of existence apply even to Christ, at least insofar as he lives in and shares our finitude. In Falque’s remarkable account, Christ takes upon himself the burden of suffering finitude, so that he can undertake a passage through it, or a transformation of it. This book, a key text from one the most remarkable of a younger generation of philosophers and theologians, will be widely read and debated by all who hold that theology and philosophy has the most to offer when it eschews easy answers and takes seriously our most anguishing human experiences.

One of the most pressing issues in the doctrine of the atonement today is the question of the unity and diversity of the work of Christ. What are we to make of the diversity within the biblical witness and the history of doctrine when it comes to explanations of the meaning and significance of Jesus’ death and resurrection? Without a grasp of the unity of his work, our understanding and use of the diversity runs the risk of becoming haphazard and disordered. Proposals regarding the unity of Christ’s work today tend to

focus on the metaphorical nature of language, the role of culture, and various possible conceptual schemes, rarely reflecting on unity and diversity proper to the being God. To fill this gap, Johnson draws on Karl Barth's integrated account of the doctrines of God and reconciliation, harnessing the resources contained within the doctrines of the Trinity and divine perfections to energize a properly theological account of the unity and diversity of the atonement.

Acclaimed spiritual writer Fr. Wilfrid Stinissen presents insightful reflections on the Holy Spirit, the third Person of the Holy Trinity, emphasizing the importance of the Spirit in the life of a Christian. He illustrates that the Holy Spirit desires to live in us so that we can love God and others with God's own love. As the Holy Spirit descended upon the early Church at Pentecost to set the world ablaze with the fire of divine love, so He wants to do with us. God, who is One, also desires the Church to be one, Fr. Stinissen writes.

The Lord wants to unify all Christians in one holy Church, and all people in one body. The Holy Spirit is the great unifier, he says, for it is he who makes the Father and the Son one God. If Christians let him live within them, they will grow in unity.
