Jeana E. Mann

Garnering a vast amount of attention from young people and parents, and from book buyers across the country, *Smashed* became a media sensation and a New York Times bestseller. Eye-opening and utterly gripping, Koren Zailckas' s story is that of thousands of girls like her who are not alcoholics—yet—but who routinely use booze as a shortcut to courage and a stand-in for good judgment. With one stiff sip of Southern Comfort at the age of fourteen, Zailckas is initiated into the world of drinking. From then on, she will drink faithfully, fanatically. In high school, her experimentation will lead to a stomach pumping. In college, her excess will give way to a pattern of self-poisoning that will grow

more destructive each year. At age processes!

twenty-two, Zailckas will wake up in an unfamiliar apartment in New York City, elbow her friend who is passed out next to her, and ask, "Where are we?" *Smashed* is a sober look at how she got there and, after years of blackouts and smashups, what it took for her to realize she had to stop drinking. *Smashed* is an astonishing literary debut destined to become a classic.

Intoxicated Heart Jeana E. Mann

"Shall we begin?" When spoken by my new husband, these three little words fill me with terror and anticipation. In private, King Henry rules my body like he rules his country—with unrelenting control and passion. I crave his orders, his punishment, his commands. Outside the bedroom, we're strangers caught in a web of lies and decadence. Our marriage is a sham, a business arrangement devised to save my life and secure his crown. He doesn't love me. He loves my body, controlling it, shaming it, worshipping it. To survive the dangers at court, I need to be smart, but it's hard to think straight with a man like

Henry between my legs. Each night, he locks the bedroom door, determined to teach me a new lesson. Obedience, patience, trust. I lie awake in bed waiting for the sound of his footsteps and the latest installment in pleasure and pain. My heart pounds when the hinges creak and his broad shoulders block the door. I'm not ready, but I can't wait to feel his hands on me. He shoves his bowtie into my mouth, binds my hands to the headboard, and whispers in my ear... "Shall we begin?" Raised in a dysfunctional and abusive home, she struggles to break the chain of misfortune. She's determined to finish college and rescue her little sister Emma from a similar fate at any cost, including her self-esteem. The mistakes of her past complicate her future when she hooks up with Randy Mackenzie, the tattooed bouncer/bartender from the infamous Felony Bar. They shared one night together during the previous summer, and now he's back in her life. He's hot, intense, and tortured by emotions he'll never reveal to anyone, especially her. Despite

Randy's feelings for Karly, he can't tell her what she needs to hear. She's the only sunshine in his bleak existence, illuminating the dark and dusty corners of his life. The mother of his child left him because he couldn't say those three little words, and it cost him the most precious thing in his life: his son. Will he lose Karly, too, or can he overcome his irrational fear of emotional intimacy? This book is the second book in the Felony Romance series. It can be read as a standalone but is meant to be read following *Intoxicated* (Book 1), and *Unexpected* (Book 1.5). Warning: this book contains hot bartenders, sexy bouncers, and lots of steamy romance. **Sex & Character**
Good Press
"A powerful – and

personal – account of the movement and its players."—The Washington Post "This perceptive resource on radical black liberation movements in the 21st century can inform anyone wanting to better understand . . . how to make social change."—Publishers Weekly The breadth and impact of Black Lives Matter in the United States has been extraordinary. Between 2012 and 2016, thousands of people marched, rallied, held vigils, and engaged in direct actions to protest and draw attention to state and vigilante violence against Black people. What began as outrage over the 2012 murder of Trayvon Martin and the exoneration of his killer, and accelerated during the Ferguson uprising of 2014, has evolved into a resurgent Black Freedom Movement, which includes a network of more than fifty organizations working together under the rubric of the Movement for Black Lives coalition. Employing a range of creative tactics and embracing group-centered leadership models, these visionary young organizers, many of them women, and many of them queer, are not only calling for an end to police violence, but demanding racial justice, gender justice, and systemic change. In *Making All Black Lives Matter*, award-winning historian and longtime activist Barbara Ransby outlines the scope and genealogy of this movement, documenting its roots in Black feminist politics and situating it squarely in a Black radical tradition, one that is anticapitalist, internationalist, and focused on some of the most marginalized members of the Black community. From the perspective of a participant-observer, Ransby maps the movement, profiles many of its lesser-known leaders, measures its impact, outlines its challenges, and looks toward its future.

Bad Behavior #3 Univ of California Press The continuation of the award-winning *Intoxicated*, Book 1 of the *Felony Romance Series*. Jack and Ally have endured a lot to be together. Their relationship has survived the test of his ex-wife, her ex-boyfriend, and the trials of running *Felony Bar*. Jack's ready to tie the knot, but Ally's got cold feet. With her bipolar mother back in the picture, Ally has to find a way to get past her commitment issues. This is a novella and is intended to be read in conjunction with the other *Felony Romance* books.

A blind date with a rockstar threatens to reveal a nurse's hidden identity.

Elijah Crowe has everything a man could want. Fame. Women. Wealth. Somewhere along the line, it all became meaningless. Caught in a cycle of self-destruction, he's got to get out before it kills him. An impossible task when everyone on earth knows his name, he's got an ironclad contract, and the people running his career can't be trusted. Lauren Caldwell learned at a young age that the paparazzi can strip away a girl's soul. She gave up fame and fortune to live an anonymous life. She's content to bring babies into the world and hide in the suburbs until the death of a child rocks her world. Their impromptu blind date brings disastrous consequences. Elijah wants a new life. Lauren wants to hide. He will sacrifice

everything he's achieved to have Lauren, but is she willing to risk a return to the limelight for him? On the surface, they have nothing in common. It's what lies beneath that brings them together.

Impulsive Jeana E. Mann

"A candid look at the cultural factors that lend themselves to tolerance of abuse and violence against women."—Booklist
Revised and updated to include current studies, politics, and discussions, *The Macho Paradox* is the first book to show how violence against women is a male issue as well as a female one — and how we can come together to stop it.

Written by pioneering anti-violence educator Jackson Katz, *The Macho Paradox* incorporates the voices and experiences of women and men who have confronted the problem from all angles, the discussions surrounding current events in politics and pop-culture, and where the violence is ignored or encouraged in our upbringing. Katz also offers cogent explanations for why so many men harass and hurt women, and he shows what can be done to stop the violence. By working together as allies, Katz shows how all genders can end the abuse and mistreatment of women. Additional Praise for *The Macho Paradox*: "If only men would read Katz's book, it could serve as a potent form of male consciousness-raising."—Publishers Weekly "These pages will empower both men and women to end the scourge of male violence and abuse. Katz knows how to cut to the core of the issues, demonstrating undeniably that stopping the degradation of women should be every man's priority."—Lundy Bancroft, author of *Why Does He Do That?*:

A smart, practical girl. A handsome, vengeful man. The passionate retelling of a marriage gone wrong. Dakota Atwell did a terrible thing. She sold her soul to the devil, and the man she loved along with it. Now, by an unexpected twist of fate, he's back in her life, he's her boss, and he's ready to make her

pay. When Dakota walked out of his life, she took Samuel Seaforth's heart with her. He's hollow inside, and she made him that way. A decade later, he's out to break her. What he doesn't know is that she's already broken. From the boardroom to the bedroom, they're locked in a battle of wits and desire. One of them will break. One of them will pay. Both of them want to win. Neither of them expects to fall in love...again.

The Rebel Queen
Rodale
LOS ANGELES TIMES BESTSELLER
The problem is not overpolicing, it is policing itself. Why we need to defund the police and how we get there. Recent weeks have seen an explosion of protest against police brutality and repression. Among activists, journalists and politicians, the conversation about

how to respond and improve policing has focused on accountability, diversity, training, and community relations. Unfortunately, these reforms will not produce results, either alone or in combination. The core of the problem must be addressed: the nature of modern policing itself. This book attempts to spark public discussion by revealing the tainted origins of modern policing as a tool of social control. It shows how the expansion of police authority is inconsistent with community empowerment, social justice— even public safety. Drawing on groundbreaking research from across the world, and covering virtually every area in the increasingly broad range of police work, Alex Vitale demonstrates how law enforcement has come to exacerbate the very problems it is supposed to solve. In contrast, there are places where the robust implementation of policing alternatives—such as legalization, restorative justice, and harm reduction—has led to a decrease in crime, spending, and injustice. The best solution to bad policing may be an end to policing.
